Celebrate holiday warmth with Little Mouse as Santa takes him on a magical journey to the North Pole. When Little Mouse hears a knock, he opens his door to find Santa asking him for help. Santa's reindeer are hungry and can't get back to the North Pole. Little Mouse is quick to share and his kind act is generously rewarded when Santa takes him for a ride to the North Pole. One kind act goes a very long way Little Mouse finds out. The Mouse in the Sock is sure to charm children and adults alike with magical illustrations and short, simple rhyming text about the virtues of kindness and sharing. Enter a snow-covered, sparkling world of festive Christmas cheer as you celebrate the most wonderful time of the year with Little Mouse and Santa.

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Brazilian Portuguese. "Oily's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Brazilian Portuguese for Beginners has been written especially for students from low-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level, to help you progress confidently - Realistic spoken dialogues, to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Beautiful illustrations accompanying each story, to set the scene and support your understanding - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Brazilian Portuguese for Beginners will make learning Brazilian Portuguese easy and enjoyable.

Do you know the biggest secret to learning Portuguese quickly? To enjoy the material! If you are struggling with Portuguese conjugations or finding helpful and engaging reading material you can actually understand... You're not alone. This is exactly our inspiration to write this book! Let's be honest, how is a student supposed to learn when language instructors love providing materials that are tough expert-level literature with tons of grammar and rules? That style of book for new language learners can be overwhelming, and lead you to flip back and forth between a dictionary and your book constantly! Not an effective use of your time nor the best way to learn. Meet Portuguese Stories for Beginners You will find 20 easy-to-read, engaging, and fun stories that will not only help you to significantly expand your vocabulary but also provide you the tools to improve your grasp of the Brazilian Portuguese language. Speed up your comprehension, grow your vocabulary and ignite your imagination with these twenty exciting Portuguese short stories! All stories are written using vocabulary that you could easily use in your day-to-day conversations. The stories are written with beginner Portuguese learners in mind. With that said, it is highly recommended to have a basic understanding of Brazilian Portuguese to achieve maximum enjoyment and effectiveness of the lessons. This program is excellent for those who want to get an introduction to the language or brush up on their Portuguese language skills. How to Read Portuguese Short Stories for Beginners: Each story contains an important lesson in the Portuguese language involving an interesting and entertaining story with realistic dialogues and day-to-day situations. A summary in Portuguese and in English of what you just read, both to review the lesson and for you to gauge your comprehension of what the tale was about. At the end of those summaries, you'll be provided with a list of vocabulary found in the lesson, as well as phrases that you may not have understood the first time! Finally, you'll be given clever questions in Portuguese, so you can prove that you learned something in the stories. Even if you have failed multiple times to learn Portuguese, we guarantee these exciting short stories will give you words and phrases you can start using with native Brazilian Portuguese speakers immediately. It's time to add the rocket fuel you need to boost your confidence & finally grasp the language! What are you waiting for? Act now and grab your copy of Portuguese Short Stories to start learning the fun way!

First Portuguese Reader for Beginners

The Beginner's Latin Book

Bilingual Early Learning & Easy Teaching Portuguese Books for Kids

Learn Brazilian Portuguese through the power of story. A simple Portuguese story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Portuguese A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Portuguese, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of speaking. The benefit of alternating text is that you can see the meaning of each word in context, while you learn a wide range of new vocabulary - Controlled language at your level, to help you progress confidently - Realistic spoken dialogues, to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Beautiful illustrations accompanying each story, to set the scene and support your understanding - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Brazilian Portuguese for Beginners will make learning Brazilian Portuguese easy and enjoyable.

This anthology brings together fiction, poetry, recaps, and memoirs by some of the best Portuguese-Canadian and Portuguese-American writers to narrate the Portuguese Diasporic experience in North America. These works focus on lived experiences, shared spaces and the ethnic identity through which this distinctive culture is lived in the United States of America and Canada, both of which have long been home to significant and vibrant Portuguese communities that arrived in the late 19th and early 20th centuries. The book also examines the power gained from the preservation of cultural practices that promote a strong sense of self and strengthen family and community ties, and also the awareness that success can come from understanding one's legacy. We would like to emphasize that even though this anthology was compiled from the perspective of the Portuguese Diaspora to North America, the result goes beyond that community and reflects larger complexities of articulations in Canadian and American everyday life and identity that will resonate with people of any ancestry in these countries. Among the many writers included are Katherine Vaz, George Monteiro, Irene Marques, Anthony Barcellos, August Mark Vaz, Millicent Borges Accardi, Sam Pereira, Darrell Kastin and Frank X. Gaspar. Each of them offers a unique view on the heterogeneity, intricateness, and vibrancy of experiences of the Portuguese Diasporas in Canada and the United States.

access = atraz air hostess = comissário de bordo Do you understand these first Portuguese words? Yes, you do! Why? A robust vocabulary improves all areas of communication - listening, speaking, reading and writing. Vocabulary is critical to a child's success for these reasons: Vocabulary growth is directly related to school achievement. The size of a child's vocabulary in kindergarten predicts the ability to learn to read. This book was created to help teachers/parents know which spelling words should be taught to kids in kindergarten to grades 1-5. The list contains 700 words that account for 80 percent of the words children use in their writing - the ones they need to be able to spell correctly.

Do you know what the hardest thing for a Portuguese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Portuguese tongue. How Portuguese Short Stories for Beginners works: Each story is interesting and entertaining with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Portuguese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Portuguese, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue! after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Portuguese Short Stories for Beginners and start learning Portuguese right now! This book has been written by a native Brazilian author and is recommended for A2+ level learners.

Best way to learn Portuguese with stories Do you want to learn Portuguese with original classic beginner stories in Portuguese? Read in Portuguese without looking up words with our interlinear material! The HyLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast. This book contains the following stories: Querer é poder A igreja do rei Os três véus de Maria O ermitão Inconveniente da riqueza Carlos Magno e o abade A repariguinha e os sóforos O linho O valente soldado de chumbo Os animais agradecidos We have added an interlinear translation to the Portuguese text. This means that the meaning of every Portuguese word is immediately accessible, which in turn will make it much easier for you to expand your Portuguese vocabulary fast. How to learn Portuguese fast and easy with this method Use the following method to attain new Portuguese vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Portuguese. Also, contact us on shop.hypLern.com for non-translated pdf versions of this book with which you can practice reading Portuguese without the interlinear translation. Check out our HyLern interlinear books in French, German, Russian, Spanish or other languages as well!

Cute drawings of various animals, English numbers and Brazilian Portuguese numbers are all included. It is the perfect companion to teaching your children to count in two languages.

Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body, mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page with a glance reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with an Italian and English alternating text. Each paragraph is presented with its translation below. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suits you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

**The Routledge Intermediate Portuguese Reader**

Spanish is a fun, social activity! What makes "Spanish with Amigos" different from the many other Spanish books out there is that instead of studying Spanish by yourself, this book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversación), or even a beginning Spanish conversation class (clase de conversación). "Spanish with Amigos" has been intentionally designed to be very simplistic - with little grammar included. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning / Buenos días. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!

Introducing a major new voice in Brazilian letters. Set among a Lebanese immigrant community in the Brazilian port of Manaus, The Brothers is the story of identical twins, Yaqub and Omar, whose mutual jealousy is offset only by their love for their mother. But it is Omar who is the object of Zana's Jockasta-like passion, while her husband, Halim, feels her slipping away from him, as their beautiful daughter, Ghita, claims on her brothers' affection. Vivid, exotic, and lushly atmospheric, The Brothers is the story of a family's disintegration, of a changing city and the culture clash between the native-born inhabitants and a new immigrant group, and of the future the next generation will make from the ruins.

Finally, I am at home, and I feel very happy. = Finalmente, estou em casa e sinto-me muito feliz. Do you understand these first Portuguese words? Yes, you do! Why? Because it was presented to you using a new technique that is making learning languages easier than ever – the Bilingual Reading. We created this book using this technique so that you can learn Portuguese vocabulary in a fast and fun way and whenever you want. How does this work? It is simple: Bilingual Reading works by reading two versions of the same book or text at once. One version will be on the language you want to learn (in this case we will help you to learn portuguese vocabulary) and the other version will be in your native language or some other language you are comfortable with – here we will use English. Using this method, you will quickly start to learn Portuguese for foreigners from basics and learn Portuguese language easy by accumulating vocabulary. Learning Portuguese language books (in Portuguese English dual language format) is a process that will soon allow you to read texts that are more complex without having to spend hours and hours looking for every word meaning on a dictionary! Using this method, you will quickly begin to discover the meaning of words in Portuguese and accumulate vocabulary quickly. To captivate readers of all ages, this book brings together 50 amazing Penguins images with short, simple, funny texts written in your native language and in language you want to learn. Step by step, with this learn Portuguese book for kids or adults you will see that everyone is memorizing more vocabulary in an easy, fast and fun way. It's a great tool for everyone interested in learn Portuguese language. Let's start our Portuguese learning adventure!

17 Times Amazon Best Seller is giving YOU his Complete System! Not only that, he's also giving you his FREE COURSE and the exact Skeleton File (already formatted)! He personally uses for publishing on Kindle! Has he lost it completely? Most likely, but he swears otherwise! He has this stupid idea that if he gives you exactly what you need to solve your problems you might just stick around. **The Routledge Intermediate Brazilian Reader is a comprehensive reader aimed at intermediate level students of Brazilian Portuguese. The aim is to provide a structured language teaching resource that is enjoyable and stimulating for learners, but that also provides meaningful cultural contexts. This Brazilian Reader consists of twenty readings graded on the basis of complexity of vocabulary, grammar and syntax. It presents a range of different text types which give a good representation of contemporary Brazilian writing, including fiction and non-fiction by some of Brazil's most prominent and popular authors. Key features include: vocabulary lists for quick reference reading comprehension questions exercises to learn and review important vocabulary focus on idiomatic expressions full answer key to vocabulary and idiom exercises Portuguese-English glossary at the back Suitable for both class use and independent study, The Routledge Intermediate Brazilian Reader is an essential tool for facilitating vocabulary learning and increasing reading proficiency.**

**The book consists of Elementary and Pre-intermediate courses with parallel Portuguese-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author had to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only 29 new words each. Audio tracks are available on lppbooks.com free of charge.**

**This grammar provides a synchronic grammatical description of Mauwake, a Papuan Trans-New Guinea (TNG) language of about 2000 speakers on the north coast of the Madang Province in Papua New Guinea. It is the first book-length treatment of the Mauwake language and the only published grammar of the Kumil subgroup to date. Relying on other existing published and unpublished grammars, the author shows how the language is similar to, or different from, related TNG languages especially in the Madang province. The grammar gives a brief introduction to the Mauwake people, their environment and their culture. Although the book mainly covers morphology and syntax, it also includes ashort treatment of the phonological system and the orthography. The description of the grammatical units proceeds from the words/morphology to the phrases, clauses, sentence types and clause combinations. The chapter on functional domains is the only one where the organization is based on meaning/function rather than structure. The longest chapter in the book is on morphology, with verbs taking the central stage. The final chapter deals with the pragmatic functions theme, topic and focus. 13 texts by native speakers, mostly recorded and transcribed but some originally written, are included in the Appendix with morpheme-by-morpheme glosses and a free translation. The theoretical approach used is that of Basic Linguistic Theory. Language typologists and professional Papuanist linguists are naturally one target audience for the grammar. But also two other possible, and important, audiences influenced especially the style the writing: well educated Mauwake speakers interested in their language, and those other Papua New Guineans who have some basic training in linguistics and are keen to explore their own languages. Welcome to the second volume of Portuguese short stories for beginners. Here you will find 10 more stories to help you learn Portuguese in a new and interesting way! Olá ! Hello! Do you understand this first Portuguese word? Yes, you do! Why? Because it was presented to you using a new technique that is making learning languages easier than ever - the Bilingual Reading.
