Anatomy made easy: short questions and answers contains extensive coverage of wide variety of topics related to all aspects of anatomy. This book has been envisioned to facilitate learning in the form of short questions and answers in anatomy. It is designed to aid the first-year MBBS students as well as students preparing for the Pre-PG examination. This book will also help the first-year MBBS students in their viva voce examination. A simple and easy-to-use book for medical students which is thoroughly updated and systematically organized. Key features questions are prepared after analyzing question papers of various colleges and universities which make this book most suitable for students. Organization of the questions aligns with new competency-based curriculum being adopted by all colleges and universities. Questions appear in the sequence according to the topics given in the standard textbook. This makes it easy for students to follow the topics as given in the textbook. Answers to the questions are pinpoint and many answers also contain additional information pertaining to the topic which provides

better understanding of the topic. The book also contains many clinical anatomy question-answers which are not given in standard textbook but are asked in examination. This book features more than 160 line diagrams which can guide the students in better retention and are easy to reproduce by the students in examination.

A love story meant for all generations especially the youths, this book contains comedy, romance and tragedy. Firstly the readers would feel electrified and enthusiastic before that they would laugh and at last I bet they would cry. The story is based on the fact how our society react to love and how the concept love is ill treated. Sam who wanted to become a writer and Saba who wanted to become a doctor both from a village met each other when they were students and eventually fell into love. Sam, knowing the consequences of loving someone

took it a challenge. He believed he would change the perceptions of the conservative people who hate love. He promised to turn around the lives of one another to set an example. But Sam is a dull student in science subjects and Saba very brilliant. They gave lessons to each other days and nights and even exchanged high class romance. Their aims got changed, Saba who wanted to become a doctor aspires to become a writer and Sam who was dull in science subjects is now a doctor of 35 but is never happy with his life, he is alone. Read and find out.

Fiction Book in English The year is 1985. A brilliant young girl, full of promise, has just begun classes at her local college. Rema is excited about this new phase in her life, when all hell breaks loose. She begins to be harassed by a young man from the law college, during the bus journeys from home to college and back. Her confidence is shattered, her sense of self destroyed. Although things take a turn for the better when she makes a new friend in college, her troubles are far from over. Eventually, she gets married to a young lawyer but her marriage is a trap from which there is no escape. To make matters worse, one day the man who abused her when she was in college re-enters her life. He leaves no chance to subject her to further abuse and violence. Rema is at a loss about how to deal with this impossible situation. What will Rema do? How will she turn the situation around? How will she face the demon who has taken it upon himself to take away everything she holds dear? This is the moving and uplifting story of a woman who refuses to let the hostile conditions of her life bring her down. She fights through everything to emerge stronger and better. Unfortunately, she has to take extreme measures to fight her abuser. This is an important commentary on women's place in contemporary Indian society and the conditions of their existence. Rema's story brings with it a slice of life in Calicut, a city located in north Kerala. To watch the book trailer video click

The experiences and hardships the author encountered in life as a student and thereafter lead her to write this book. Living life is a burden for some, turmoil for others, happiness for a few and enjoyment for some. People usually get stuck in life after some unpleasant incidence and are unable to move ahead in their lives. Living a happy, content and satisfied life is an art, very few people have mastered. The more and more people become experts in this aspect, the more peace will prevail in the world and we would not have to distinguish between heaven and hell. Each human being has the capacity to create their heaven on earth for themselves. The day we realise our own potential, we would be magicians of our lives. The protagonist of the book METAMORPHOSIS Dr. Shalini is fighting a lone battle in adverse conditions to create a nonexistent world. The memories of her dear husband, whom she loves a lot, and her medical life haunt her and at the same time give her strength to deal with the challenges she faces. Will she win the battle of her own life?

• 10 Sample Papers in each subject. 5 solved & 5 Self-Assessment Papers • All latest typologies Questions. • On-Tips Notes & Revision Notes for Quick Revision • Mind Maps for better learning
