Amanda Quick's bestselling trademark is a combination of suspense and passion in historical tales alight with sparkling wit and brimming with dangerous intrigue. Now she serves up the most tantalizing novel of her career as an enterprising woman allies herself with a mysterious spy, only to be caught in a seething brew of treachery — and temptation.... From the moment he burst into her antiquities shop in Rome, Lavinia Lake knew the stranger was nothing but trouble. He said he was in pursuit of a killer. He swore he was only trying to save her. Yet no matter what he claimed, Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. And when the self-described spy hustled her and her niece out of the shop and back to England, Lavinia could only hope that one day she would find a way to repay Mr. March in full. But Lavinia never imagined the shocking circumstances under which they would meet again ... or that soon he would become more deadly — and more compelling — with each passing day. In the business of making private inquiries, Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization. Yet in his search he had found nothing but one dead end — and one dead body — after another. And then, just as his investigation

was heating up once more, he found his mission and his life complicated by the most ungovernable, unpredictable, exasperating woman he had ever met. Faced with a tangled web of deceit and danger, Tobias had no choice but to form a partnership with Lavinia, a lady whose past could only be described as slightly shady. Yet when he persuaded her to become his associate, neither Tobias nor Lavinia realized that their heated disputes would spark a sizzling desire — or that the deeper they kept digging for the truth, the deeper they were digging their own graves....

My name is Madison Avery, and I'm here to tell you that there's more out there than you can see, hear, or touch. Because I'm there. Seeing it. Touching it. Living it. Madison's prom was killer—literally. For some reason she's been targeted by a dark reaper—yeah, that kind of reaper—intent on getting rid of her, body and soul. But before the reaper could finish the job, Madison was able to snag his strange, glowing amulet and get away. Now she's stuck on Earth—dead but not gone. Somehow the amulet gives her the illusion of a body, allowing her to toe the line between life and death. She still doesn't know why the dark reaper is after her, but she's not about to just sit around and let fate take its course. With a little ingenuity, some light-bending, and the help of a light reaper (one of the good guys! Maybe . . .), her cute crush, and

oh yeah, her guardian angel, Madison's ready to take control of her own destiny once and for all, before it takes control of her. Well, if she believed in that stuff.

Eight years ago, Lieutenant Luke Ripton made a hasty wartime marriage to protect a young girl from a forced union. This is the first instructional book of its kind, taking a strikingly new and refreshing approach to learning guitar, carefully designed to guarantee efficient practice with rewarding results. Whether your playing falls under one of the more traditional styles, or whether you're a composer and arranger or exploring new musical regions and establishing your own musical direction or personal fusion of musical ideas and influences, The Praxis System has what you need. The name of the system ("Praxis" comes from the Greek word meaning "practice" and "to do") accurately reflects its general orientation. Play it first, getting sound and satisfaction out of the guitar immediately, and musical understanding will naturally follow. Praxis lets you choose the precise subject you want and immediately provides relevant musical examples. And these

examples are presented in such a way that the principle behind the example is always clear, thus allowing you to apply it directly to your music. Traditional guitar books try to teach you to play someone else's music, while Praxis takes you directly to being able to play anything that you want---someone else's music, your own music, and everything in between. Guitar instruction books are traditionally written in a progressive fashion; Book 1 first, then Book 2, etc. However, the selection and sequencing of material is usually determined by the book rather than the reader, and the familiar result is that---while the book progresses, the student doesn't. Again, Praxis reverses this. You don't have to start with Book 1, there is no Book 1! You go where your interests lie. Just begin work on any one subject in any volume that attracts you. Because Praxis is a modular system, it can be reassembled into many different combinations. These different combinations of units can answer both varying curricular needs as well as individual interests.

With inspiration from Mary Shelley's *Frankenstein*—and perfect for fans of Libba Bray—this breathless conclusion to the

Madman's Daughter trilogy explores the things we'll sacrifice to save those we love...even our own humanity. After killing the man who tried to steal her father's research, Juliet and her friends have escaped to a remote estate on the Scottish moors. Owned by the enigmatic Elizabeth von Stein, the mansion is full of mystery and unexplained oddities: dead bodies in the basement, secret passages, and fortune tellers who seem to know Juliet's secrets. Though it appears to be a safe haven, Juliet fears new dangers may be present within the manor's walls. Then Juliet uncovers the truth about the manor's long history of scientific experimentation—and her own intended role in it—forcing her to determine where the line falls between right and wrong, life and death, magic and science, and promises and secrets. And she must decide if she'll follow her father's dark footsteps or her mother's tragic ones, or whether she'll make her own.

In *Drawing Near*, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice—just as we would practice anything we hope to improve—our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

Townsfolk called him devil. For dark and enigmatic Julian, Earl of Ravenwood, was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit

she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again.
