author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities,

Online Library Flying High Pacific Cove 2 Siren

Collection

their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple

Collection

strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms

in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-
bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-
turner about family and relationships that is immersive and provocative,
compassionate and wise.

grew up knowing he never really fit in. His
family avoids him. He falls so much that the
staff at the local hospital know him by first
name. And he can't get a date to save his life.***

Enter handsome fire fighters, Ben and Abe Lake, two men that bring every fantasy Danny ever had to life. Except Ben and Abe seem to have some business deal with Danny's father that involves a ton of money and the assumption that Danny has a clue. He doesn't. When Ben and Abe start talking about fated mates, shifters, and a family legacy that goes back decades, Danny is pretty sure they belong in an insane asylum. But as he gets to know the handsome twins, he begins to wonder if being crazy is that bad. Being alone again seems worse. After someone starts trying to take Danny out of the picture permanently, he has to

? During the Pacific War between the United States and Imperial Japanese navies, the author's father, Francis Gelzheiser, deployed with Motor Torpedo Boat Squadron 16A, from New Orleans to Panama to Seattle and to Attu Island in the Aleutians. After their return voyage, the PT boats journeyed to New Guinea, then battled Japanese kamikazes for the Philippine Island of Mindoro. Like many World War II veterans, Gelzheiser only shared his recollections of combat later in life. The author chronicles

Final Report

Dear Jackson, I'm leaving you this note because I know you're very busy and I don't want to waste the town

Online Library Flying High Pacific Cove 2 Siren
Publishing The Stormy Glenn Menage Manlove
Collection

sheriff's time. Lord knows I've already wasted enough of it. Thank you for taking me home last night and...everything else. I made you a basket of wild blueberry muffins for your trouble. That seemed like the appropriate baked good for getting naked in your living room. I wasn't myself last night. I didn't mean to kiss you or fondle your backside or ask all those intimate questions. Thank you for pretending to enjoy it. It was very noble of you to sleep on the couch while I was starfished on your bed. I couldn't help but notice it's quite large. The bed, that is. I swear, I didn't notice anything else when I let myself out this morning. As you know, Talbott's Cove is a ridiculously small town and there's no chance we can avoid each other. Not that I'd want to avoid you, of course, but I'm not sure I can look at

you without thinking of the forty different ways I made a fool of myself. Instead of avoidance, let's try to be friends. We'll forget all about last night...if that's what you want. Please burn this note after you read it— Annette p.s. I whipped up some cinnamon buns, too. Please enjoy them. I'm not sure why, but I couldn't get buns out of my mind today.

Pacific Islands Pilot: Western groups. 1928.- 2. Eastern groups. 1926

A directory for the navigation of the South Pacific Ocean

The Yukon is a land of remarkable wilderness,

diverse ecosystems, and profound beauty. It is also home to a unique assemblage of birds. As of 2002, 288 bird species have been documented in the Yukon, with 223 occurring regularly. They occupy an amazing range of habitats, from the most barren mountain peaks to lush valley bottom forests, and are an integral part of the cultural heritage of Yukon First Nations people. The vast areas of natural habitat with limited road access can make the study of birds challenging, but are key in defining the nature of birding in the Yukon. Birds of the Yukon Territory is the result of a decade-long project initiated to gather and

share what is known about the Yukon's birdlife. Lavishly illustrated with 600 colour photographs and 223 hand-drawn bird illustrations, the book presents a wealth of information on bird distribution, migration and breeding chronology, nesting behaviour, and habitat use, and on conservation concerns. Two hundred and eighty-eight species of birds are documented, including 223 regular species, and 65 casual and accidental species. In compiling this meticulously researched volume, the authors consulted over 166,000 records in a database created by the Canadian Wildlife Service, with information dating back to 1861. S

actions on birds in Aboriginal culture and history, and bird names in the Yukon First Nations and Inuvialuit languages, enhance the book, as do the numerous easily interpreted charts and graphs. Destined to become a basic reference work on the avifauna of the North, Birds of the Yukon Territory is a must-have for bird enthusiasts and anyone interested in the natural history of the Yukon and the North.
