

Follow The Stone Kindle Edition John Locke

In this third Weasel and Big Benny Book, our hero detectives are handed a case of a murdered TV star. In an unusual situation, Weasel's sometime girlfriend who's a C.S.I. Gets the case for them and pleads for them to take it because she's done consultant work on the TV show and has met the star several times. It doesn't take long for the case not only be about a murder but a stolen Rolex watch and an expensive necklace hat belonged to the lead actress on the show. Little did the detectives know that the case would start a riff between them that causes Big Benny to get mad and take another case that endangers his life. He finds himself in an old mine shaft and stuck in a fifteen foot deep hole. Not only has Weasel got to solve the TV star's case he has to find Big Benny? Who killed the TV star and who put Big Benny in the deep abyss? Here's A Taste "See it?" the man asked. "See what? I don't see a thing." "Look close. Your headlights are pointed right at it." Benny peered and strained his eyes. Finally he saw a faint outline of an entrance. "An old abandoned mine," the man explained. "Let's go." "So you're going to kill me and leave me in there, huh?" "Don't be so dramatic. Be a good boy and you will come out of this all right." He took a small flashlight from his pocket, pointed out the path. Inside, the man had Benny walk a couple hundred feet on the rocky ground, playing the beam of his light right and left. "This is it," the man announced and pointed the light to a deep hole in the ground. "Okay, big man. Jump down in there." Benny peered into the abyss. "How far down does it go?" "Only twelve, fifteen feet. The jump won't kill you if that's what you're worried about." Benny hesitated. "I could break a leg." "And jump or I'll shoot and you'll fall in. Your choice, big fella." Benny jumped. Then he heard the man's feet crunch on the small rocks until the sound disappeared. He sat down with his back to the far side of the hole's wall.

Betrayed and left for dead high in the Alps, Nick Stone is in trouble. The blood on his hands tells of a head wound he can't see and his foggy memory confirms it. He knows only one thing for certain - someone, somewhere wants to kill him. And they think they've succeeded. Stone wants revenge, but the only person who can help him is a seven year old boy. Not much protection in the pursuit of a gang of faceless men who trade in human misery. But this run-of-the-mill close protection task is about to become Stone's most personal mission yet. Payback is top of Stone's agenda. The fuse has been ignited - but who really holds the detonator?

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

The Bible Expositor's Handbook, NT Edition

A Prehistoric Journey to the Center of the Earth

A Matter-of-fact Romance

Military men have a special place in Lucy Parmenter's tortured heart. For the past few months, Army Captain Gus MacBride, stationed in Afghanistan, has transformed her lonely life at a North Carolina refuge for abused women and their children. The texts, emails, and phone calls between him and Lucy bubble with restrained heat; his sisters (Pickle Queen Gabby and Biscuit Witch Tal) have let on that Lucy has a painful history, and he romances her gently. When several of her sheep show up on a freezing January morning with full-body mohawks, Lucy's psychic "wooly clairvoyance" says the wool thieves are hiding in nearby woods owned by the MacBrides, and that Tal knows all about them. She confesses: they're veterans--men, women, and one service dog--suffering from PTSD, suspicious and jumpy. She's taken them to heart and won their trust with apple pies. Lucy struggles with her fear of strangers while her heart is drawn to people so much like herself. When word of other minor thefts start to cause talk around the Crossroads Cove, Lucy has to get involved. When Gus tells her he's coming home on leave soon, she realizes her challenges are just beginning.

The key to successful daily living is found in two words – “Choose life!” (Deuteronomy 30:19), a simple, insightful, uncomplicated principle, predicated on an intimate knowledge of God and choosing to follow Him. The book encourages the reader to make a definitive, decisive, life-changing decision regarding Who God is, what He is like, and what He requires of every individual. Throughout the book we are challenged to “search for Him” with all our heart and soul (Deuteronomy 4:29) until we find Him and discover that we can no longer “hesitate” between two opinions. “If the Lord is God, then follow Him” (1 Kings 18:21 NIV). Either you stay as you are and settle for business as usual in your daily life, continuing on as you’ve always been living and missing the miracle and joy of drawing close to God and the benefits thereof, or you take the sacred journey seriously, follow God as His Spirit leads, walk by faith through the day, rely on His promises, and trust His faithfulness, wisdom, love, and Word. It is The Most Important Decision You’ll Ever Make, which will take you on a journey you could never have imagined or thought possible.

Follow the path of one Private Eye who makes a real difference. Blood runs cold in Central City and where Stone goes, death is around every corner. One Lethal Kiss Detective Vic Morgan is given a narcotic and then incriminating photo of him and a prostitute were taken. Obviously someone is trying to ruin the honest cop's career, and he seeks help from his friend, Private Detective Randall Stone. However, Detective Morgan's problems get much worse when he tied to the murder of his snitch shot with the detective's pistol. Stone is faced with the job of unraveling the chain of responsibility for this murder. THRILLER When a casual acquaintance of Private Detective Randall Stone gunned down and died in his arms, Stone's investigation uncovers a terrible secret and with luck he will get out alive. The Package Private Detective Randall Stone's life hangs in the balance when he is given 12 hours to deliver a package the Mafia think he has. Stone has one clue to locate a man named Terry Long, who's already dead. Justice is coming, and it will be relentless. Originally published in a slightly different form in the United Kingdom by Bloomsbury in 1998.

E-Books in Academic Libraries: Stepping Up to the Challenge provides readers with a view of the changing and emerging roles of electronic books in higher education. The three main sections contain contributions by experts in the publisher/vendor arena, as well as by librarians who report on both the challenges of offering and managing e-books and on the issues surrounding patron use of e-books. The case study section offers perspectives from seven different sizes and types of libraries whose librarians describe innovative and thought-provoking projects involving e-books.Read about perspectives on e-books from organizations as diverse as a commercial publisher and an association press. Learn about the viewpoint of a jobber. Find out about the e-book challenges facing librarians, such as the quest to control costs in the patron-driven acquisitions (PDA) model, how to solve the dilemma of resource sharing with e-books, and how to manage PDA in the consortial environment. See what patron use of e-books reveals about reading habits and disciplinary differences.Finally, in the case study section, discover how to promote scholarly e-books, how to manage an e-reader checkout program, and how one library replaced most of its print collection with e-books. These and other examples illustrate how innovative librarians use e-books to enhance users' experiences with scholarly works.

A groundbreaking vision on the future of reading, from an early innovator on Amazon's Kindle team. Is digital the death knell for print? Or will it reinvigorate the written word? What will happen to bookstores, book browsing, libraries, even eographs? Will they die out—or evolve into something new? In Burning the Page, digital pioneer Jason Merkoski charts the ebook revolution's striking impact on the ways in which we create, discover, and share ideas. From the sleek halls of Silicon Valley to the jungles of Southeast Asia, Merkoski explores how ebooks came to be and predicts innovative and interactive ways digital content will shape our lives. Throughout, you are invited to continue the conversation online and help shape this exciting new world of "Reading 2.0." For those who love books, collect books, own an e-reader, vow never to own one, or simply want to know where books are headed, this is a crucial guide to both the future of reading and to our digital culture as a whole.

I Justice

Using the history of Alabama and the stories of her pioneering ancestors, Lella Warren created the Whetstone clan who settled Alabama in the 1820s, helped lead it into the prosperity of the 1850s, and fought for it in the War Between the States. The historical background of Foundation Stone is authentic, but, more, it is a compelling story about believable characters. The story of these people— three generations of Whetstones— captures the American pioneering spirit. As an unidentified reviewer described the novel, " Lella Warren 's ' Foundation Stone' is the long, well-told chronicle of a family that loved and hoped and struggled in a difficult world, unaware that they symbolized an era and a way of life." Foundation Stone was published in September 1940 and was on the Publishers Weekly bestseller list September 1940-February 1941, along with Hemingway' s For Whom the Bell Tolls and Wolfe' s You Can' t Go Home Again.

International best-selling author John Locke (Saving Rachel, Wish List, Now & Then, Lethal People, Lethal Experiment) tackles a new genre, with hilarious results. Follow the Stone (An Irreverent Western Adventure) is a good-hearted, rollicking story about a former gunslinger and his crablike scout, who journey West with a mail order bride, a witch, and a wagon full of prostitutes!

Jack Snow, Consultant and sometimes detective for the Diamondhead Casino, is asked by the owner to consider taking the case of one of his very rich patrons. The patron, Grace Lynch, tells him that her sister's one year old toddler has been kidnapped a week ago. Her sister is fighting battle with cancer and needs her son found. Jack expresses doubts but agrees to try. His investigation is somewhat derailed when his main suspect is murdered. Now he has to solve the murder as well as the kidnapping. Can he do it?

He was home from prison. Ten years compressed in the nerve-racking space of a few seconds. This tall, broad-shouldered stranger was her husband. Every memory she had of his appearance was there, stamped with a brutal decade of maturity, but there. Except for the look in his eyes. Nothing had ever been bleak and hard about him before. He stared at her with an intensity that could have burned her shadow on the floor. Words were hopeless, but all that they had. "Welcome back," she said. Then, brokenly, "Jake." He took a deep breath, as if a shiver had run through him. He closed the doors without ever taking his eyes off her. Then he was at her in two long steps, grasping her by the shoulders, lifting her to her toes. "I trained myself not to think about you," he said, his voice a raw whisper. "Because if I had, I would have lost my mind." "I never deserted you. I wanted to be a part of your life, but you wouldn't let me. Will you please try, now?" "Do you still have it?" he asked. Anger. Defeat. The hoarse sound she made contained both. "Yes." He released her. "Good. That's all that matters." Sam turned away, tears coming helplessly. After all these years, there was still only one thing he wanted from her, and it was the one thing she hated, a symbol of pride and obsession she would never understand, a blood red stone that had controlled the lives of too many people already, including theirs. The eBook Revolution and the Future of Reading

Using the Bible as the original textbook, Greg Harris shows readers the continuity and cohesiveness of God ' s Word. The Bible Expositor ' s Handbook: New Testament picks up where the Old Testament edition ended. Rather than jumping into Matthew, where our New Testament begins, Harris instead looks to Luke 24 where Jesus taught through every book of the Old Testament, showing truths that were either already fulfilled by him or would be in the future. This unique approach enables the reader to have a greater confidence is what God ' s Word teaches, and a greater love and appreciation for our Lord Jesus Christ.

When Kindle discovers a necklace that transports her to a strange land called Anelthalien, all she wants is to return home. Soon, though, Kindle meets the strange yet kind Cifra and discovers that the necklace carries with it much more than a simple painting. After meeting three others who also find similar necklaces, the Cifra lead them to a farmer who also proves to hold many more secrets from times altered out of Anelthalien's memory. Once the farmer begins recalling the past and linking Kindle and the three others to it, Kindle realizes that returning home may not be as easy or as important as she believes. In fact, none of them expect the necklaces will tie them to not only an almost forgotten past but a gilded present and possibly disastrous future. Anelthalien provides an approachable, enchanting picture of the difficult, destructive problem of apathy toward God so that readers readily realize the problem does exist and that they must leave their preoccupations and misconceptions to follow God. From Anelthalien, readers will learn that tying yourself to God results in living out a purpose bigger and more important than yourself and also that followers of God must tell others about Him.

From the bestselling author of The Everything Store, an unvarnished picture of Amazon's unprecedented growth and its billionaire founder, Jeff Bezos, revealing the most important business story of our time. With the publication of The Everything Store in 2013, Bloomberg journalist Brad Stone revealed how the unlikely Seattle start-up Amazon became an unexpected king of e-commerce. Since then, its founder has led Amazon to explosive growth in both size and wealth. In less than ten years, Amazon has quintupled the size of its workforce and increased its valuation to well over a trillion dollars. Whereas Amazon used to sell only books, there is now little they don't sell, becoming the world's largest online retailer and pushing into other markets at warp speed. Between Amazon's forty subsidiaries - like Whole Foods Market, Amazon Studios in Hollywood, websites like Goodreads and IMDb, and Amazon Web Services cloud software unit, plus Bezos's purchase of the Washington Post - it's almost impossible to go a day without encountering their goods. Amazon provides us opportunities to shop, entertain, inform, communicate, store and, one day, maybe even travel to the moon. We live in a world run, supplied and controlled by Amazon. In Amazon Unbound, Stone offers the must-read follow-up to his bestseller The Everything Store, detailing the seismic changes that have taken place at Amazon over the past decade as it became one of the most powerful and feared companies in the global economy, led by one of the most powerful and feared leaders in business. He shows the acquisitions and innovations that have propelled Amazon's unprecedented growth, and the turn in public sentiment that criticises Amazon's monopolistic practices. As he charts the company's meteoric rise, Stone probes the evolution of Jeff Bezos - who started as a geeky entrepreneur but who transformed to become a fit, famed, disciplined billionaire, a man who runs Amazon with an iron fist but finds his personal life splashed over the tabloids. Definitive, timely and revelatory, Stone has provided an unvarnished portrait of a man and company that we couldn't imagine modern life without.

Download for FREE with Kindle Unlimited This is a 8,000 words (around 45 kindle pages) CLEAN stand-alone story with an HEA, so no cliff-hangers! Chace is back in the states from Afghanistan. He was a part of a mission that went terribly wrong, and now he's been put on leave while an investigation takes place. He is utterly lost without the military. He is an orphan and has always struggled for order in his life. The military gave him that, and he is lost without it. Deb is the opposite. When she tries to follow established orders, the world beats her down, tells her not to love herself because she's curvy. She rejects the orders of the world and lives by her own code. When the two of them meet by chance, and go on a roadtrip together, can they make each other whole? ----- EXCERPT FROM BOOK Deb still didn't know where they were going, and had to follow Chace's instructions. They drove on and on into what seemed like an endless stream of flat roads climbing slowly into the foothills of the mountains that were a constant of the skyline. Chace assured her that if they kept their pace, they would get there right around sundown. They wouldn't need to stop for the night anywhere. His first planned stop was perfect for sundown too. That was the way he had planned it. Of course, he knew his plan could go wrong and it could be dark by the time they got there. Deb was confident. Chace was anything but. Still, he lead on against the current of self doubt that clouded his thoughts and hung about every fiber of his being. The closer and closer they got to their destination, they could not help but notice the breathtaking beauty of their surroundings. The red mountains, plateaus against the sky that Deb had so admired from the road...were getting closer and closer. As the afternoon wore on, the cliffs and mesas were just off the road, almost within reach if they had stuck their hand out from the bike, right there on the road. At least that's how it seemed anyway. They stopped for Deb to get a drink out of her water bottle as the sun was getting relatively low in the sky. Chace was referencing the atlas. "How are we doing?" Deb said. "You're the master and commander." "I think we're going to make it," he said. **AUTHOR'S NOTE: This is a 8,000 word stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.**

Either she cures the Prince, or she is sold in marriage to a warrior she doesn't love.... Brilliant scientist Surah, the half-human daughter of a royal concubine, endured the scorn of the gargoyle court growing up. She doesn't care- the only warrior who matters

is Malin, and she will cure his genetic disease if it kills her. It very well may. Enemies at court threaten her life to stop her research- enemies who don't want Prince Malin to reclaim his throne, or to see her as his mate and Princess. If she fails, he will lose his immortality and be trapped in human form forever... and die. If she fails, her half-brother will sell her in marriage to the highest bidding warrior. But Malin will kill any warrior in court, winged or no, to prevent them from laying claim to his mate. Especially when she conceives his baby—the true Heir to the gargoye throne. This is a steamy paranormal shifter romance featuring hot, winged alpha males and a smart, strong heroine. With a futuristic flair, this is for readers who enjoy urban fantasy, dragon shifters (because hot men with wings are hot men with wings), surprise babies and stories with rich characters, meaningful relationships and plenty of action and adventure.

The W&A Guide to Getting Published provides the would-be published author with expert knowledge on securing a book deal - from preparing a manuscript for submission, to finding an agent, from working with an Editor, to effective self-promotion. It considers all stages in the 'selling' of your idea and manuscript and gives up-to-date information on how the publishing industry functions and how authors can best navigate its mysteries and complexities. Each chapter provides practical, how-to advice on what to do, where to seek additional help, what costs might be involved, cautionary dos and don'ts, and useful case studies. This guide considers all publishing formats (print, digital and audio) and markets (fiction, non-fiction, children's and books for adults) to offer all-round support for the budding writer.

This collection of non-partisan reports written by award-winning CQ Researcher journalists focuses on provocative current policy issues. As an annual publication that comes together just months before it goes to press, the volume is all new and as up-to-date as possible. And because it's CQ Researcher, the policy reports are expertly researched and written, showing all sides of an issue. Chapters follow a consistent organization—exploring three issue questions, then offering background, current context, and a look ahead—and feature a pro/con debate box. All issues include a chronology, bibliography, photos, charts, and figures.

For generations, the Jia family is held in high esteem but when they lose favor with the emperor, their luxury lifestyle comes to an end. The Story of the Stone focuses on internal and external conflicts that arise as they adjust to their unexpected plight. Jia Baoyu is heir to a prestigious family, that's held multiple imperial titles throughout the years. Despite their history and social standing, they are targeted by the emperor who strips them of their land and personal fortune. As the family's wealth wanes, the young Jia struggles with his affection for his cousin Lin Daiyu, as he's already engaged to Xue Baochai. It's a compelling romance drama set against the family's economic decline. Revered for centuries, The Story of the Stone is one of the Four Classic Novels in Chinese literature. It's a depiction of pre-modern times that is both bleak and illuminating. Cao Xueqin delivers a piercing commentary on the duplicity of the social and political structure. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Story of the Stone is both modern and readable.

The Biscuit Witch Part One of The MacBrides A Crossroads novella Dear Dr. Firth: I know you are in your cups at this time, drinking, taking pills, and sleeping under trees, but I have some experience rehabilitating lost souls in that regard, and so I am enclosing a box of my biscuits and a cold wrapped container of cream gravy for dessert. Please eat and write back. We need a veterinarian of your gumption here in the Crossroads Cove of Jefferson County. --Delta Whittlespoon, proprietress of The Crossroads Café Biscuit witches, Mama calling them. She'd heard the term as a girl. She'd inherited that talent. My mother could cast spells on total strangers simply by setting a plate of her biscuits in front of them. --Tal MacBride Welcome back to the Crossroads Cove where new loves, old feuds, and poignant mysteries will challenge siblings Tal, Gabby, and Gus MacBride to fight for the home they lost and to discover just how important their family once was, and still is, to the proud people of the Appalachian highlands. Tallulah MacBride hasn't been back to North Carolina since their parents' tragic deaths, twenty years ago. But now, Tal heads to cousin Delta Whittlespoon's famous Crossroads Café in the mountains above Asheville, hoping to find a safe hiding place for her young daughter, Eve. What she finds is Cousin Delta gone, the café in a biscuit crisis, and a Scotsman, who refuses to believe she's passing through instead of "running from." He believes she needs a knight in shining flannel. When a pair of sinister private eyes show up, Tal's troubles are just beginning. For Tal's brother and sister--Gabby, the Pickle Queen, and Gus, the Kitchen Charmer--the next part of the journey will lead down forgotten roads and into beautiful but haunted legacies.

Follow the Stone**John Locke**

Isaiah 42:5 Thus saith God the Lord, he that created the heavens, and stretched them out; he that spread forth the earth, and that which cometh out of it; he that giveth breath unto the people upon it, and spirit to them that walk therein: 6 I the Lord have called thee in righteousness, and will hold thine hand and will keep thee, and give thee for a covenant of the people, for a light of the Gentiles; 7 To open the blind eyes, to bring out the prisoners from the prison, and them that sit in darkness out of the prison house. 8 I am the Lord: that is my name: and my glory will I not give to another, neither my praise to graven images. 9 Behold, the former things are come to pass, and new things do I declare: before they spring forth I tell you of them. As the trials of this generation intensify, the Lord God will begin to do new things to get Himself glory. Those who trust Him with their lives will be prepared. One current-day man, with a spirit like Moses, is to publish what new things, and who, is to spring forth. Deuteronomy 18:18 I will raise them up a prophet from among their brethren, like unto thee (Moses), and will put my words in his mouth; and he shall speak unto them all that I shall command him. 19 And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name I will require it of him. The Lord Gods word to all of creation from this contemporary Moses is come: The Book Of Stone. Those whom the Lord will call, may draw a kingly sword from this stone. With this spiritual sword, And faith in the Lord, Saints will overcome, To the glory of the Kingdom! This books importunate message is for those in the land of the living. The judgment for the land in the west is set amidst mounting fear, The Book Of Stone is Gods light, from a man with a spirit like Moses. Spiritually, YHWH will remove the iniquity of those who seek Him. Physically, the world will witness Moses, Elijah, and the servant BRANCH,delivering believers to safety. The secondary message is that a Redeemer will come in a way in which none have considered. God Himself inspired the compilation of the selected scriptures herein to announce that one like unto the Son of Man will glorify God the Father once again. And we shall go rejoicing...

Ancient Times a History of the Early World
For a Light to the Gentiles

Detonator
 A Rolling Stone Best Music Book of 2019, this biography of blues-rock legend Mike Bloomfield “draws you in the way a novel does” (The Wall Street Journal). Named one of the world’s great blues-rock guitarists by Rolling Stone, Mike Bloomfield remains beloved by fans forty years after his untimely death. Taking readers backstage, onstage, and into the recording studio with this legendary virtuoso, David Dann tells the riveting stories behind Bloomfield’s work in the seminal Paul Butterfield Blues Band and the mesmerizing Electric Flag, as well as on the Super Session album with Al Kooper and Stephen Stills, Bob Dylan’s Highway 61 Revisited, and soundtrack work with Peter Fonda and Jack Nicholson. Drawing from meticulous research, including more than seventy interviews with the musician’s friends, relatives, and band members, music historian David Dann brings to life Bloomfield’s worlds, from his struggles to fit in on Chicago’s wealthy North Shore with his Jewish family to the gritty taverns and raucous nightclubs where this self-taught guitarist helped transform the sound of contemporary blues and rock music. With scenes that are as electrifying as Bloomfield’s solos, this is the story of a life lived at full volume. “Feels like one of the last great untold classic-rock tales, right up through Bloomfield’s mysterious passing.” ?Rolling Stone “Reveals the depths of Bloomfield’s musical passions, genius and personal despair . . . Guitar King establishes his pivotal role in American music history.” ?Pittsburgh Post-Gazette Pickles are mentioned in the Bible. Cleopatra ate them as a beauty regimen. Shakespeare put them in his plays. Mason designed jars for bottling them. So did Ball. Did Mason and Ball fight over the King of the Pickle Jars title? I don't know. I did know this much: I used pickles to keep fear, pride, and my love of Jay Wakefield behind a door I would not risk opening again. Even now. Wakefields take what they want. MacBrides never surrender. For nearly a hundred years, a battle of wills between these two deeply-rooted Appalachian families has ended in defeat and heartache--most often, for MacBrides. Now the MacBride name is barely more than a legend, and it's up to Gabby MacBride to deal with the pain of her childhood memories and also the challenge of a MacBride legacy she's only beginning to understand. That will mean coming to terms with her bittersweet love for Jay Wakefield, the lonely rich boy who became her soul mate when they were kids, before the dark demands of his own legacy forced him to betray her.

USA TODAY BESTSELLER • What happens when a supposedly perfect match is so wrong it’s right? In this roller-coaster novel of destiny and desire from A. M. Madden, a red-hot cop and a broken beauty are linked by painful pasts . . . and one tempting future. A real hero can protect and serve, but a true hero knows how to love. As an NYPD officer, Benjamin Stone is married to his job, determined to clean up the drug-infested streets. His partner, Rob, always has his back—except when Rob and his girlfriend, Andrea, play matchmaker at his expense. On Ben’s birthday, they’re at it again. Andrea’s friend is exactly Ben’s type, even if he stubbornly will never admit it. But it’s not the lithe brunette’s looks that intrigues Ben: it’s the hurt in her eyes. Ella Parker is bright, beautiful, kind—and, thanks to one horrific night, severely damaged. She’d rather be training for her black belt or watching TV in her favorite pair of pajamas than be dragged out on a blind date. Sure enough, Ben swaggers into the club, locks onto Ella, and claims he’s not interested—despite the irresistible chemistry between them. So Ella decides two can play at that game. But when her dangerous past comes back to haunt her, Ben will break all the rules of seduction to keep her safe. Praise for Stone Walls “With an untouchable couple wrapped in a sweet package with a comical side, A. M. Madden’s Stone Walls is a must-read—the perfect mix of intrigue, mystery, and sex appeal.”—New York Times bestselling author Heidi McLaughlin “Stone Walls is a roller coaster ride with lots of twists and turns. Ben and Ella are wonderful characters: funny, intelligent, and perfect for each other. But the secrets from their pasts may destroy their chances for a future together.”—New York Times bestselling author Kathy Clark “Madden delivers an intense read with beautiful character development and so much emotion you feel every high and every low. There were times I wanted to reach into the pages and offer comfort to both Ben and Ella.”—USA Today bestselling author Chelsea Camaron “Madden’s storytelling pulls you in from the very beginning. I loved this romance story. With likable and believable characters and a riveting storyline, this book kept me up long into the night. Stone Walls is an excellent start to a new series! I can’t wait see what happens next.”—Stacey Lynn, author of His to Love “OMG! A. M. Madden blew my socks off with this one! I laughed, I cried, I got angry, cried again, and then I sighed with happy contentment. Stone Walls is one of my all-time favorite romantic suspense novels.”—Devilishly Delicious Book Reviews “Readers looking for some suspense with their romance will like this book and the characters. I will definitely look for more from A. M. Madden in the future.”—Ramblings from This Chick “I loved all the characters in this book! . . . The author did an amazing job.”—Summer’s Book Blog (five stars) “I’ll always look forward to more from this author. Fab five-star read!”—Fictional Men’s Page for Book Ho’s “A great book . . . This story is extremely well written (all of A. M. Madden’s stories are) and the characters are very well developed. . . . I was not disappointed.”—Sexy Lady’s Reading Corner Includes an excerpt from another Loveswept title.
