

For The Sake Of Elena

When Eugenie Davies is killed by a driver on a quiet London street, her death is clearly no accident. Someone struck her with a car and then deliberately ran over her body before driving off, leaving nothing behind but questions. What brought Eugenie Davies to London on a rainy autumn night? Why was she carrying the name of the man who found her body? Who among the many acquaintances in her complicated and tragic life could have wanted her dead? And could her murder have some connection to a twenty-eight-year-old musical wunderkind, a virtuoso violinist who several months earlier suddenly and inexplicably lost the ability to play a single note? For Detective Inspector Thomas Lynley, whose own domestic life is about to change radically, these questions are only the first in an investigation that leads him to walk a fine line between personal loyalty and professional honor. Assigned to the case by his superior, Superintendent Malcolm Webberly, Lynley learns that Webberly's first murder investigation as a DI over twenty years ago involved Eugenie Davies and a sensational criminal trial. Yet what is truly damaging is what Webberly already knows and no doubt wants Lynley to keep concealed. Now the pressure is on Lynley to find Eugenie Davies' killer. For not only is he putting his own career into jeopardy, but he is also attempting to safeguard the careers of his longtime partners Barbara Havers and Winston Nkata. Together, they must untangle the dark secrets and darker passions of a family whose history conceals the truth behind a horrific crime.

*Italians love to talk about food. The aroma of a simmering ragú, the bouquet of a local wine, the remembrance of a past meal: Italians discuss these details as naturally as we talk about politics or sports, and often with the same flared tempers. In *Why Italians Love to Talk About Food*, Elena Kostioukovitch explores the phenomenon that first struck her as a newcomer to Italy: the Italian "culinary code," or way of talking about food. Along the way, she captures the fierce local pride that gives Italian cuisine its remarkable diversity. To come to know Italian food is to discover the differences of taste, language, and attitude that separate a Sicilian from a Piedmontese or a Venetian from a Sardinian. Try tasting Piedmontese bagna cauda, then a Lombard cassoela, then lamb ala Romana: each is part of a unique culinary tradition. In this learned, charming, and entertaining narrative, Kostioukovitch takes us on a journey through one of the world's richest and most adored food cultures. Organized according to region and colorfully designed with illustrations, maps, menus, and glossaries, *Why Italians Love to Talk About Food* will allow any reader to become as versed in the ways of Italian cooking as the most seasoned of chefs. Food lovers, history buffs, and gourmands alike will savor this exceptional celebration of Italy's culinary gifts.*

Calder Moor is a wild and deadly place: many have been trapped in the myriad limestone caves, lost in collapsed copper mines, injured on perilous gritstone ridges. But this time, when two bodies are discovered in the shadow of the ancient circle of stones known as Nine Sisters Henge, it is clearly not a case for Mountain Rescue. The corpses are those of a young man and woman. Each met death in a different fashion. Each died violently. To Detective Inspector Thomas Lynley, brought in to investigate by special request, this grisly crime promises to be one of the toughest assignments of his career. For the unfortunate Nicola Maiden was the daughter of a former officer in an elite undercover unit, a man Lynley once regarded as a mentor. Now, as Lynley struggles to find out if Nicola's killer was an enemy of her father's or one she earned herself, a disgraced Barbara Havers, determined to redeem herself in the eyes of her longtime partner, crisscrosses London seeking information on the second murder victim. Yet the more dark secrets Lynley and Havers uncover, the more they learn that neither the victims nor the suspects are who they appear to be. And once again they come up against the icy realization that human relationships are often murderous...and that the blood that binds can also kill.

*The Story of the Lost Child is the long-awaited fourth volume in the Neapolitan novels (My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay). The quartet traces the friendship between Elena and Lila, from their childhood in a poor neighbourhood in Naples, to their thirties, when both women are mothers but each has chosen a different path. Their lives are still inextricably linked, for better or worse, especially when it comes to the drama of a lost child. Elena Ferrante was born in Naples. She is the author of seven novels: *The Days of Abandonment*, *Troubling Love*, *The Lost Daughter*, and the quartet of Neapolitan novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and *The Story of the Lost Child*. *Frantugmalia*, a selection of interviews, letters and occasional writings by Ferrante, will be published in 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the *New Yorker* and a recipient of the PEN Renato Poggioli Translation Prize. Praise for Ferrante and the Neapolitan novels '[Ferrante's] charting of the rivalries and sheer inscrutability of female friendship is raw. This is high stakes, subversive literature.' *Sunday Telegraph* 'Ferrante is an expert above all at the rhythm of plotting...Whether it's work, family, friends or sex-and Ferrante, perhaps thanks to her anonymity as an author, is blisteringly good on bad sex-our greatest mistakes in life aren't isolated acts; we rehearse them over and over until we get them as badly wrong as we can.' *Independent* 'Great novels are intelligent far beyond the powers of any character or writer or individual reader, as are great friendships, in their way. These wonderful books sit at the heart of that mystery, with the warmth and power of both.' *Harper's* 'Elena Ferrante is one of the great novelists of our time. Her voice is passionate, her view sweeping and her gaze basilisk...In these bold, gorgeous, relentless novels, Ferrante traces the deep connections between the political and the domestic. This is a new version of the way we live now-one we need, one told brilliantly, by a woman.' *New York Times Sunday Book Review* 'When I read [the Neapolitan novels] I find that I never want to stop. I feel vexed by the obstacles-my job, or acquaintances on the subway-that threaten to keep me apart from the books. I mourn separations (a year until the next one-how?). I am propelled by a ravenous will to keep going.' *New Yorker* 'The best thing I've read this year, far and away...She puts most other writing at the moment in the shade. She's marvellous.' *Richard Flanagan**

'The Neapolitan series stands as a testament to the ability of great literature to challenge, flummox, enrage and excite as it entertains.' Sydney Morning Herald 'The depth of perception Ms. Ferrante shows about her character's conflicts and psychological states is astonishing...Her novels ring so true and are written with such empathy that they sound confessional.' Wall Street Journal 'The older you get, the harder it is to recapture the intoxicating sense of discovery that comes when you first read George Eliot, Nabokov, Tolstoy or Colette. But this year it came again when I read Elena Ferrante's remarkable Neapolitan novels.' Jane Shilling, New Statesman 'There is nothing remotely tiring or trying about the experience of reading the Neapolitan novels, which I, and a great many others, now rank among our greatest book-related pleasures...it is writing that holds honesty dear.' Weekend Australian 'Dickens gave working people a voice. Ferrante, whoever she might be, presents a new paradigm for being female in the world...Ferrante's great literary creations, Lenu and Lila, have the same emotional weight as Anne in Persuasion, Jo in Little Women, Maggie in The Mill on the Floss, Jane in Jane Eyre.' Helen Elliott in the Monthly 'This stunning conclusion further solidifies the Neapolitan novels as Ferrante's masterpiece and guarantees that this reclusive author will remain far from obscure for years to come.' Publishers Weekly 'The Neapolitan novels are smart, thoughtful, serious literature. At the same time, they are violent, suspenseful soap operas populated with a vivid cast of scheming characters...Ferrante's novels are deeply personal and intimate, getting to the very heart of what it means to be a woman, a friend, a daughter, a mother.' Debrief Daily 'Shattering and enthralling, intimate and vicious...The Neapolitan Novels are the kind of books that swallow me whole. As soon as I pick one up, I don't want to breathe or move lest I break the spell...The Neapolitan Novels are among the most important in my reading life. I can't recommend them highly enough.' Readings 'Ferrante captures the complexities of women, friendship and motherhood in ways that make your heart soar and ache in equal measures. If you haven't already, treat yourself to this series.' ELLE Australia '[Ferrante's] Neapolitan novels contain real life - recognisable anxiety, joy, love and heartbreak. This is an incredibly difficult feat to achieve in the first place, let alone sustain, over four books. We will be talking about Elena and Lila for years to come.' Sydney Morning Herald 'There's a bright, sinewy humanness to Ferrante's writing that is so alive it's alarming...The Story of the Lost Child is a full emotional experience, and a fitting end to a huge, arresting series.' New Zealand Listener 'I was one of the many who wept and wondered over Elena Ferrante's The Story of the Lost Child. I plan to re-read the entire series soon.' NEW YORK TIMES BESTSELLER • “Those who haven’t discovered Elizabeth George . . . should rush to read *Playing for the Ashes*.”—Us “The story begins with my father, actually, and the fact that I’m the one who’s answerable for his death. It was not my first crime, as you will see, but it is the one my mother couldn’t forgive.” Acclaimed author Elizabeth George reveals the even darker truth behind this startling confession in *Playing for the Ashes*, a rich tale of passion, murder, and love in which Inspector Thomas Lynley and Detective Sergeant Barbara Havers once again find themselves embroiled in a case where nothing—and no one—is really what it seems. Intense, suspenseful, and brilliantly written, *Playing for the Ashes* is “a treasure” (Cosmopolitan).

An invitation to readers from every walk of life to rediscover the impractical splendors of a life of learning In an overloaded, superficial, technological world, in which almost everything and everybody is judged by its usefulness, where can we turn for escape, lasting pleasure, contemplation, or connection to others? While many forms of leisure meet these needs, Zena Hitz writes, few experiences are so fulfilling as the inner life, whether that of a bookworm, an amateur astronomer, a birdwatcher, or someone who takes a deep interest in one of countless other subjects. Drawing on inspiring examples, from Socrates and Augustine to Malcolm X and Elena Ferrante, and from films to Hitz's own experiences as someone who walked away from elite university life in search of greater fulfillment, *Lost in Thought* is a passionate and timely reminder that a rich life is a life rich in thought. Today, when even the humanities are often defended only for their economic or political usefulness, Hitz says our intellectual lives are valuable not despite but because of their practical uselessness. And while anyone can have an intellectual life, she encourages academics in particular to get back in touch with the desire to learn for its own sake, and calls on universities to return to the person-to-person transmission of the habits of mind and heart that bring out the best in us. Reminding us of who we once were and who we might become, *Lost in Thought* is a moving account of why renewing our inner lives is fundamental to preserving our humanity.

Finding Latinx

Confrontation

The Ruin of Kings

The Neapolitan Novels, Book Four

Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, Finding Latinx calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

This Body of Death

A Central Corps Novel

An Inspector Lynley Novel: 5

To this day, the low, thin wail of an infant can be heard in Keldale's lush green valleys. Three hundred years ago, as legend goes, the frightened Yorkshire villagers smothered a crying babe in Keldale Abbey, where they'd hidden to escape the ravages of Cromwell's raiders. Now into Keldale's pastoral web of old houses and older secrets comes Scotland Yard Inspector Thomas Lynley, the eighth earl of Asherton. Along with the redoubtable Detective Sergeant Barbara Havers, Lynley has been sent to solve a savage murder that has stunned the peaceful countryside. For fat, unlovely Roberta Teys has been found in her best dress, an axe in her lap, seated in the old stone barn beside her father's headless corpse. Her first and last words were "I did it. And I'm not sorry." Yet as Lynley and Havers wind their way through Keldale's dark labyrinth of secret scandals and appalling crimes, they uncover a shattering series of revelations that will reverberate through this tranquil English valley—and in their own lives as well.

"Ms. George proves that the classiest crime writers are true novelists."—The New York Times Award-winning author Elizabeth George gives us an early glimpse into the lives of Detective Inspector Thomas Lynley, forensic scientist Simon Allcourt—St. James, and Lady Helen Clyde in a superlative mystery that is also a fascinating inquiry into the crimes of the heart. Lynley, the eighth earl of Asherton, has brought to Howenstow, his family home, the young woman he has asked to be his bride. But the savage murder of a local journalist is the catalyst for a lethal series of events that shatters the calm of a picturesque Cornwall village and embroils Lynley and St. James in a case far outside their jurisdiction—and a little too close to home. When a second death follows closely on the heels of the first, Lynley finds he can't help taking the investigation personally—because the evidence points to a killer within his own family. Praise for A Suitable Vengeance "Elizabeth George reigns as queen of the mystery genre. The Lynley books constitute the smartest, most gratifying complex and impassioned mystery series now being published."—Entertainment Weekly "Ms. George can do it all, with style to spare."—The Wall Street Journal "George goes to the head of the genre, with class."—People

A Finalist for the 2019 Kirkus Prize in Nonfiction "Nayeri combines her own experience with those of refugees she meets as an adult, telling their stories with tenderness and reverence." —The New York Times Book Review "Nayeri weaves her empowering personal story with those of the 'feared swarms' . . . Her family's escape from Isfahan to Oklahoma, which involved waiting in Dubai and Italy, is wildly fascinating . . .

Using energetic prose, Nayeri is an excellent conduit for these heart-rending stories, eschewing judgment and employing care in threading the stories in with her own . . . This is a memoir laced with stimulus and plenty of heart at a time when the latter has grown elusive."

—Star-Tribune (Minneapolis) Aged eight, Dina Nayeri fled Iran along with her mother and brother and lived in the crumbling shell of an Italian hotel-turned-refugee camp. Eventually she was granted asylum in America. She settled in Oklahoma, then made her way to Princeton University. In this book, Nayeri weaves together her own vivid story with the stories of other refugees and asylum seekers in recent years, bringing us inside their daily lives and taking us through the different stages of their journeys, from escape to asylum to resettlement. In these pages, a couple fall in love over the phone, and women gather to prepare the noodles that remind them of home. A closeted queer man tries to make his case truthfully as he seeks asylum, and a translator attempts to help new arrivals present their stories to officials. Nayeri confronts notions like "the swarm," and, on the other hand, "good" immigrants. She calls attention to the harmful way in which Western governments privilege certain dangers over others. With surprising and provocative questions, The Ungrateful Refugee challenges us to rethink how we talk about the refugee crisis. The Story of the Lost Child
Well-Schooled in Murder**

Elena Weaver was a surprise to anyone meeting her for the first time. In her clingy dresses and dangling earrings she exuded a sexuality at odds with the innocence projected by the unicorn posters on her walls. While her embittered mother fretted about her welfare from her home in London, in Cambridge—where Elena was a student at St. Stephen's College—her father and his second wife each had their own very different image of the girl. As for Elena, she lived a life of casual and intense physical and emotional relationships, with scores to settle and goals to achieve—until someone, lying in wait along the route she ran every morning, bludgeoned her to death. Unwilling to turn the killing over to the local police, the university calls in New Scotland Yard. Thus, Detective Inspector Thomas Lynley and his partner, Detective Sergeant Barbara Havers, enter the rarefied world of Cambridge University, where academic gowns often hide murderous intentions. For both officers, the true identity of Elena Weaver proves elusive. Each relationship the girl left behind casts new light both on Elena and on those people who appeared to know her best—from an unsavory Swedish-born Shakespearean professor to the brooding head of the Deaf Students Union. What's more, Elena's father, a Cambridge professor under consideration for a prestigious post, is a man with his own dark secrets. While his past sins make him neurotically dedicated to Elena and blind to her blacker side, present demons drive him toward betrayal.

Hailed as the "king of sleaze," tabloid editor Dennis Luxford is used to ferreting out the sins and scandals of people in exposed positions. But when he opens an innocuous-looking letter addressed to him at The Source, he discovers that someone else excels at ferreting out secrets as well. Ten-year-old Charlotte Bowen has been abducted, and if Luxford does not admit publicly to having fathered her, she will die. But Charlotte's existence is Luxford's most fiercely guarded secret, and acknowledging her as his child will throw more than one life and career into chaos. Luxford knows that the story of Charlotte's paternity could make him a laughingstock and reveal to his beautiful wife and son the lie he's lived for a decade. Yet it's not only Luxford's reputation that's on the line: it's also the reputation—and career—of Charlotte Bowen's mother. For she is Undersecretary of State for the Home Office, one of the most high-profile Junior Ministers and quite possibly the next Margaret Thatcher. Knowing that her political future hangs in the balance, Eve Bowen refuses to let Luxford damage her career by printing the story or calling the police. So the editor turns to forensic scientist Simon St. James for help. It's a case that fills St. James with disquiet, however, for none of the players in the drama seem to react the way one would expect. Then tragedy occurs and New Scotland Yard becomes involved. Detective Inspector Thomas Lynley soon discovers that the case sends tentacles from London into the countryside, and he must simultaneously outfox death as he probes Charlotte Bowen's mysterious disappearance. Meanwhile, his partner Detective Sergeant Barbara Havers, working part of the investigation on her own and hoping to make the coup of her career, may be drawing closer to a grim solution—and to danger—than anyone knows. In the Presence of the Enemy is a brilliantly insightful and haunting novel of ideals corrupted by self-interest, of the sins of parents visited upon children, and of the masks that hide people from each other—and from themselves.

“The Lynley books constitute the smartest, most gratifyingly complex and impassioned mysteries now being published.” Entertainment Weekly The career of playwright Joy Sinclair comes to an abrupt end on an isolated estate in the Scottish Highlands when someone drives an eighteen-inch dirk through her neck. Called upon to investigate the case in a country where they have virtually no authority, aristocratic Detective Inspector Thomas Lynley and his partner, Detective Sergeant Barbara Havers, grapple for both a motive and a murderer. Emotions run deep in this highly charged drama, for the list of suspects soon includes Britain's foremost actress, its most successful theatrical producer, and the woman Lynley loves. He and Havers must tread carefully through the complicated terrain of human relationships while they work to solve a case rooted in the darkest corners of the past and the unexplored regions of the human heart.

An isolated beach on the island of Guernsey in the English Channel is the scene of the murder of Guy Brouard, one of Guernsey's wealthiest inhabitants and its main benefactor. Forced as a child to flee the Nazis in Paris, Brouard was engaged in his latest project when he died: a museum in honor of those who resisted the German occupation of the island during World War II. It is from this period of time that his murderer may well have come. But there are others on Guernsey with reason to want Guy Brouard dead: his wives, his business associates, his current mistress, the underprivileged teenagers he mentored—any of whom might have harbored a secret motive for murder. As family and friends gather for the reading of the will, Deborah and Simon St. James find that seemingly everyone on the history-haunted island has something to hide. And behind all the lies and alibis, a killer is lurking. In order to bring this person to justice, the St. James must delve into Guernsey's dark history—both past and present—and into the troubled psyche of someone who may have exacted retribution for the most unspeakable crime of all. In A Place of Hiding, bestselling novelist Elizabeth George marks new territory in the darker landscapes of human relationships. She tells a gripping, suspenseful story of betrayal and devotion, war and remembrance, love and loss...and the higher truths to which we must all ultimately answer.

Questioning the teachers, and pupils closest to the dead boy, Lynley and Havers sense that something extraordinarily evil is going on behind Bredgar Chambers's cloistered walls. But as they begin to unlock the secrets of this closed society, the investigation into Matthew's death leads them perilously close to their own emotional wounds—and blinds them to the possibility of another murder in the making. . . . Praise for *Well-Schooled in Murder* "George is a master . . . an outstanding practitioner of the modern English mystery."—Chicago Tribune "A spectacular new voice in mystery writing."—Los Angeles Times "A compelling whodunit . . . a reader's delight."—Daily News, New York "Like P.D. Elena shocked anyone meeting her for the first time. In her skimpy dresses and bright jewellery, she exuded intelligence and sexuality, challenging all preconceptions. One morning, while out jogging, she is bludgeoned to death. Detectives Thomas Lynley and Barbara Havers investigate.

"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of *The Magicians* When death calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is taken away against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically speaking, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenni Fagan begins the *Chorus of Dragons* series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

Intrigued by the involvement of her London neighbor—Taymullah Azhar—in what appears to be a growing racial conflagration, Detective Sergeant Barbara Havers arranges to have herself assigned to the investigation. Setting out on her own, this is one case Havers will have to solve without her longtime partner, Detective Inspector Thomas Lynley—and it's one of the toughest she's ever encountered. For Havers must probe not only the mind of a murderer and her emotional response to a case unsettlingly close to her own heart, but also the terrible price people pay for deceiving others . . . and themselves.

Elena Weaver, in her skimpy dresses and bright jewellery, exuded intelligence and sexuality. A student at St Stephen's College, Cambridge, she lived a life of casual but intense physical and emotional relationships, with scores to settle and targets to achieve. Until someone, lying in wait on the bank of the River Cam, where Elena went running every morning, bludgeoned the young woman to death. Called into the rarefied world of academia, Inspector Thomas Lynley and his partner Barbara Havers find a tangled skein of love, obsession and desire - a maelstrom of emotion that has claimed Elena Weaver's life.

#1 New York Times bestselling author of *The Punishment She Deserves* Elizabeth George delivers another masterpiece of suspense in her Inspector Lynley series: a gripping child-in-danger story that tests Detective Sergeant Barbara Havers as never before. Barbara is at a loss: Hadiyyah, the daughter of her friend Taymullah Azhar, has been taken by her mother, and Barbara can't really help. Azhar has no legal claim. Just when Azhar is beginning to accept his soul-crushing loss, he gets more shocking news: Hadiyyah has been kidnapped from an Italian marketplace. As both Barbara and her partner, Inspector Thomas Lynley, soon discover, the case is far more complex than a typical kidnapping, revealing secrets that could have far-reaching effects outside of the investigation. With both her job and the life of a little girl on the line, Barbara must decide what matters most and how far she's willing to go to protect it.

Fat, unlovely Roberta Teys is found beside her father's headless corpse, wearing her best dress and with an axe in her lap. Her first words are: 'I did it. And I am not sorry' and she refuses to say more. Inspector Thomas Lynley and DS Barbara Havers are sent by Scotland Yard to solve this particularly gruesome murder. And as they navigate their way around a dark labyrinth of secret scandals and appalling crimes, they uncover a series of shocking revelations that shatter the façade of the peaceful Yorkshire village.

As Diana Rigg, the host of *Mystery!*, the venerable PBS series which premiered these films, observes, Inspector Lynley gives his partner, Barbara Havers, class, while she gives him nothing but grief. That's not quite the case, although by the final episode in this four-part series, they can be heard bantering like David and Maddie from

Moonlighting. And what is that tentatively wistful look on Havers' face while Lynley regards his relationship with an unrequited love? The Inspector Lynley Mysteries reunites author Elizabeth George's mismatched partners first introduced onscreen in *A Great Deliverance*. Nathaniel Parker (Eddie Murphy's ghostly host in *The Haunted Mansion*) stars as Lynley, Oxford-educated detective, and eighth earl of Asherton. Sharon Small costars as Havers, a working class cop. Their class differences and personal prejudices are well delineated in "Well Schooled in Murder," set at a posh boarding school where a young student has been slain, and "For the Sake of Elena," which investigates the death of a Cambridge University professor's deaf daughter. The other two cases are more intriguingly personal, as Lynley is reunited with lifelong friend Helen Clyde. In "Payment in Blood," she is one of a cast of suspects when a playwright is slaughtered. In "Missing Joseph," she returns as a profiler, who assists Lynley in the case of a poisoned vicar. We also see the softer side of Havers as she deals with her increasingly senile mother. While fans of George's books may regret the abridgements necessary to bring each episode in at 90 minutes, mystery buffs will enjoy the contemporary spin on classic genre conventions, and Lynley and Havers' prickly relationship, which is at the heart of the series.
