**A Step by Step Guide to Becoming a Successful Forex Trader** This book contains proven steps and strategies to becoming a successful Forex trader. The first occurrence of currency trading and exchange can be traced back to ancient times, where money was used as a crucial means of buying and selling items such as food, jewelry and raw materials. Sometimes in the process of this exchange commission was charged for goods and services sold on credit. Fast forward to today and we see how the currency exchange has turned into what is now known as the forex market which has grown and developed significantly, enabling countries with powerful economies to trade large volumes of goods and services with each other. But throughout its development, the air of complexity surrounding the market has created a barrier for many people to understand how to participate in trading successfully for financial gain. Many investment experts advise new traders against trading foreign currencies because of the level of risk involved. A new trader could potentially wipe out their account with just one bad trade. In this book, you will gain sound knowledge about the various steps needed as a guide to making successful trading decisions and actions. With these easy to follow steps, you will be well on your way to becoming a successful trader. However, keep in mind that there is no easy way to success. If you want to be successful, you have to spend time learning, understanding, applying and fine tuning your trading strategies while teaching yourself how to keep your emotions at bay so that you do not make detrimental decisions. If you've ever travelled abroad, then you've already conducted a basic forex transaction by trading some of your home currency with the currency of the country you're visiting. In a nutshell, this is what forex traders basically do - they make money by first exchanging their home currency with those*

of another countries, and then making. There are hundreds of specific methods for trading in Forex and in markets. There are as many effective, tested and successfully tested methods. Why is the majority of traders not getting results? In the present world, investors mainly invest in real estate, financial management, funds and stocks, and some invest in futures, while few invest in foreign exchange. This is related to the late start and small scale of international foreign exchange market and the failure to establish a complete foreign exchange trading system, but drawback is more because investors are not familiar with this market. Forex is a monetary market that is utilized by numerous individuals everywhere throughout the world in an everyday life. At the end of the day, it is a social affair of individuals where buyers and sellers are included. It enables individuals to make a benefit consistently. Forex isn't a stage to get wealthy in a solitary day. It requires some investment and needs top to bottom information about exchanging. FOREX TRADING The Beginners Guide to Making It Big With Forex Trading In this book, you will find all the basic information you need to get started down the path to trading success. WHY TRADE FOREX? With average daily turnover of US\$100 billion, the most traded financial market in the world. A true 24-hour market from Sunday 5 PM ET to Friday 5 PM ET, forex trading begins in Sydney, and moves around the globe as the business day begins, first to Tokyo, London, and New York. Unlike the stock market, investors can respond immediately to currency fluctuations, whenever they occur - day or night. In any business or moneymaking venture, preparation and foreknowledge are the keys to success. Without this sort of insight, the attempt to trade can only end in disaster and failure, regardless of your level of motivation and determination or the amount of money you plan to invest. In the stock market, this rule applies to the nth degree, as you are investing your own money in what is a high-stakes wager, and you are playing with fire if you do not have at least a general background knowledge of how it functions.

Do you know what Forex Trading is? Do you want to learn how to earn money with Forex Trading? If yes, then keep reading. Foreign exchange, most commonly known as Forex, refers to the buying and selling of currencies to make a profit.

Forex can also be simply described as the process of exchanging currencies. There are many reasons as to why you would exchange your currency for another. It may be for commercial reasons, trading reasons, or tourism purposes. However, the primary reason for exchanging is to make a profit out of it. As different currencies get converted every day, some currencies experience price movements in an extremely volatile manner. While this volatility increases the risks of conducting forex trade, it also brings about a greater chance of earning high profits. Forex is unique because it has no central marketplace where the exchange takes place. There is not one centralized exchange center, but rather, the trade is conducted in an electronic marketplace. This, means that all forex transactions are carried out through computer networks and electronic trading platforms interconnecting all forex traders around the world. The forex market actively operates 24 hours a day 365 days a year. Currency trading is traded across all the time zones in the major financial centers in the world. Such a trading system means that when the trading day in the US ends, a forex trader based in the US can begin a new trading day on the Hong Kong or Tokyo market. The price quotes of the forex market to change constantly. In some way Forex Trading Strategies are similar to those adopted by traders on the stock market. A trader will have to critically think about where the value of a given currency will be the biggest difference, however, lies in the fact that with Forex, it is very easy to trade down or up. For instance, if you think that the value of a currency will increase, you proceed to buy it. On the other hand, if you feel that it will depreciate, you sell it. This is vast, making it easy to find a buyer or a seller. Are you interested?
