Throughout each match, gamers must: Focus on survival Avoid the deadly storm Explore the island Gather resources Build structures and fortresses Find, collect, and utilize weapons and ammunition Acquire and use loot items Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis).*
