Forty Pathways To Jannah

Tazkiyah literally means purification. In the extended sense it means growth. In this respect, tazkiyah means intellectual

development. The mind is not something stagnant, it is ever-growing, like a tree. It is this process which is called “adding faith to their faith” (48:4) in the Quran. Adding faith to faith means

development in
consciousness,
which is another
name for
intellectual
development. The
real faith is one
which does not
stagnate, but
grows continuously
in its conviction
about God. How

does tazkiyah or intellectual development take place? The path to this is contemplation. Contemplation is in itself a continuous process – contemplating the Quran and Hadith, the life of the
