haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured

With over two hundred poems spanning more than a century of ball playing, *Baseball Haiku* reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the

From one of our preeminent journalists and modern historians comes the epic story of Barack Obama and the world that created him. In *Barack Obama: The Story*, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of

Obama ' s white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. Barack Obama: The Story chronicles as never before the forces that

Frostmourn. It was caught in a hovering, jagged chunk of ice, the runes that ran the length of its blade glowing a cool blue. Below it was a dais of some sort, standing on a large gently raised mound that was covered in a dusting of snow. A soft light, coming from somewhere high above where the cavern was open to daylight, shone down on the runeblade. The icy prison hid some details of the sword's shape and form, exaggerated others. It was revealed and concealed at the same time, and all the more tempting, like a new lover imperfectly glimpsed through a gauzy curtain.

Arthas knew the blade -- it was the selfsame sword he had seen in his dream when he first arrived. The sword that had not killed Invincible, but that had brought him back healed and healthy. He'd thought it a good omen then, but now he knew it was a true sign. This was what he had come to find. This sword would change everything. Arthas stared raptly at it, his hands almost physically aching to grasp it, his fingers to wrap themselves around the hilt, his arms to feel the weapon swinging smoothly in the blow that would end Mal'Ganis, end the torment he had visited upon the people of Lordaeron, end this lust for revenge.
