This Letter Tracing Book for Preschoolers is filled with Alphabet letters and first words for them to trace and learn. Large Workbook Papers 8.5 x 11" so big room to write for little kids. 100 pages of learning and fun. Letter Tracing is known to be extremely beneficial for Preschoolers. This letter tracing book helps children to develop essential writing skills, an awareness of all the letters of the alphabet and knowledge of the most common first words. Designed to help children build up a solid foundation for learning, this book will also help to develop their vocabulary with the word sheets included with plenty of blank practice papers so they can write their own words too. Suitable for Pre-K and Kindergarten. Age 3-5. Order your Letter Tracing Book for Preschoolers today.

The most important skill you can have in any field or subject is the ability to express yourself with eloquence and confidence in writing. The tools and rules needed are simple and easy to remember. Learn everything you need to know to write engaging and informative essays, stories and research papers. Find ways to take the writing skills you have learned in school and apply them to real world tasks, be they work related or personal.

This collection of poetry and prose from women in recovery is a fire walk: a searing, barefooted dash over the hot coals of desperation, despair and self-destruction. Startling, often hypnotic photographs, supplied by one of the writers, drift through the text like sparks from the embers. These women have been burned into blessedness. Duane Tucker, Actor, Writer for Screen and TV, Passenger Magazine Poet of the Year 2002 As a recovering alcoholic, A Woman's Write Strong and Free reminded me of my own struggles and haunting past. I could relate to every poem and was enthralled with the quality, honesty and raw emotion the authors brought to each piece. Thought provoking and educational, I will read it again and again. Josie Penny, author of So Few on Earth twelve months on the Dundurn Publishers bestselling list. Words to Live By - by Susan Clairmont, The Hamilton Spectator The women call it freefall. Words, moving quickly from head and heart through to pen and paper. Silence, but for the scratching of raw poetry emerging on pages. Some are lost in it. Focused. Energized. Words flow fast. Others struggle. Thoughts trickle. It is Monday night in a sparse basement room at Womankind, an addiction service operated by St. Joseph's Healthcare. A dozen women are around the table. An unlikely group who, in most ways, have little in common. What they do have in common connects them immediately and powerfully. They are all recovering addicts. Some are alcoholics, some are drug users, a good number are both. And they are all authors. A Woman's Write: Strong and Free is a collection of poetry capturing the experience of women learning to understand themselves as they come to terms with addiction.

Writing Journal / Writers Notebook. Softback, 8" x 10" with 110 pages [ US\$5.58 / £4.98 / e5.48 ]. IF LOOK INSIDE ISN'T LOADING, the blue smART bookx link by the title will help you out. Interior (black & white): 110 pages of acid-free thick white paper minimizes ink bleed-through; comprised of: - 4 initial blank Contents pages, with category columns, to build as you go along. - 103 medium/wide ruled pages with 30 lines per page. Attractive layout with large decorative numbering, a title box, a few introduction lines, the main ruled section and two summary spaces at the bottom. These different zones assist with organizing information. - 2 brainstorming pages to make mind maps or capture inspirational thoughts & ideas. - 1 Notes page at the very back [Please note: This book is a plain ruled journal. We advise customers use the search inside facility before purchasing.] Cover: Tough matte paperback, bound securely with professional trade (perfect) binding, i.e. it's built to last; pages won't fall out after a few months. *"Love of Brothers" by Katharine Tynan. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.*

*Fenicus Flint, a young dragon, lives with the last of his fading species in a secluded mountain sanctuary known as Berathor Valley. When he awakens from an accident that leaves him injured and temporarily unable to fly, Fenicus discovers that the peace and tranquility of his homeland has been shattered; Berathor is in ruins and his loved ones abducted. With few clues to guide him, the young dragon embarks on a dangerous quest beyond the sheltering walls of his homeland to find his loved ones before their flame is extinguished forever.*

"This eBook features 501 sample writing prompts that are designed to help you improve your writing and gain the necessary writing skills needed to ace essay exams. Build your essay-writing confidence fast with 501 Writing Prompts!" --

It has never been easier to publish a book, but publishing a book is never easy. Creative Self-Publishing is a comprehensive guide to every step in the publishing process, written by the Director of the Alliance of Independent Authors, and drawing on the experience of thousands of members, from those who are just starting out to those who are staggeringly successful. The book takes an individual approach, beginning with you. Your ambitions, your passion, and your sense of purpose not just as a writer, but also as a publisher, and as a creative business owner. In an engaging, easy to read format, you'll learn: - How to negotiate the seven processes of publishing to reach more readers and sell more books - The business models successful authors are using today - How to overcome resistance and block by fostering creative flow. - The history of authorship and self-publishing and where you fit - How to find your ideal readers and ensure they find your books - A proven planning method so you effortlessly bring together your passion, mission and purpose as a writer and publisher Whether you write fiction, nonfiction, or poetry books, the principles and practices outlined in this book will work for you. You'll make better books, find more readers, turn them into keener fans, and grow your income, impact and influence as a self-directed and empowered indie author. The creative way.

A writer's workshop is simply a gathering in which writers come together to share their writing and offer one another feedback. Workshops are fairly easy to facilitate, yet nearly magical in their ability to inspire kids to write. *Workshops Work!* offers parents all the nitty-gritty details you'll need to start up your own workshop. It's a comprehensive guide covering everything from how long a meeting might run to how to encourage a positive atmosphere. *Workshops Work!* is written for parents who may not have much writing training themselves, but who want to make writing a fun, engaging experience for their kids. Whether you're a homeschooling parent trying to make writing more meaningful for your child, or the parent of a schooled child seeking a less standards-based, more creative writing experience for him or her, a writer's workshop may be just what you're looking for.

*Workshops Work!* will show you how to make writer's workshops an essential, enjoyable part of your child's development as a writer.

The book is a collection of forty poems that are divided into four groups of poetic forms. The forms include villanelles, sestinas, pantoums and sonnets. Every poem tells a story and some of the poetry narrate more optimistic tales while other poems explore societal issues. Issues explored within the poems include unfaithfulness, the media, bullying, science, agriculture, adoption and more. The optimistic poems in the collection explores friendship, marriage, love, holidays, seasons and nature. The optimistic poetry contrasts the serious undertones presented within the more political poems.

Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The authors meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time...His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain... Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poets own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression, causing the reader to dive back in again and again looking for hidden meanings and gems among the passages...Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writers verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writers poetic vision.

*An African Princess was stolen, shipped, sold and thrust into slavery in the land they called "Xaymaca." In shock, she observed this new cruel world. At times, unwilling to believe her present reality, she went through the motions of hard labour and severe abuse with no resistance. However, she was noticed by some of the children on the plantation especially by Marcus. He knew she was the catalyst they needed to bring about a long awaited change. A change his friends, Sam, William, Paul and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them. With this African princess, their dream would finally come true. "Xaymaca Part 1" is the beginning of a short story series of the enslaved Caribbean children named after Jamaican national heroes as they pursue freedom.*

*Creativity in schools is changing, with greater emphasis being placed on creative skills across the curriculum than ever before. This shift has thrown up some challenging questions which this book tackles head-on in order to better understand the implications of this change and the effects on pedagogy and policy. The questions raised include: What is creative learning? How does it relate to creative teaching? How do we organize the curriculum to nurture creativity? What pedagogical strategies support creativity? How is creative learning different to effective learning? What responsibilities do schools have for stimulating creativity in relation to society, ethics and the wider environment? Laying out the key concepts in the current debate on creativity and placing them in a broader context based on practice, policy and research, this volume sets the agenda for future discussion and suggests practical ways to encourage pupils' creative development in a new and more thoughtful way.*

Today, information and technological developments grow at a rapid pace. Social and political life becomes more and more complicated and, in this process, active citizenship becomes more essential. Knowledge-driven changes in society and economies require individuals to quickly acquire new skills. Otherwise, it is increasingly difficult for employees to adapt to business life and to find a job. Education has to take account of these circumstances, adapt to the rapid developments in the world and educate individuals to continue lifelong learning. For this, skills such as active and independent learning, assertiveness, creativity, self-improvement, lifelong learning are important. Skill teaching differs from knowledge teaching. Skill is the transfer of knowledge to practice. This process involves a learning process that requires the steps of researching, planning, controlling and correcting. The knowledge should be organized, integrated, transferred into practice, mental and physical resources should be activated, and knowledge use should be demonstrated in practice in order to improve the skill. This book contributes to the teaching of skills and includes basic concepts and skills, language skills, science and mathematics skills, psycho-social skills and visual arts skills. It also explains how to teach skills, how to prepare for activities and how to implement activities in educational settings. These applications are intended to draw attention to skill teaching, to raise educators, to increase the success of education, to improve the skills of students, and to enable them to use the skills they have learned in school outside of school and in complex tasks.

"A highly motivational resource." The Midwest Book Review At some point in their career, all writers experience either the pain of rejection, discouragement, disappointment, and/or other hazards of the writing life. The key is to identify the obstacles ahead and know how to overcome them. - Learn the truth about failure. - Discover the ultimate dream killer. - Find out how to get rid of a wet blanket - Discover the one secret every full-time writer knows - And much more This revised and update edition includes information for indie authors, expands on the necessary traits of long-term professionals and addresses other changes in the industry. Your destiny is at hand!

About The Author Grace Jolliffe's first novel, Piggy Monk Square, was shortlisted for the Commonwealth New Writers Prize and broadcast on RTE's Book on One. Her writing is published in literary magazines as well as broadcast on TV and radio. Grace used to teach scriptwriting and creative writing to keep her in teabags and electricity. Following a serious accident, she gave up teaching and now shares her knowledge on her writer's website: [www.practicalcreativewriting.com](http://www.practicalcreativewriting.com) Now very much recovered, Grace lives on Galway's Wild Atlantic Way surrounded by rocks, stones and roads to nowhere.

A memoir of growing up and remaining a nerd by beloved comedian, actor, and writer Brian Posehn Brian Posehn is a successful and instantly recognizable comedian, actor, and writer. He also happens to be a giant nerd. That's partly because he's been obsessed with such things as Dungeons & Dragons, comic books, and heavy metal since he was a child; the other part is because he fills out every bit of his 6'7" frame. Brian's always felt awkward and like a perpetual outsider, but he found his way through the difficulties of growing up by escaping into the worlds of Star Wars, D&D, comics, and by rocking his face off. He was a nerd long before it was cool (and that didn't help his situation much), but his passions proved time and again to be the safe haven he needed to persevere and thrive in a world in which he was far from comfortable. Brian, now balls deep in middle age with a wife, child, and thriving career, still feels like an outsider and is as big a nerd as ever. But that's okay, because in his five decades of nerdism he's discovered that the key to happiness is not growing up. You can be a nerd forever and find success that way because, somehow along the way, the nerds won. Forever Nerdy is a celebration of growing up nerdy and different. This isn't Brian's life story, just some bizarre and hilarious stories from his life, along with a captivating look back at nearly fifty years of nerd culture. Being a nerd hasn't always been easy, but somehow this self-hating nerd who suffered from depression was able to land his dream job, get the girl, and learn to fit in. Kind of. See how he did it while managing to remain forever nerdy.

Large Sketch Pad for Kids - 100 Pages Does your child love to draw and doodle? Now they can create their very own cartoons, art, and doodles all in one special art notebook.
