Sierra is out for blood. Specifically, she's out for Darryl's blood. If she can't have him, she refuses to let him have anything he wants, including the good guy reputation he's worked hard to earn. Darryl hoped he'd be rid of Sierra and her manipulative ways, but deep down, he knows she won't let go until she feels vindicated. For her, vindication means public ruin and broken hearts. Can he prove Sierra is nothing but a manipulative liar, who thrives off of pain and sorrow, before her malicious threats become reality? A social outcast with a chip on her shoulder. A rare magic buried in the past. When one discovers the other, she earns the right to attend the Ocean Academy. But will the gift that qualified her for admittance prove to be her undoing? Coral's life on the ocean floor is a lonely one. Being a half-human half-octopus puts a target on her back—one that earns her almost daily persecution from the "high-born" Nymphs. However, after a bloody brawl with some underwater hooligans, Coral discovers she has access to a rare form of magic that her family had long since tried to bury. Her unwitting display of power in front of a professor from the coveted Ocean Academy earns her an invitation to attend the most prestigious prep school in the ocean. Desperate to change her social status, Coral dives into the opportunity of a lifetime only to discover that magic is hard to master, prejudices run deep, and the powerful prey on the weak. Unwilling to give up or succumb to the pressures of campus life, Coral is convinced the only way she can survive her first year at the Ocean Academy is to unlock the secrets of her past and discover who she was born to be. But can she uncover the truth before her future is ripped away from her? Secrets of the Past is the first book in the YA fantasy Ocean Academy series. This book is a collection of 400 one-liners and one paragraph-ers that explain artistic concepts like imagination, empathy, and individuality. They have been written with humor and sparkle and are universally readable by teens and adults alike. Examples include: "Set aside time so you can lose track of it." "If you study enough, one day you will be studied." "There is a temple between your temples." and "A skill is a skill when you can do it at will." This is also the first commercially available book by Austin Kaiser, the writer behind the Instagram account @AdviceForArtists. His one-liners are joined by four bonus chapters written exclusively for this release. The first is a chapter giving a behind-the-scenes look at how the one-liners were written, their circumstances and creative process. The second is about how @AdviceForArtists became popular and how you can popularize your own work too. The third is about what these one-liners mean as a whole and why they're useful to readers and the world at large. The forth is a secret. Buy this if you are interested in a quick, easy-to-read book that will teach you profound ideas about creativity. Recommended for musicians, painters, actors, tattoo artists, bodybuilders, filmmakers, sculptors, gardeners, surfers, jewelers, dentists, models, glassblowers, model ship builders, and anyone who enjoys life. More samples of one-liners include: "Walking is meditation with a view." "A museum is what you get when a genius is a hoarder." "Ride the elephant in the room." "Studying irrelevant art proves there is no such thing." "If you are scared, it means you are close to a new source of courage." etc...

Calm Parents, Happy Kids is the UK version of Dr Laura Markham's hugely successful and ground-breaking book, Peaceful Parent, Happy Kids. Now adapted

for UK audiences, this practical and inspiring book reveals a three step programme that will transform family life. Most parenting books focus on changing a child's behaviour, but the truth is that children only change when their relationship with their parents changes. In *Calm Parents, Happy Kids*, Dr Laura Markham introduces an approach to parenting that eliminates threats, power struggles and manipulation, in favour of setting limits with empathy and communication. Bringing together the latest research in brain development with a focus on emotional awareness (for both parents and children), it will appeal to all parents who don't want to force their children into compliance and lose their temper, but want to keep calm and help their children want to behave.

Many people are either in financial mess or may soon enter into financial mess because they lack knowledge about personal finance ..This book is aimed at bridging the gap by equipping readers with knowledge and skills necessary to manage personal finance.
