East Bay Grease, Eric Miles Williamson's now classic first novel, has received worldwide acclaim as one of the great depictions of working-class America in the latter half of the 20th century. The story of T-Bird Murphy, born in the tumultuous 1960s and raised in the ghettos of Oakland by his mother, who rides with the Hell's Angels, his father, who is an ex-convict, and the father figures who range from musicians to construction workers, East Bay Grease is a novel of dignity, honor, and courage that has been compared to the works of John Steinbeck, Jack London, and Upton Sinclair.

Praise for EAST BAY GREASE: "Williamson's writing becomes transcendent. His prose cuts loose in torrid rhythms that evoke the peril and exuberance of jazz." –The New York Times Book Review "A confident debut, an arresting, often harrowing read." –The London Times

This book is like a carpenter's belt of tools. You will find resources for various topics and issues which are encountered in counseling. Each chapter, article, and item, has been included with the idea that it would provide the counselor one more means of helping the client. It is the product of many years counseling, along with the success they have helped to bring about in the lives of people who have been hurt, suffered at the hands of others, or dealt with painful emotional traumas in their lives. I believe that God will be greatly blessed and praised through the use of these "tools," in the hands of the willing servant. Thank you for buying a copy of the book, and please know that most of the proceeds from the sales will go to New Life Christian Counseling Ministry.

Lillian stared at the closed door through which both her father and Mrs. Bolstreath had passed, and then looked at Dan, sitting somewhat disconsolately at the disordered dinner-table. She was a delicately pretty girl of a fair fragile type, not yet twenty years of age, and resembled a shepherdess of Dresden china in her dainty perfection. With her pale golden hair, and rose-leaf complexion; arrayed in a simple white silk frock with snowy pearls round her slender neck, she looked like a wreath of faint mist. At least Dan fancifully thought so, as he stole a glance at her frail beauty, or perhaps she was more like a silver-point drawing, exquisitely fine. But whatever image love might find to express her loveliness, Dan knew in his hot passion that she was the one girl in the world for him. Lillian Halliday was a much better name for her than Lillian Moon. Dan himself was tall and slim, dark and virile, with a clear-cut, clean-shaven face suggestive of strength and activity. His bronzed complexion suggested an open-air life, while the eagle look in his dark eyes was that new vast-distance expression rapidly being acquired by those who devote themselves to aviation. No one could deny Dan's good looks or clean life or daring nature, and he was all that a girl could desire in the way of a fairy prince. But fathers do not approve of fairy princes unless they come laden with jewels and gold. To bring such to Lillian was rather like taking coals to Newcastle since her father was so wealthy; but much desires more, and Sir Charles wanted a rich son-in-law. Dan could not supply this particular adjective, and therefore--as he would have put it in the newest slang of the newest profession--was out of the fly. Not that he intended to be, in spite of Sir Charles, since love can laugh at stern fathers as easily as at bolts and bars. And all this time Lillian stared at the door, and then at Dan, and then at her plate, putting two and two together. But in spite of her feminine intuition, she could not make four, and turned to her lover--for that Dan was, and a declared lover too--for an explanation.

Publishing your research in an international journal is key to your success in academia. This guide is based on a study of over 1000 manuscripts and reviewers' reports revealing why papers written by non-native researchers are often rejected due to problems with English usage and poor structure and content. With easy-to-follow rules and tips, and examples taken from published and unpublished papers, you will learn how to: prepare and structure a manuscript increase readability and reduce the number of mistakes you make in English by writing concisely, with no redundancy and no ambiguity write a title and an abstract that will attract attention and be read decide what to include in the various parts of the paper (Introduction, Methodology, Discussion etc) highlight your claims and contribution avoid plagiarism discuss the limitations of your research choose the correct tenses and style satisfy the requirements of editors and reviewers This new edition contains over 40% new material, including two new chapters, stimulating factoids, and discussion points both for self-study and in-class use. EAP teachers will find this book to be a great source of tips for training students, and for preparing both instructive and entertaining lessons. Other books in the series cover: presentations at international conferences; academic correspondence; English grammar, usage and style; interacting on campus, plus exercise books and a teacher's guide to the whole series. Please visit <http://www.springer.com/series/13913> for a full list of titles in the series. Adrian Wallwork is the author of more than 30 ELT and EAP textbooks. He has trained several thousand PhD students and academics from 35 countries to write research papers, prepare presentations, and communicate with editors, referees and fellow researchers.
