Hawaii the Big Island RevealedThe Ultimate Guidebook

A master class on investing featuring conversations with the biggest names in finance, from the legendary cofounder of The Carlyle Group, David M. Rubenstein. What do the most successful investors have in common? David M. Rubenstein, cofounder of one of the world's largest investment firms, has spent years interviewing the greatest investors in the world to discover the time-tested principles, hard-earned wisdom, and indispensable tools that guide their practice. Rubenstein, who has spent more than three decades in the hypercompetitive world of private equity, now distills everything he's learned about the art and craft of investing, from venture capital, real estate, private equity, hedge funds, to crypto, endowments, SPACs, ESG, and more. -How did Stan Druckenmiller short the British pound in one trade for a profit of \$1 billion dollars? -What made Sam Zell the smartest, toughest investor the world of real estate has ever seen? -How did Mike Novogratz make \$250 million off crypto in one year? -How did Larry Fink build BlackRock from scratch into a firm that manages more than \$10 trillion? -How did Mary Callahan Erdoes rise to the top of J.P. Morgan's wealth management division to manage more than \$4 trillion for individuals and families all over the world? -How did Seth Klarman perfect value investing to consistently deliver net returns of nearly 20 percent? With unprecedented access to global leaders in finance, Rubenstein has assembled the most authoritative book of its kind. How to Invest reveals the thinking of the most successful investors in the world, many of whom rarely speak publicly. Whether you're brand-new to investing or a seasoned professional, this book will transform the way you approach investing forever.

#1 NEW YORK TIMES BEST SELLER • From the award-winning, best-selling author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. *To Paradise* is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family, and even our fellow citizens—and the pain that ensues when we cannot. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections comprise an ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness.
