In this eagerly awaited new book, Neil Perry share Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget

based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

***Paris*** The turn of the 20th century finds fourteen-year-old Batya in the Russian countryside, fleeing with her family endless pogroms. Desperate, her father leaps at the opportunity to marry Batya to a worldly, wealthy stranger who can guarantee his daughter an easy life and passage to America. Feeling like a princess in a fairytale, Batya leaves her old life behind as she is whisked away to a new world. But soon she discovers that she's entered a waking nightmare. Her new "husband" does indeed bring her to America: Buenos Aires, a vibrant, growing city in which prostitution is not only legal but deeply embedded in the culture. And now Batya is one of thousands of women tricked and sold into a brothel. As the years pass, Batya forms deep bonds with her "sisters" in the house as well as some men who are both kind and cruel. Through it all, she holds onto one dream: to bring her family to America, where they will be safe from the anti-Semitism that plagues Russia. Just as Batya is becoming a known tango dancer, she gets an unexpected but dangerous opportunity—to help bring down the criminal network that has enslaved so many young women and has been instrumental in developing Buenos Aires into a major metropolis. A powerful story of finding courage in the face of danger, and hope in the face of despair, *The Third Daughter* brings to life a dark period of Jewish history and gives a voice to victims whose truth deserves to finally be told.
