The Newbery Medal-winning author of The Hero and the Crown brings the Robin Hood legend to vivid life. not want to leave Nottingham or lose the title to his father's small tenancy, because he is in love with a young lady named Marian—and keeps remembering that his mother too was gentry and married a common forester. Robin has been granted a rare holiday to go to the Nottingham Fair, where he will spend the day with his friends Much and Marian. But he is ambushed by a group of the Chief Forester's cronies, who challenge him to an archery contest . . . and he accidentally kills one of them in self-defense. He knows his own life is forfeit. But Much and Marian convince him that perhaps his personal catastrophe is also an opportunity: an opportunity for a few stubborn Saxons to gather together in the secret heart of Sherwood Forest and strike back against the arrogance and injustice of the Norman overlords.

Robin Hood, Maid Marion, Little John, Friar Tuck and the rest of the Merry Men of Sherwood Forest are all here, in stories packed with excitement, drama and romance. Antonia Fraser's masterly retelling is a classic.

*An action-filled retelling of the story of Robin Hood as seen through the eyes of his trusted strong right hand, Little John. When peasant John Little witnesses the Sheriff of Nottingham's men destroying his village for John's crime of poaching deer to feed his people, he flees into the tangle of Sherwood Forest with the only other survivor, his young foster daughter Marian. But dangers lurk there, too: the outlaw Robin Hood soon catches them and takes them prisoner. Robin Hood does not quite match the heroic stories that are already told about him. For all Robin's dazzling bravado and clever tricks, the reality of his fight against oppression by the Norman nobility is a rough and dirty life in the forest, outlawed and constantly hunted. As the newly dubbed Little John gets an education in how to fit into Robin's dangerous band, Marian, too, grows into a force to be reckoned with. Thrust into life in a world of fearless bandits, uncertain allies, and merciless vendettas, Little John and maid Marian earn their place—and build an unshakable friendship with Robin Hood. Told with earthy historical detail and unforgettable characters, this is a must for any young reader fascinated by knights and fights, kings and peasants, or who wants to delve into the many tales that built the Robin Hood legend*

However, the disadvantaged people of Becklefield have problems of their own and it's not long before Kathy is irresistibly, compassionately and sometimes unwillingly drawn into their tumultuous lives. A devastating fire; mice and marigolds, parental abuse and apathy, community poverty and passion, plus knights, castles, cub scouts and hilarious days out to the seaside all become entwined into yet another hectic school year. Kathy needs faith and hope to get through and perhaps with the help of the loving church community she can. Add to that a boy obsessed by Beethoven, a girl who finds hope through a love of flowers and the confusion of several children from the estate all sharing one father exquisitely wrapped up in two poignant love stories, one delightfully her own, and the heart-warming tale of Kathy's life turns prejudices and assumptions upside down and tells just how it is in the chaotic neighbourhood surrounding an inner-city primary school. After losing everything he owns, forester Will Scarlet embarks on a search for none other than King Raven, whose exploits have already become legendary. After fulfilling his quest--and proving himself a skilled and loyal companion--Will joins the heroic archer and his men. Now, however, Will is in prison for a crime he did not commit. His sentence is death by hanging--unless he delivers King Raven and his band of cohorts. That, of course, he will never do. Wales is slowly falling under the control of the invading Normans, and King William the Red has given his ruthless barons control of the land. In desperation, the people turn to King Raven and his men for justice and survival in the face of the ever-growing onslaught. From deep in the forest they form a daring plan for deliverance, knowing that failure means death for them all. Scarlet continues Stephen R. Lawhead's riveting saga that began with the novel Hood, which relocated the legend of Robin Hood to the Welsh countryside and its dark forests. Steeped in Celtic mythology and the political intrigue of medieval Britain, Lawhead's trilogy conjures up an ancient past and holds a mirror to contemporary realities. Prepare for an epic tale that dares to shatter everything you thought you knew about Robin Hood.

collection of essays in the Shifting Paradigms in Early English Drama Studies series brings the perspective of a Drama academic and practitioner of early English plays to the understanding of how medieval plays and Robin Hood games of the fifteenth and sixteenth centuries were performed. It explores why, where, when and how the plays happened, who took part, and who were the audiences. The insights are informed by a combination of research and the public presentation of surviving texts. The research included in the volume unites the early English experiences of religious and secular performance. This recognition challenges the dominant critical distinction of the period between the two and the consequent privileging of biblical and moral plays over secular entertainments. What further binds, rather than separates, the two is that the destination of funds raised by the different activities maintained the civic and parochial needs of the institutions upon which the people depended. This collection redefines the inclusive nature and common interests of the purposes that lay behind generically different undertakings. They shared an extraordinary investment of human and financial resources in the anticipation of a profit that was pious and practical.

books once again accessible, and are published unaltered from the original University of Minnesota Press editions. Among the notable productions of the Children's Theatre Company of the Minneapolis Society of Fine Arts, a leading exponent of children's theater in this country, have been plays that are adaptations of classics in children's literature. This volume makes available the scripts of five of these adaptations, along with illuminating information about the productions and the company itself. The plays include two adaptations by Frederick Gaines, two by Timothy Mason, and one by Richard Shaw. Mr. Gaines's plays are based on Washington Irving's *The Legend of Sleepy Hollow* and Charles Dickens's *A Christmas Carol*. One of Mr. Mason's plays, *Kidnapped in London*, is an adaptation of part of *Master Skylark* by John Bennett, and the other, *Robin Hood: A Story of the Forest*, is based on part of the Robin Hood legend. Mr. Shaw's play is an adaptation in Kabuki form of the Grimms' fairy tale *Sleeping Beauty*. Linda Walsh Jenkins writes a general introduction and commentary. Background information about each play includes excerpts from discussions among directors, composers, designers, and

playwrights about the plays themselves and about various phases of the development of the productions. Highlights of the history of the Children's Theatre Company and of the aims and accomplishments of its director, John Clark Donahue, are given, and these will be of particular interest to anyone in the children's theater field. The photographic illustrations, which include a number in color, show various aspects of Children's Theatre Company productions. There are also musical examples from the original scores for the plays.

Following in the tradition of recent work by cultural geographers and historians of maps, this collection examines the apparently familiar figure of Robin Hood as he can be located within spaces that are geographical, cultural, and temporal. The volume is divided into two sections: the first features an interrogation of the literary and other textually transmitted spaces to uncover the critical grounds in which the Robin Hood 'legend' has traditionally operated. The essays in Part Two take up issues related to performative and experiential space, demonstrating the reciprocal relationship between page, stage, and lived experience. Throughout the volume, the contributors

"Christmas morning Marian awoke very early. She slipped out of bed and went to the window. A few stars were still in the sky, though the grey dawn was stealing up the land. In a few minutes the church bells pealed out upon the wintry air. Marian folded her hands and thought of the shepherds and the wise men, the little infant Jesus in the manger and all the rest of the beautiful story. But it was cold by the window and she determined to get back into bed till she should be called. Then she suddenly remembered that this was "first thing in the morning" and that she need not wait to open Miss Dorothy's locked clothes-press. She could find out what was there." Read on to

*tragicomic repercussions lead him through a maze of addiction, delusion, paranoia -- and ultimately, transcendence. Virtually abandoned by her family, the indomitable Marjorie Herlihy -- mother, widow, and dreamer -- falls prey to a confidence scheme dizzying in its sadism and complexity. And unbeknownst to Marj and her children, the father who disappeared decades ago is alive and well nearby, recently in the local news for reasons that will prove to be both his redemption and his undoing. The impetus for *The Meditation of My Heart* came fifty years ago when I was awarded a scholarship to Creighton Preparatory School in Omaha, Nebraska which I attended for just over a week. For it was with some dismay that I discovered the life of the contemplative was not for me. Although Sister Mary Teracita had tried to communicate to me that a call to serve was not to be taken lightly, that demanded rigor both intellectually and spiritually, I really didn't know what a call meant. However, my time as an altar boy and lay reader has served me over these intervening years so that today, perhaps, I do appreciate more fully the demands of a life of service in the interest of religion. While such a life is extremely personal, the contemplative also lives a life on public display, an apparent contradiction one is forced to accept. I admire anyone who can do this successfully.
