In her acclaimed novels, Susan Vreeland has given us portraits of painting and life that are as dazzling as their artistic subjects. Now, in *The Forest Lover*, she traces the courageous life and career of Emily Carr, who—more than Georgia O'Keeffe or Frida Kahlo—blazed a path for modern women artists. Overcoming the confines of Victorian culture, Carr became a major force in modern art by capturing an untamed British Columbia and its indigenous peoples just before industrialization changed them forever. From illegal potlatches in tribal communities to artists' studios in pre-World War I Paris, Vreeland tells her story with gusto and suspense, giving us a glorious novel that will appeal to lovers of art, native cultures, and lush historical fiction.

The Biography of Frida Kahlo

Du

Artemisia

The beautifully illustrated and utterly absorbing biography of one of the twentieth century's most transfixing artists' story of one of the twentieth century 's most extraordinary women, the painter Frida Kahlo. Born near Mexico City, during the turbulent days of the Mexican Revolution and, at eighteen, was the victim of an accident that left her crippled and unable to bear children. To salvage what she could from her unhappy situation, Kahlo had to learn to keep still so she could paint. Kahlo 's unique talent was to make her one of the century 's most enduring artists. But her remarkable painting is only one element of a rich and dramatic life. Frida is also the story of her tempestuous marriage to the muralist Diego Rivera, her affairs with numerous, diverse men such as Isamu Noguchi and Leon Trotsky, her involvement with the Communist Party, her absorption in Mexican folklore and culture, and of the inspiration behind her unforgettable art.

You can always recognize a painting by Kahlo because she is in nearly all--with her black braided hair and colorful Mexican outfits. A brave woman who was an invalid most of her life, she transformed herself into a living work of art. As famous for her self-portraits and haunting imagery as she was for her marriage to another famous artist, Diego Rivera, this strong and courageous painter was inspired by the ancient culture and history of her beloved homeland, Mexico. Her paintings continue to inform and inspire popular culture around the world.

\* Analyzes the art of Frida Kahlo and incorporates the most up-to-date research available on the work of the artist\* accompany an exhibition at the MUDEC in Milan, from February to June 2018Frida Kahlo, a truly extraordinary woman who captured the public's imagination with her iconic look, troubled life and exotic air, is first and foremost a great painter. This exhibition and accompanying catalogue aim to free her work from the haze of myth and the frustrating limits of private life in order to grant her the position she deserves within the history of art. Oil paintings, drawings, watercolors, letters and photographs explore the complex historical and cultural context of Kahlo's work, examining its explicit realism as well as its disturbing ambiguity, its dramatic content as well as its irony, and not least, the exuberant sensuality of her still lifes. Organized in several large chapters, the catalogue analyses the art of Frida Kahlo, revealing its uncompromising political nature, her use of the body, macabre, violent aesthetic, and symbolic and symbiotic interaction with the natural environment of the early 1900s. The catalogue represents the most up-to-date text available on the work of one of the most celebrated artists of all time.

*Artemisia Gentileschi, born in 1598, the daughter of an esteemed painter, taught art in Naples and painted the great women of Roman and biblical history: Esther, Judith, Cleopatra, Bathsheba. She also painted the rich and royal, but her wealthy male patrons wanted admiration while her women models wanted disguise. This woman, who had been violated in her youth and reviled as a rap victim in a public trial before going off to heretical England, who was rejected by her father and later abandoned by her husband and misunderstood by her daughter, who could not read or write but who could only paint—this woman was one of the first modern times to uphold through her work and deeds the right of women to pursue careers compatible with their talents and on an equal footing with men. Artemisia lives again in Anna Banti's novel, which was first published to critical acclaim in Italy in 1947 (Banti was the pseudonym of Lucia Lopresti, 1895-1978). Recognized as a consummate stylist, she was one of the most successful women writers in Italy before the resurgence of the feminist movement. Although Artemisia describes life in seventeenth-century Rome, Florence, and Naples, the time setting of the novel is, in a deeper sense, a historical, merging as it does the experience of a woman dead for three centuries with the terrors of World War II experienced by the author. Shirley D'Ardia Caracciolo's English translation of Banti's novel skillfully renders its complexity and poignancy as a study of courage.*

*A beautifully imagined story of the last days of Frida Kahlo's life A few days before Frida Kahlo's death in 1954, she wrote in her diary, 'I hope the exit is joyful and I hope never to return.' Diagnosed with polio at the age of six and plagued by illness and injury throughout her life, Kahlo's chronic pain was a recurrent theme in her extraordinary art. In *Frida's Bed*, Slavenka Drakulic ' explores the inner life of one of the world's most influential female artists, skillfully weaving Frida's memories into descriptions of her paintings, producing a meditation on the nature of chronic pain and creativity. With an intriguing subject whose unusual life continues*

*to fascinate, this poignant imagining of Kahlo's thoughts during her final hours by another daringly original and uncompromising creative talent will attract readers of literary fiction and art lovers alike.*

*A facsimile of the diary of the twentieth-century Mexican artist, which is accompanied by an English transcription and commentary and more than three hundred illustrations.*

**In questo libro ho inanellato una serie di riflessioni che, scaturiscono da una domanda esteriormente retorica. Provocato da un gruppo di giovani nativi digitali, mi sono tuffato nell'universo paludoso del rapporto tra religione/chiesa cattolica cristiana e omosessualità.**

Riflessioni di un like-o", non ha connotazione politica, non intende difendere e non vuole convincere nessuno. È un libro per "miscredenti", ma che si rivolge soprattutto ai credenti. Pungente, irriverente, cinico, graffiante, dissacrante e provocatorio. La risposta all'interrogativo posto nel titolo, non sarà poi così scontata...**

Beyond the Myth

*In Song of Herself, psychiatrist and Kahlo expert Salomon Grimberg introduces and contextualizes a deeply introspective interview that Kahlo gave toward the end of her life to her friend the psychologist Olga Campos. The interview was intended to appear in a book on the creative process of artistic individuals, but it was never published. Kahlo comments candidly on her life, her loves, and her painting, and expresses her attitudes toward her body, politics, friendship, sexuality, and death, among other personal concerns. The most startling autobiographical text known on this singular woman, Kahlo's interview is accompanied by Campos's warm reflections on their relationship, a medical history of Kahlo gathered by Dr. Henriette Begun, and a detailed psychological assessment of the artist by Dr. James Bridger Harris.*
