Dive in to this whimsically adventurous graphic novel from Caldecott Medalist Dan Santat! Ever since her father was lost at sea, Sophia has been moping around Aqualand, the marine theme park her dad and uncle created. But Sophia's world is turned upside down when an "aquanaut" breaks into the park's research lab. To her amazement, Sophia discovers that the aquanaut is not what it seems -- inside lives a band of four goofy sea creatures! And when they all realize that Aqualand has evolved into something much darker than Sophia's dad had envisioned, Sophia is determined to help the aquanaut crew free the park's captive marine life before it's too late.

Autumn is a beautiful time of year, and the folks of Bear Country are looking forward to everything the season brings. So when the Chapel in the Woods holds its first ever Harvest Festival, people gather at Farmer Ben’s for a wonderful time of family, friends, fun, and praising God for his gifts.

A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing widely from literature, The Enchanted Hour explains the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues that this ancient practice is a fast-working antidote to the fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that builds vocabulary, fosters imagination, and kindles a lifelong appreciation of language, stories and pictures. Bringing together the latest scientific research, practical tips, and reading recommendations, The Enchanted Hour will both charm and galvanize, inspiring readers to share this invaluable, life-altering tradition with the people they love most.

Owl at Home

How Do You Know It's Winter?

*In some places, the weather is cold and snowy. In others, it's rainy and cool. People help birds find food by putting up bird feeders in their backyards. Days are shorter and nights are longer, and kids find more indoor activities to fill their afternoons. What does it all mean? It must be winter! From changes in the growth cycles of plants to the signs of winter that can be found in backyards, parks, woodlands, wetlands, cities, and farms across North America, this fact-filled book will give kids an exciting opportunity to explore nature in action. Fun activities, such as recording relative changes in temperature, precipitation, and the length of days in weather notebooks, give readers a chance to gain insights beyond the facts and figures. Expertly crafted to meet early elementary reading and science curriculum standards, How Do You Know It's Winter? introduces young readers to science concepts and the two fundamental components of scientific inquiry--making observations, and drawing inferences from those observations.*

The Miraculous Power of Reading Aloud in the Age of Distraction

*Welcome to Frog and his world. He enjoys nothing better than spending time floating in his pond or visiting with his friends. He appreciates the simpler things in life and would prefer that things stay just the way they are--nice and peaceful. From acclaimed children's writer Eve Bunting comes a beginning reader series featuring the delightful Frog and his friends Rabbit, Possum, Raccoon, and Squirrel. In Frog's Flying Adventure's trio of stories Frog worries when a flower friend starts to fade, takes to the skies with a sea gull friend, and has trouble falling to sleep.*

*Ant (short for Antonia) is sure she is adopted. She doesn't look anything like her mother or her sisters - or even her dad (who is away working too much). Ant's best friend is a boy called Harrison who draws chickens, and her dog Pistachio, a tiny ageing chihuahua, is her constant companion, but she feels that she just doesn't fit in. Ant's life meanders along until one day her lying starts to cause her, and those around her, some rather serious problems. Forced to face up to some of the things she has spent her life trying to hide from, in particular Ant has to come to terms with why she doesn't get on with her mother. An uplifting, exciting and truly original story.*

Frog and Toad are Doing Their Best [A Parody]

What's the Difference Between a Frog and a Toad?

I Can Read about Frogs and Toads

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The beloved classic about friendship—a Newbery Honor Book! Frog and Toad are best friends—they do everything together. When Toad admires the flowers in Frog's garden, Frog gives him seeds to grow a garden of his own. When Toad bakes cookies, Frog helps him eat them. And when both Frog and Toad are scared, they are brave together. School Library Journal called this story collection from Arnold Lobel "a masterpiece of child-styled humor and sensitivity." Winner of the Newbery Honor award, Frog and Toad Together is a Level Two I Can Read book, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor, a Caldecott Honor, ALA Notable Children's Book, Fanfare Honor List (Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book.

The ladies of Iceland have a problem: the birds lay their eggs in nooks on the sides of steep cliffs, so the ladies have a very difficult time getting any of the eggs for baking. They go to town to buy chickens to lay eggs for them instead. For a while, everyone is happy: there are plenty of eggs to bake plenty of yummy things. But the ladies' problems are far from solved, for the more time the chickens spend with the ladies, the more they begin to act like them too, until eventually they stop laying eggs all together. Now this is a problem indeed, but you can be sure, the clever ladies will find a solution. Full of fun and silliness, this lighthearted tale and vibrant illustrations are a delight.

Titanic new talent Ross Burach breathes fresh life into tried and true topics -- trucks and ducks! -- in this laugh-out-loud comedy of errors! "Children will delight in the extreme silliness of this story and will repeatedly pore over the detailed, colorful, and quirky illustrations." --School Library JournalDid you call for a truck full of ducks?Bernie is on the road to make a delivery when one of the ducks EATS the directions. Where Do Frogs Come From?

The Night Before the Night Before Christmas

At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, Frog and Toad are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in Frog and Toad Are Doing Their Best perfectly capture the heartwarming authenticity of Lobel's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through Frog and Toad, we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life's burdens makes even the darkest days brighter.
