From Where You Dream

"first published by Nosy Crow (UK) 2019"--Copyright page.

You Are a Dream is a book for creatives asking: "How do you make your dreams come true?" In order to find a meaningful answer, You Are a Dream challenges you to go beyond your comfort zone by bringing full awareness to your creative work and your life. Designed as a mini-workshop, and packed with exercises, this book is an introduction to the Creative Dreaming Method, a complete system for boosting creative thinking and strategic action. If you're ready for big changes in and out, this is the book you've been waiting for.

Colors, Rubin tells us, affect everyone through sound, smell, taste, and a vast array of emotions and atmospheres. She explains that although she has been blind since birth, she has experienced color all her life. In her memoir Do You Dream in Color?, Laurie Rubin looks back on her life as an international opera singer who happens to be blind. From her loneliness and isolation as a middle school student to her experiences skiing, Rubin offers her young readers a life-story rich in detail and inspiration drawn from everyday challenges. Beginning with her childhood in California, Rubin tells the story of her life and the amazing experiences that led her to a career as an internationally celebrated mezzo-soprano. Rubin describes her past as a "journey towards identity," one she hopes will resonate with young people struggling with two fundamental questions: "Who am I?" and "Where do I fit in?" Although most of us aren't blind, Rubin believes that many of us have traits that make us something other than "normal." These differences, like blindness, may seem like barriers, but for the strong and the persistent, dreams can overcome barriers, no matter how large they may seem. This is what makes her story so unique yet universal and so important for young readers.

In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes, for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The Dreams of Kings weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

Put Your Dream to the Test

A science journalist explores the latest research on dreams—how they work, what they ' re for, and how we can reap the benefits. While on a research trip in Peru, science journalist Alice Robb became hooked on lucid dreaming—the uncanny phenomenon in which a sleeping person can realize that they ' re dreaming and even control the dreamed experience. Finding these forays both puzzling and exhilarating, Robb dug deeper into the science of dreams at an extremely opportune moment: just as researchers began to understand why dreams exist. They aren ' t just random events; they have clear purposes. They help us learn and even overcome psychic trauma. Robb draws on fresh and forgotten research, as well as her experience and that of other dream experts, to show why dreams are vital to our emotional and physical health. She explains how we can remember our dreams better—and why we should. She traces the intricate links between dreaming and creativity, and even offers advice on how we can relish the intense adventure of lucid dreaming for ourselves. Why We Dream is both a cutting-edge examination of the meaning and purpose of our nightly visions and a guide to changing our dream lives in order to make our waking lives richer, healthier, and happier. " Robb offers a welcome antidote to the medicine administered by most sleep gurus. " —New Yorker

Understanding the Dreams You Dream: Biblical Keys for Hearing God ' s Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. –Ira Milligan Through Scripture-based meditation, much can be understood about your dreams, but many Christians don ' t know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author ' s own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE ' S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama " guides us straight to the intersection of the most serious questions of identity, class, and race " (The Washington Post Book World). " Quite extraordinary. " —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ' s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ' s life, and at last reconciles his divided inheritance. Praise for Dreams from My Father " Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride ' s The Color of Water and Gregory Howard Williams ' s Life on the Color Line as a tale of living astride America ' s racial categories. " —Scott Turow " Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither. " —The New York Times Book Review " Obama ' s writing is incisive yet forgiving. This is a book worth savoring. " —Alex Kotlowitz, author of There Are No Children Here " One of the most powerful books of self-discovery I ' ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. " —Charlayne Hunter-Gault, author of In My Place " Dreams from My Father is an exquisite, sensitive study of this wonderful young author ' s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. " —Marian Wright Edelman

How I Took 30 Days to Stop Worrying, Quit Complaining, and Find Ridiculous Happiness

Mary, a trauma unit nurse in Vietnam, inadvertently becomes caught up in a CIA project on combat-induced ESP experiences

'A major new voice. Read Temi Oh today. Everybody will be reading her tomorrow' Stephen Baxter. author of World Engines 'A brilliant, beautiful debut. Reading it will change your heart' Christian Kiefer, author of Phantoms * The Long Way to a Small, Angry Planet meets The 100 in this unforgettable debut by a brilliant new voice. * A century ago, scientists theorised that a habitable planet existed in a nearby solar system. Today, ten astronauts will leave a dying Earth to find it. Four are decorated veterans of the 20th century's space-race. And six are teenagers, graduates of the exclusive Dalton Academy, who've been in training for this mission for most of their lives. It will take the team twenty-three years to reach Terra-Two. Twenty-three years spent in close quarters. Twenty-three years with no one to rely on but each other. Twenty-three years with no rescue possible, should something go wrong. And something always goes wrong. * Don't miss one of Cosmopolitans books by people of colour to get excited about in 2019, called 'a tightly wound epic' that 'will change your heart' by Christian Kiefer, author of Phantoms. * WHY READERS DREAM OF TERRA-TWO . . . 'An ambitious 500-page coming-of-age blockbuster . . .Oh is excellent at portraying the aching sense of loss on a one-way trip to the stars' Guardian 'A tightly wound, emotional epic that asks important questions about humanity, goodness, belief, technology, love, friendship, and duty. At what point is grabbing hold of one's destiny ultimately an attempt to escape some other? Like all great writers, Temi Oh refuses the easy answer, instead ruminating upon the question itself. This novel is a brilliant, beautiful debut. Reading it will change your heart.' Christian Kiefer, author of Phantoms 'One of the most absorbing books I have ever read' 'This book seemed to take over my life whilst I was reading it - if I wasn't actually reading, I was thinking about it' 'I'm in love with this book . . . It is a beautiful, sprawling, literary delight with an unforgettable cast undertaking an unforgettable journey.' 'For fans of the character-driven The Long Way to a Small, Angry Planet series, Terra-Two is perfect . . . A strong, haunting, character-driven story . . . This book and its characters will stay with you for a long time.' 'Do You Dream of Terra-Two succeeds both as a great sci-fi story and a brilliant drama . . . Even though you expect things to go wrong in this story, they still wrong foot you when they do. 5*. 'Beautifully written . . . It's inspirational to read' 'I would love to be able to write like Temi Oh. I should start taking notes . . . Highly recommended!'

Not in My Wildest Dreams

Robert Olen Butler, winner of the Pulitzer Prize in Fiction, teaches graduate fiction at Florida State University — his version of literary boot camp. In From Where You Dream, Butler reimagines the process of writing as emotional rather than intellectual, and tells writers how to achieve the dreamspace necessary for composing honest, inspired fiction. Proposing that fiction is the exploration of the human condition with yearning as its compass, Butler reinterprets the traditional tools of the craft using the dynamics of desire. Offering a direct view into the mind and craft of a literary master, From Where You Dream is an invaluable tool for the novice and experienced writer alike.

"Could the wildest dreams be the ones you're meant to follow?"--Cover.

Your dreams hold the key to a better, fuller life. There is a reason we dream at night. It's not random nonsense. When we are dreaming, we are thinking on a much deeper, more insightful level than when we're awake. When we're dreaming, we're actually problem solving...it's just in a different language. Our minds are speaking to us in codes: warning, helping, and guiding us through our constantly evolving situations in life. The mind, through dreams, is trying to alert us to problems it wants fixed. The truth is, our best thinking isn't done in the shower, it's done while we dream. In fact, when we say, "Let me sleep on it," what we're really saying is, "Let me dream on it." In this easy-to-use guide, renowned dream analyst Lauri Quinn Loewenberg gives you the tools to interpret the often confounding language of dreams. You will learn how to: * unlock the hidden dream communications your mind wants you to know * understand commonly occurring people, places and animals as extensions of your personality * decipher the real meaning behind nightmares like falling, drowning, and being chased * discover the big messages in seemingly small dream elements as Lauri guides you through dozens of real-life dreams * use your dreams as a tool to solve your everyday problems and effect real change in your life and relationships * reference the most important dream symbols with a comprehensive dream dictionary

God placed a special dream in your heart that only you can fulfill. He's given you a purpose for your life and if you will walk with Him, you will see that purpose completed. We are each on a special journey toward fulfilling the dreams God has placed in our hearts. It is a road filled with rapid increase, sudden setbacks, and baffling blind alleys. Nevertheless, I promise you that your journey will bring you closer to God. As you draw closer, you will discover that God loves your dreams as much as you do. He wants you to share these dreams with Him, to allow Him to guide you and help you along the way. I assure you: God will always provide an answer to your prayer. You are never alone; God is always near. And more than anything else . . . God loves you beyond measure.

From Where You Dream

When the Great Wazoo kidnaps all the baby dragons in Critter Falls, Axel Howl must be the knight in shining armor who rescues them.

As a mother, a wife, and a businesswoman, Kaia Roman always had a plan. But when her biggest plan, the business she cofounded, collapsed, Kaia found herself crushed by depression. And what felt even worse was that, with a husband and two kids relying on her to get out of bed, she didn't have a plan to move forward. Determined to turn her life around and put her ingrained habits of stress and anxiety behind her, Kaia decided to put everything else on hold and dedicate thirty days to the singular pursuit of joy. The results were astonishing-and lasted much longer than the initial monthlong project. In this uplifting and eye-opening memoir, Kaia uses her business savvy to create a concrete Joy Plan to get back on her feet fast. Using scientific research on hormones, neurotransmitters, and mindfulness, along with the daily dedication to creating a more joyful existence, Kaia teaches readers how to move past temporary happiness and succeed in creating joy that lasts. Complete with advice, exercises, and key takeaways, The Joy Plan is Kaia's step-by-step guide to how she, and everyone else, can ditch the negative and plan for the joy in their lives.

A direct view into the mind and craft of a literary master is offered in a collection of edited transcripts of the author's thought-provoking lectures that reimagine the process of writing as emotional rather than intellectual. Reprint.

In 1967, John Eastwood was a junior engineer at Boving and Company, Ltd., a well-established London-based supplier of water turbines for hydroelectric dams. Boving had no interest in pursuing work in the "litigious" U.S. until Eastwood parlayed a simple idea into a massive opportunity. It took curiosity, chutzpah, and overoptimism as to Boving's abilities for Eastwood to partner with a U.S. manufacturer, find a legal advisor, and make other business arrangements, often before checking in with Boving. Along the way, he developed unexpected skills and created an exciting new life.

Why We Dream

Do You Dream of Terra-Two?

Buffalo Annie

In her heartwarming and empowering memoir, space pioneer Anousheh Ansari tells the story of her childhood in Iran and her family's exodus to America after the Islamic Revolution. After settling down in Texas, Anousheh built a computer technology firm from the ground up, which eventually realized a net worth of $750 million and ultimately allowed her to achieve her childhood dream of spaceflight. In her groundbreaking role as the first-ever female commercial spaceflight participant, her story became politicized and fraught with the prejudices and obstacles she had to overcome as an Iranian woman, culminating in a debate over whether she would be allowed to display both the American and Iranian flags on the sleeve of her spacesuit. After her return to Earth, Anousheh started The Ansari Foundation, a quickly growing nonprofit which supports social entrepreneurship, and is especially committed to ensuring the freedom of women around the world and supporting female entrepreneurs. Ultimately, this evocative story shows the triumph of a woman who has become a role model to people around the globe struggling to overcome economic and cultural barriers, as well as those dreamers who look upon the stars and wish to soar among them.

Tom Waits in his own words: a collection of three decades' worth of interviews with Tom Waits 'I've never met anyone who made it with a chick because they owned a Tom Waits album. I've got all three, and it's never helped me,' Tom Waits. Born, seemingly, in the back of a taxi cab outside a hospital in California, in December 1949, the young Tom Waits graduated through the jobs of janitor, dishwasher and cook to the position of doorman at a small L.A. club. Existing on a diet of whiskey, cigarettes and beat writing, he now added folk and jazz to his formative influences. In 1969, Captain Beefheart manager Herb Cohen discovered him - and five years later he released his first album, Closing Time, a record soaked in equal parts bourbon and melancholy. His drunken bohemian persona kicked in after this ('The Piano Has Been Drinking, Not Me'), and his familiar hoary rasp ('a voice that could guide ships through dense fog'), tales of losers, outsiders, hobos, dingy bar-room joints and seedy diners became the stuff of cult legend, covered by the likes of the Eagles, championed by Elton John, and instantly recognisable from a thirty-year career that has seeped through music (over 20 albums), theatre and film. Waits has never written an autobiography, has notoriously played fast and loose with the truth, but this collection of interviews is practically Tom Waits in his own words. Witty, enigmatic and currently fired up about the state of America (his latest album 'Real Gone' has been his most successful yet), Innocent When You Dream is a must-have for any Waits fan.

Buffalo Annie offers a glimpse into the life of Lisa "Buffalo Annie" Selner, a wildlife biologist, explorer, and outdoorswoman. This book provides an overview, chronicling Lisa's field encounters, travel adventures, and outdoor quests early in her career. The purpose is to inspire and motivate adventurers, outdoor enthusiasts, and anyone who is interested in or plans to engage in a wildlife profession. Photography captures many fascinating accounts of wildlife encounters, exploration of picturesque landscapes, and outdoor pursuits entailing hunting, fishing, furbearer trapping, and falconry.

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. Through Scripture-based meditation, much can be understood about your dreams; but many Christians don't know how to meditate. This problem is addressed in three different ways: Specific, detailed directions are given on how and upon what to meditate. Personal examples of dreams from the author's own experiences. Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God-and those from evil sources.

Chasing Dreams Across America

From one of Ireland's most talented journalists, an extraordinary fiction debut, compelling, colourful and romantic. Kathleen is a 49-year-old travel writer, an Irishwoman based in London who has not been back to Ireland since she was twenty. Her home is her office, her family and friends a few close colleagues. She has not experienced passion since she was young. When, over the course of a few weeks, the props of her life fall away one after another, it is to passion that she turns - not in her own life, but in the fragmentary account of a scandalous affair in 19th century rural Ireland, between the wife of a big Anglo-Irish landlord, and her servant. And so Kathleen is drawn back to Ireland, to see whether she can find out more...

Violet, the Sweet Dream Fairy, protects the sleeping children from nightmares and monsters by sprinkling her magic dust. But Griffin the Goblin has other plans. He captures Violet, steals her dust, and starts scaring the children. Violet knows she has to escape and fast, but how? She'll need some real fairy magic if she wants to get her dust back and save the children.

An African Princess was stolen, shipped, sold and thrust into slavery in the land they called "Xaymaca." In shock, she observed this new cruel world. At times, unwilling to believe her present reality, she went through the motions of hard labour and severe abuse with no resistance. However, she was noticed by some of the children on the plantation especially by Marcus. He knew she was the catalyst they needed to bring about a long awaited change. A change his friends, Sam, William, Paul and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them. With this African princess, their dream would finally come true. "Xaymaca Part 1" is the beginning of a short story series of the enslaved Caribbean children named after Jamaican national heroes as they pursue freedom.

Thinkers50 Management Thinker of 2015 Whitney Johnson has a goal: to help us identify and achieve our dreams. Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives. In this inspiring book, Johnson directs her attention to teaching women, in particular, a three-step model for personal advancement and happiness. She first encourages us to Dare to boldly step out, to consider disrupting life as we know it. Then she teaches us how to Dream, to give life to the many possibilities available, whether to start a business, run a marathon, or travel the world. She shows us how to "date" our dreams (no need to commit!) and how to make space for dreams. Finally, Whitney's model brings out the businesswoman in her; she teaches us to Do, to execute our dreams. She showcases the importance of sharing dreams with others to give them life, creating your own "dream team." Rich with real stories of women who have dared to dream, Dare, Dream, Do offers a practical framework for making remarkable things happen.

Do you dream big? Now you can put your dream to the test and bring it to life! What's the difference between a dreamer and someone who achieves a dream? According to best-selling author Dr. John Maxwell, the answer lies in answering ten powerful, yet straightforward, questions. Whether you've lost sight of an old dream or you are searching for a new one within you, Put Your Dream to the Test provides a step-by-step action plan that you can start using today to see, own, and reach your dream. Dr. Maxwell draws on his forty years of mentoring experience to expertly guide you through the ten questions required of every successful dreamer. "It's one thing to have a dream. It's another to do the things needed to achieve it," says Maxwell. "If you're willing to put your dream to the test?and do what's needed to answer yes to the ten dream questions?then your odds are very good for seeing your dream become reality." Don't leave your dream to chance. This book is a must-have and can make the difference between failure and success.
