In creative arts, whether you are a starter or a professional, it's important that you have the best tools to help you draw up your perspective. The isometric paper provides an easier method of drawing it out, a great help in laying out projects and enabling preplanning in a snap. A lot of gamers and other artists use the Isometric paper for many different purposes. Some use it for drafting and Solidworks class, others in making maps for rpg games or even for general drawing or calligraphy. It works for whatever purpose you'd like it
