Online Library Functional Skills Ict Level 2 Summative

This report from the Home Affairs Select Committee cautions the Government against introducing measures which could damage the UK's thriving educational export sector. The Committee remains concerned that a number

Online Library Functional Skills Ict Level 2 Summative

of the Government proposals could have serious unintended consequences. International students make up 10% of first degree students and over 40% of postgraduate students at UK universities. The international

Online Library Functional Skills Ict Level 2 Summative

student market, estimated to be worth £40 billion to the UK economy is a significant growth market and the UK is the second most popular destination in the world for international students.

The Committee's findings include:

Online Library Functional Skills Ict Level 2 Summative

the importance of the Post-Study
Work route in attracting students
to the UK and disagrees with the
Government proposal to close it; it
suggests alternatives to the
Government's proposals on
language requirements,

Online Library Functional Skills Ict Level 2 Summative

specifically a permanent change to the parameters of the student visitor visa so that it can be used as a viable route for all of those attending pre-degree programmes; it supports the Government's proposals to

tighten the accreditation of language schools but is concerned that Government approval of the current accreditation bodies has lapsed. The Committee calls for a single streamlined accreditation system

Online Library Functional Skills Ict Level 2 Summative

and agrees that any cap on student visas is unnecessary and undesirable; the Committee also notes that progress has been made on closing down bogus language schools and supports the Government's intention to
