

Futhark Handbook Of Rune Magic Edred Thorsson

Reveals the ancient oracle based on the runic Elder Futhark alphabet of the Norse.

This book reveals, for the first time in the English language, the long hidden secrets of the German rune magicians who practiced their arts in the beginning of this century. Most of their work has been unavailable even in German for several decades. Sexual runic procedures, runic dance, yoga, gestures and more are covered in this well-researched book.

From divination to magic--a beginner-friendly guide to runes Discover a simple way to unlock the ancient power of runes. Digging deep into both history and mythology, The Beginner's Guide to Runes serves as the perfect starting point for anyone interested in exploring these ancient and magical symbols Focused around the Elder Futhark (the oldest runic alphabet), this informative book offers a simple and effective path to bringing runes into your day-to-day life. Whether you want to gain insight into the future through divination or creating protective talismans, straightforward and concise instructions make them simple to understand. The Beginner's Guide to Runes helps you: Explore the Elder Futhark--Get a complete breakdown--including meanings, magical uses, and more--of all 24 runes that make up this archaic alphabet. Seek guidance--Learn how to practice the art of runic divination--a fortune-telling technique that calls on runes to provide insight into the future. Master magic--From creating runescripts (straight-line arrangements) to bind runes (2 or more combined into a single symbol), find out how this mystical script can be used to bring change to your world. Read it in the runes--this book is the easiest way to get started with this unique form of magic.

Dealing with all aspects of rune magic, from its origins to the present day, this book details the use of runes in the Anglo-Saxon, Viking and medieval periods. Illustrated with actual examples, the book covers the use of runes in divination, magic talismans, tools and weapons, martial arts, personal protection and healing. It also contains an account of runic numerology.

Their Uses in Divination and Magick

The Runes: A Human Journey

Highlights the feminine origin of the runes in the context of an immersive course in rune practice. Using inquiry and original translations alongside traditional rune poems and sacred art, Wild Soul Runes invites readers to develop their own wisdom connection with the runes through practice. The book is based on the premise that all of us possess the ability to receive divine information through rune practice. Rather than telling the reader what the runes mean, author Lara Velede Vesta shares an interactive practice for readers to discover the unique ways the runes speak to them. The book covers the history of the runes, both in myth and through the connection with Old European archaeological findings. This history offers evidence for the idea that the runes have a feminine origin, coming from the well of the Norns, the female triple giantesses who represent the fates in Norse myth. It introduces the concept of the runes as beings rather than simply an alphabet or magical tools. The purpose of Wild Soul Runes is to create a relationship with these beings through ancestral connection, personal gnosis, and ritual practice. Readers will learn how to: Make a rune altar Develop a daily ritual practice with the runes Honor the Germanic/Anglo Saxon wheel of the year Craft a rune set and rune ceremonies for divination v

Runes are the ancient Norse alphabet used for communication, divination, and magical

work. Here, American runologist Edred Thorsson provides an in-depth guide to the world of runes for beginners and enthusiasts alike. Thorsson's presentation of this powerful system provides a valuable tool for self-development and spiritual transformation. The Big Book of Runes and Rune Magic: Introduces the 24 runes of the Elder Futhark along with their definitions and mystical properties Explores the historical lore of runes using archaeological evidence to explain where the runes come from, what they mean, and how they evolved Reveals the hidden lore and esoteric dimension of runes, looking at the cosmology of the Old Norse to explain the role runes played and how they were used over time Includes specific sections on rune magic and divination, rune poems, and runic numerology, as well as instructions on how to make your own runes and imbue them with numinous power, arrange the optimum setting for a rune reading, and prepare yourself psychologically and spiritually for casting the runes This book includes material from the author's previous books Futhark, Runelore, and Runecaster's Handbook.

The runes are said to have "revealed themselves" to von List, uncovering a complete cosmology and esoteric understanding of the primeval Teutonic/Aryan peoples, and becoming the cornerstone of his ideology. No other work so clearly and simply sets forth the full spectrum of von List's fantastic vision of a mystical philosophy based on Germanic principles.

Have you always been curious about the mysteries surrounding the Norse Futhark runes? Do you believe that learning how to read runes will help you make better decisions? Do you need a refresher on how to cast your runes and read them? If you answered yes to these questions, you have found the right book! There are several ways runes can help make your life a lot easier, and learning how to use them is almost like having your cheat sheet to life. This book will teach you everything you need to know about runes - their mythical origins, the Norse legends surrounding them, and background on the Norse deities that lend their powers to the runes. In this book, you will: Discover the pantheon of the Norse gods and goddesses Learn how to make your own set of runes Find out what to look for when you're buying runes Identify the names of all the Elder Futhark runes and what they represent Learn how to prepare your runes for your first use Discover how to invoke the powers of the runes Get advice on how and when to cleanse and recharge your runes Increase your perception and intuition to make your readings more accurate See examples of how to create your own layouts Master the art of reading your runes and figuring out the answers Discover the mystery behind the enigmatic Blank Rune Learn rune poems and how to make your readings more powerful And so much more! Helped by this book, you can go from knowing absolutely nothing about runes to becoming a formidable rune reader. Even though the ancient Norse are no longer of this world, their culture and practices still live today. Download your copy of this book now, and you will be transformed into a great runemaster quickly.

Understanding, Casting, and Interpreting the Ancient Viking Oracle

Taking Up the Runes

This complete guide shows you how to: make your own runes; load the rune with harmonious power; prepare the optimum setting for a rune reading. Includes general rune meanings, divination tables, the positive and negative aspects of each rune, its linguistic component and phonetic value, runic layouts, and sample readings. By the author of the best-selling, Futhark: Handbook of Rune Magic.

A project long in demand, Rune-Song consists of unique contents not available in previous publications. All the rune poems are recited in their original languages.

Instructions for pronouncing ancient Germanic, Old English and Old Norse are also included. This also contains a complete operative system of vocal rune magic, or galdor, previously unrevealed.

Discusses the origins and meanings of runes, and their use in magic, ritual, amulets, and divination

This guidebook will help you discover the oracular nature of the runes and how to use them as a magickal tool for insight, protection, and luck.

Simple Divination and Interpretation

The Nordic Book of Runes

Runes for Beginners

Wild Soul Runes

A Down-to-earth Guide to the Runes

A Handbook

This is the first and only book (which I am aware of) that is exclusively dedicated to a comprehensive system of bind runes created from the Elder Futhark! At a glance, it provides the following: * Easy-to-read and easy-to-use information with no expert rune knowledge required * Contains 24 black and white Elder Futhark bind runes, each with an unique stanza * Discusses the bind runes as active tools for magick, spiritual and/or self-empowerment rituals * Guidance on the purpose and use of each bindrune * Designs include additional western alchemical elements as well as a novel alchemical symbol of my own design My studies into the Elder Futhark, which have fascinated me since childhood, have been converted into a coherent system of bindrunes for everyday use without the requirement of expert knowledge. I have named this bindrune project; the Celestial Rune Sigils. It started as a set of magickal tools with which to facilitate self-improvement through the exploration of spirituality. Subsequently, I have transformed the bindrunes into a set of 24 black and white sigils, representative of their origins from the 24 Elder Futhark Runes. The sigils were initially featured on the Celestial Rune Sigils oracle deck (more details on my website) and now they have been converted into book format as well! In this book I provide guidance on the crafting, uses and invocation of the Celestial Rune Sigils. These sigils are not merely meant for use in divination, but rather they have a more active role with each sigil having a specific intention and contribution towards metaphysical, spiritual and magickal rituals. Therefore, the Celestial Rune Sigils are not only restricted to tarot readers or oracle enthusiasts. They have been created for the larger metaphysical community and would be of special interest to our energy

workers and magick wielders. They are appropriate for most ages, including the very young and those who are wiser, since they can be used for both personal rituals and to assist clients during various healing and/or magick sessions. The Celestial Rune Sigils represent a metaphysical, spiritual or magickal toolbox, with each sigil representing a different metaphysical tool. Each sigil can be used in this way, much as one would use a wand, crystal or other spiritual tool. There is a lot of freedom as to how precisely to apply each card and I hope that the practitioners who make use of this book will find their own intuitive ways of applying each of the sigils during their spiritual journeys and magickal rituals. I appreciate any feedback, comments and/or reviews about this book as I am constantly striving to improve on the system and to make it relatable to all my fellow rune enthusiasts!

Translation of the classic early 20th century German manual of rune-magic written by Siegfried Adolf Kummer with an Introduction by Edred Thorsson.

A practical handbook to the history, exercises, and techniques of German rune work • Explores the four traditional runic systems: the Older Futhark, the Anglo-Frisian Futhorc, the Younger Futhark, and the Armanic Futhork • Details powerful rune work techniques and exercises, including rune yoga and dance, runic hand gestures (mudras), rune singing (mantras), runic healing, runic tantra and sex magic, rune rituals, runic divination, and the runic theory of crystals • Examines the history of esoteric runology and the trailblazers of modern rune magic, including Guido von List, Friedrich Bernhard Marby, and Rudolf John Gorsleben Although the rune renaissance began blossoming in Anglo-American occult circles in the 1970s, the runes have been part of the occult revival in Germany since its beginning in the late 19th century, with roots that go back centuries further. Exploring the history of esoteric runology and the work of the trailblazers of modern rune magic, including Guido von List, Friedrich Bernhard Marby, and Rudolf John Gorsleben, author Edred Thorsson details the secret practices and runic systems of the German rune magicians, including techniques for using runes in unprecedented ways to draw power into your life. Thorsson explores all four of the traditional runic systems: the Older Futhark (24 runes), the Anglo-Frisian Futhorc (29-33 runes), the Younger Futhark (16 runes), and the Armanic Futhork (18 runes), developed by Guido von List. The author explains the similarities and differences between them as well as how they are all facets of the same underlying runic reality. He examines the early history and possible origins of runic symbols and systems, the renaissance of rune magic from 1919 to 1935, the effects of the Third Reich and Nazis on the runic revival, as well as the reemergence of German runology after World War II. Providing an extensive practical section, Thorsson details powerful runework techniques and exercises, including rune yoga and dance, runic hand gestures (mudras), rune singing (mantras), rune yodeling, runic healing, runic tantra and sex magic, group rites with runes, and two powerful methods of engaging transpersonal powers: the Ritual of the Ninth Night and the Ritual of the Grail Cup. He also explores runic divination, the runic theory of crystals, runic symbolism in medieval German buildings, and runic material from the documents of the Fraternitas Saturni, the Brotherhood of Saturn. By immersing yourself in the world of the runic pioneers and the practices they designed, you will emerge with a deeper understanding of runes as well as the magical world from which they emanate.

Asking where the runes come from is a bit like asking in what year did Adam and Eve leave the Garden of Eden? Yet, they are connected questions. Linguistically, runes come from Phoenician roots that split into Greek and Italic to eventually form the runes with Hebrew and Arabic on the other side of the family tree. This is the Indo-European Family of Languages. The languages and the stories they tell are connected at the core and this book attempts to weave them back together. Mythology that is equally as ancient is essential to understanding the runes. You will find the stories of Norse mythology, Eastern philosophy, and even Native American traditions fleshed out in the Glossary of this book. Because it is all connected.

Odin's Gateways

The Well of Wyrð

Runes and Magic

ALU, An Advanced Guide to Operative Runology

The Big Book of Runes and Rune Magic

A guide to the secrets of rune-reading, an ancient predictive art, that teaches you how to lay out runes and interpret them instantly. Once the sacred alphabet of the Germanic people of Northern Europe, runes are more than 2,000 years old. Runes (meaning a secret or mystery) were words of power, once carved on amulets, rings and weapons, and found as inscriptions on tombstones. The 1st rune, Fehu, is connected with cattle, and since wealth was measured in the number of cows a person owned, it has an underlying meaning of material wealth. The 11th rune, Isa, literally means 'ice', signifying danger and the probability of slipping up. Likewise, the 17th rune, Tiwaz, shares its significance with the North Star as an aid to navigation and charting life's path. In this insightful book, each of the runes is fully described, together with the symbolic images and celestial phenomena associated with them. Methods of laying out, or 'casting' the runes are described in order to give a full and comprehensive reading to answer any question. There are six spreads to choose from, from Odin's Rune, a simple reading with one rune stone, to using up to nine runes for deeper insight into the past, present and future.

Infused with Norse mythology, the Futhark runes still serve as a vital key to the cultural heritage of the Icelandic people. Runes: The Icelandic Book of Futhark introduces three different but related forms of runic systems in a chronological order: the Elder Futhark, the Younger Futhark and the Icelandic Futhark.

Futhark A Handbook of Rune Magic Weiser Books

Norse Runic Magick, The Meaning of the Futhark Runes Brittany Nightshade, the author of the popular "Book of Shadows" spellbook series, has released this Runic Handbook for those who would like a compact resource detailing the Elder Futhark Runes and their meanings. This simple beginners handbook is a great reference guide for anyone wanting to familiarize themselves with the meaning behind the Futhark Runes for purposes of Divination, Rune Magick, etching, or if you just want to learn more about these ancient Norse symbols. The runes are the written letters that were used by the Norse and other Germanic peoples before the adoption of the Latin alphabet in the later Middle Ages. Unlike the Latin alphabet, which is an essentially utilitarian script, the runes are pictographs of some of the most powerful forces in the cosmos. In fact, the word "rune" and its cognates across past and present Germanic languages mean both "letter" and "secret/mystery." The letters called "runes" allow one to access, interact with, and influence the world-shaping forces they symbolize. Thus, when Odin sought the runes, he wasn't merely attempting to acquire a set of arbitrary representations of human vocal sounds. Rather, he was uncovering an extraordinarily potent system of magic. The Runic Handbook covers all 24 Futhark Runes and has a section on common Nordic symbols and their meanings including the Vegvisir, Mjolnir, Yggdrasil, The Valknut, The Helm of Awe, and The Triple Horn of Odin. In the back of the book are large images of each Rune and Symbol with a blank backside for each image so you can write your own notes or even create your own Rune Magick Rituals.

Norse Runes Handbook

Esoteric Rune Magic

This follow-up to the classic Futhark breaks new ground by applying current scientific theories on how magic works in traditional societies to the world of practical magic. ALU, An Advanced Guide to Operative Runology contains completely new and fresh descriptions of all the individual runes based on traditional sources, rune-poems, Old Norse literature, and more. Thorsson one of the most respected runic scholars living today, synthesizes the old and the new, the scholarly and the practical, and brings the use of runes in magical work to a new level in ALU, An Advanced Guide to Operative Runology. ALU features: Practical magic Divination practices Reveals new techniques and methods How modern English can be used in the creation of runic writings

The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.

Unlock the Secrets of Your Past, Present, and Future Connect with your intuition, discover more about your personality, and solve problems using the power of runes. With professional fortune-teller Alexandra Chauran as your guide, you can learn how to ask for and interpret the answers to your biggest life questions concerning love, your career, health, and many other important topics. A solid reference for both beginners and adepts, Runes for Beginners covers everything from rune meanings and memorization techniques to making your own runes. With help from diagrams, practical exercises, and phonetic breakdowns for all the runic letters, you'll develop a path most beneficial to your goals and improve your life. You'll even uncover traits about yourself that you may have never known.

Originally published in 1986, based on the author's 1984 doctoral dissertation, this volume has become the leading academic study of the topic of rune-magic. When originally released only 250 copies of this work were printed in a prohibitively expensive edition. This new revised and updated version allows more readers to discover the revolutionary contents of this book which presents a comprehensive history and theory of the concept of magic in connection with the ancient Germanic runes. It also catalogs, categorizes and analyzes the many magical formulas used by the most ancient rune-masters and shows how these formulas were utilized within the traditional Germanic cultural frame of reference. No matter what your level of interest is in the runes, this is the most in-depth text you will find. This is the third edition of this masterpiece, with numerous corrections.

The Secret Practices of the German Rune Magicians

Secret Practices of the German Rune Magicians

Reawakening the Ancestral Feminine

No description available.

The Rune Book is the culmination of years of researching and working with runes. The book was written with the practicing heathen in mind, but the knowledge contained within will be of use to anyone who seeks to know the mysteries of the runes. The authors go back to the existing primary sources on the runes, and they

explore what is contained in these manuscripts in the context of the heathen belief system in which they were formed. Evidence from the original sources is expanded through the use of comparative linguistics, history, runology, and archaeology in order to get a firmer grasp of the concepts that lie behind the runes themselves. The Rune Book has a firm basis in academic study, as evidenced by its extensive bibliography; however, its real strength is the working knowledge of our faith that further informs the authors. It is this understanding that the authors have sought to share with the publication of The Rune Book, and it is certain to bring about a better understanding of the runes for those who read it.

Runes are the ancient Norse alphabet used for communication, divination and magical work. In Futhark, American runologist Edred Thorsson introduces readers to the 24 runes of the Elder Futhark, their definitions and their mystic properties. The runic system of magic and mysticism is one of the most powerful forms of metaphysical thought available to the western world. This bestselling classic book on Runes continues to be required reading for those who seek true knowledge of the mystery of the Runes. Thorsson's presentation of this powerful system is lucid and profound and provides a valuable tool for spiritual transformation and self-development.

An essential introductory guide for anyone who wishes to use the runes for divination, personal guidance, and magic. Runes have an undeniable mystery and allure. To many people they are beautiful objects, a set of symbols of enigmatic meaning. In fact, the word rune comes from the Norse word *runa*, meaning "secret." On the surface, they make up an ancient alphabet known as the Futhark that has come down to us through the ages from the ancient Northern Traditions of Europe. But they are so much more. Runes contain magical energy that can be activated for positive and powerful change in our lives. Reading the Runes takes you back to the runes as they existed in the neo-pagan cosmogony and their birth in the World Tree, Yggdrasil. Author Kim Farnell discusses the history and mythology of the runes, as well as the link between the runes and the gods. She includes the four ancient rune poems from which humankind received the meaning behind each rune. Reading the Runes includes the official rune course material for the British Astrological and Psychic Society. The author offers practical advice for making and energizing your runes, she suggests numerous traditional rune spreads to suit a variety of purposes, and she explains rune combinations within readings.

How to Interpret Runes, Rune Lore, and the Art of Runecasting

Divination and Magic with the Elder Futhark Runes

The Secret of the Runes

A Practical Guide to Rune-Galdor

The Rune Primer

Many people are turning to the runes (or futhark) because they offer immediate, practical help for day-to-day affairs. Esoteric Rune Magic enriches the runic tradition by revealing the secret of how to astrally project into the runes. No magical tools are required -- use the practices and meditations described here to develop your spirituality in your own way.

Everything You Need to Know to Begin Working With Runes The enigmatic nature of the runes is undeniable. In fact, the English word "rune" comes to us from the Norse word *runa*, which means "a secret," or "to whisper." As symbols, the runes mean little to the untrained eye, yet

the magical energies they activate can be used for positive, impactful change in your everyday life. But what are runes, exactly? On the surface level, runes are the characters in a writing system used by the ancient Germanic peoples of Europe. But unlike our modern letters, the runic symbols had been used for magical purposes long before they were fashioned into an alphabet. This is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries. Indeed, those who work with the runes today are taking part in an age-old magical tradition established by our Northern European pagan ancestors. In *Runes for Beginners*, best-selling author Lisa Chamberlain shines the light on these ancient symbols, showing you how to discover and utilize their unique magical energies. With both an eye toward tradition and a multicultural spirit, Lisa combines an appreciation for the Germanic roots of the runes with a more eclectic Neopagan approach. Unlike many other books on the topic, *Runes for Beginners* is completely accessible to those with no experience in Northern European magical traditions, yet it doesn't ignore those traditions altogether. You will emerge from this guide with a basic understanding of the runes' role in ancient Germanic paganism, as well as a solid foundation of knowledge to build your own runic practice, regardless of your religious or spiritual path. Foundations in Runic Magic and Divination The runes represent various aspects of the human experience of the Universe—both tangible and intangible. Each runic symbol embodies a natural force, or type of energy, which the rune worker can attune to and then manipulate in various ways. Runes can be sent out into the Universe to manifest a magical goal, or they can be used to consult with the unseen realms about a situation at hand. In *Runes for Beginners*, you'll learn all you need to know to start working with runes, including: The history of the runes and their role within the framework of the Germanic magical worldview The origins of runic wisdom in Norse mythology An overview of the Elder Futhark, the oldest-known runic alphabet and most widely used rune system in contemporary Neopaganism Basic techniques of rune magic, including rune scripts, bind runes, and creating runic talismans How to make your own runes Instructions for traditional rune-casting as well as contemporary rune spreads Tips for successful divination The divinatory meanings and magical uses of each rune in the Elder Futhark A suggested reading list for further exploring the runes and the magical and spiritual traditions of the ancient Germanic peoples Detailed tables of correspondence for a handy condensed magical and divinatory guide By the end of this guide, you will have a working knowledge of the runes that will enable you to use them with confidence in magic and divination. However, when it comes to truly mastering the runes, the importance of time and practice can't be emphasized enough. Indeed, working with runes can truly become a lifelong journey, but *Runes for Beginners* is an excellent first step along the way. If you're ready to start exploring the runes for yourself, just scroll to the top of the page and hit the Buy button!

Describes the history of runes, suggests reasons for their invention and use, and shows examples of runic inscriptions on pottery, boxes, and memorial stones

An accessible, in-depth exploration of the runes as a living spiritual tradition. Diana Paxson has distilled her many years of experience working with the runes into this essential source book. Readers will learn the historical meaning of each individual rune and its use and meaning now, in contemporary culture. But, Paxson reveals, the real power of the runes comes from internalizing them and using their symbols as sources of wisdom and power. At the end of each chapter are rituals and spells for all levels of ability that aim to help internalize the attributions, meanings, symbolism, and use of the runes. Everything regarding runes is covered in this definitive workbook, from the history of runes and how to make your own rune sets, to how to work with them on a psychic, spiritual, and magical level.

Runes

The Book of Runes, 25th Anniversary Edition

The Rune Book

The Druid Magic Handbook

The Magic, History, and Hidden Codes of the Runes

"The runes you must find ... Which the mighty sage stained and the powerful gods made and the runemaster of the gods carved out." (The Poetic Edda, translated by C. Larrington) The runes are mysterious and powerful magical keys to the primal forces of nature that shaped Norse and Northern European culture. These twenty-four unique and inspiring symbols of the Elder Futhark (first runic alphabet) each possess powerful energies, identities, meanings, and sounds. The runes are invoked and harnessed to create change through inspiration, healing, protection, knowledge and divine wisdom from the Norse gods. Odin's Gateways is a practical guide to using the runes in our lives, in magic and in divination - a unique journey into the mysteries hidden within the runes, filled with the information and practices necessary to developing a deep personal understanding and relationship with them. By focusing on how to directly harness and channel the energy of the individual runes, the author guides the reader along the path to self knowledge and empowerment. With a deft hand and lucid style, Katie Gerrard cuts to the heart of the runes, combining the wisdom of the Norse Sagas and Rune Poems with practical advice and techniques gained through living and experiencing their powers. The divinatory meanings of the runes are given, with a range of different reading methods; bindrunes are explained in detail, with numerous examples presented ready for use; galdr (incantation) and spellcraft, charms and talismans are all seamlessly explored and made accessible in this fluid, concise and practical guide.

A new, updated edition of the essential guide to the practice of the runes as a magical tool for spiritual development. In Futhark, rune master Edred Thorsson reinitiates us into our heritage, explaining the mysteries of a profound system of thought and practice that underlies our developing Western culture. Futhark covers both the spiritual heritage of ancient runic lore and the practical steps we can take to draw on rune power. This complete book of rune instruction includes rune history and lore, its basis in metaphysical thought and mysticism, complete definitions of the twenty-four runes of the Elder Futhark, and the etymology, phonetic value, and interpretation of each rune. The reader will learn how to perform chants and rituals using runic energy, how to sign and send runes, and how to practice runic meditation. The author's presentation of this powerful system is lucid and profound, and provides a valuable tool for spiritual transformation and self-development.

Runework authority and author Edred Thorsson, explores the riddle of the runes. Combing historical lore with a detailed investigation, Runelore focuses on the esoteric aspects of the runic tradition. In Part One, Historical Lore, Thorsson uses archaeological evidence to explain where the runes come from, what they mean, and how they evolved. In Part Two, Hidden Lore, he takes a more psychological view of the runes and looks at the entire cosmology of the Old Norse to explain the role runes played and how they were used over time. Included are specific sections on rune magic and divination, rune poems, runic numerology, and concise explanations of the mysteries of the 24 runes. Reprinted with a newly designed cover, Runelore offers a complete picture of the Runes.

Futhark

Reading the Runes

A Beginner's Guide

Practical Secrets of the Northern Grimoires

Runelore

Ritual Magic Rooted in the Living Earth

A practical guide to the magical systems of pre-Christian Iceland • Reveals spells and

workings drawn directly from surviving magical books from the 16th to 20th century preserved at the National Library in Reykjavík • Explores the history of magic in Iceland through original translations of Icelandic folktales about famous magicians and about legendary grimoires, such as the *Galdrabók*, the oldest and most complete book of its kind • Explains how to personalize the spells through the creation of unique signs and symbols based on the mythic names of Odin and Icelandic magical alphabets During the Christianization of Europe in the Middle Ages, many books of magic were lost as the ancient pagan traditions were suppressed. But in Iceland the practice of recording magical spells in books continued in secret for centuries, on a scale not seen elsewhere. Now housed in the National Library in Reykjavík, these surviving grimoires, which represent only a hundredth of what was lost, reveal a rich magical tradition that continued to evolve into the 20th century. Drawing directly from the actual surviving Icelandic books of magic, Stephen Flowers presents a complete system of magic based on Icelandic lore and magical practices from the 16th century onward. He explores the history of magic in Iceland in pagan and early Christian times and reveals specific practical techniques and ritual templates that readers can adapt to their unique purposes. Illustrating traditional Icelandic magical practices and the Icelanders' attitudes toward them, he shares original translations of Icelandic folktales about famous magicians, such as the legend of Gray-Skin, and about legendary grimoires, such as the *Galdrabók*, the oldest and most complete book of its kind. After initiating the reader into the grammar and symbols of Icelandic magic through history and lore, Flowers then presents an extensive catalog of actual spells and magical workings from the historical Icelandic books of magic. These examples provide ready-made forms for practical experimentation as well as an exemplary guide on how to create signs and symbols for more personalized magical work. The author also includes guidance on creating unique magical signs from the 100 mythic names of Odin, which he translates and interprets magically, and from Icelandic magical alphabets, symbols that connect Icelandic magic to the ancient runic tradition.

A celebration of the best-selling new-age classic contains an expanded and refined explanation of the runic system, additional commentary, and a new author introduction, in an anniversary edition that shares new insights into using runes as an insightful self-help tool. 50,000 first printing.
