This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A must-have resource for any K-12 classroom teacher, Teaching Vocabulary in All Classrooms, 5/e presents a comprehensive framework for seamlessly and effectively incorporating vocabulary into everyday classroom instruction across all content areas. Respected literacy researchers and educators Camille Blachowicz and Peter J. Fisher provide fresh and current ideas for implementing best-practice vocabulary research and classroom-tested strategies for beginning as well as experienced teachers who want to build or revitalize their curriculum. This new edition retains the most popular features of the earlier edition and now includes: new and expanded ideas for teaching academic vocabulary, new resources such as learner's dictionaries for spelling and morphology instruction for older students, expanded coverage of vocabulary instruction for diverse students, particularly English language learners and struggling readers, and an emphasis on connections to the Common Core State Standards.
