Frankie Landau-Banks at age 14: Debate Club. Her father's "bunny rabbit." A mildly geeky girl attending a highly competitive boarding school. Frankie Landau-Banks at age 15: A knockout figure. A sharp tongue. A chip on her shoulder. And a gorgeous new senior boyfriend: the supremely goofy, word-obsessed Matthew Livingston. Frankie Landau-Banks. In the early days of swing dancing, Frankie Manning stood out for his moves and his innovative routines; he created the "air step" in the Lindy hop, a dance that took the U.S. and then the world by storm. In this fascinating autobiography, choreographer and Tony Award winner (Black and Blue) Frankie Manning recalls how his first years of dancing as a teenager at Harlem's Savoy Ballroom led to his becoming chief choreographer and a lead dancer for "Whitey's Lindy Hoppers," a group that appeared on Broadway, in Hollywood musicals, and on stages around the globe. Manning brings the Swing Era vividly back to life with his recollections of crowded ballrooms and of Lindy hoppers trying to outdo each other in spectacular performances. His memories of the many headliners and film stars, as well as uncelebrated dancers with whom he shared the stage, create a unique portrait of an era in which African American performers enjoyed the spotlight, if not a star's prerogatives and salary. With collaborator Cynthia Millman, Manning traces the evolution of swing dancing from its early days in Harlem through the post-World War II period, until it was eclipsed by rock 'n' roll and then disco. When swing made a comeback, Manning's 30-year hiatus ended. He has been performing, choreographing, and teaching ever since.

From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino—a tin-ceilinged, brick-walled restaurant in Brooklyn ' s Carroll Gardens—for food that is “ completely satisfying ” (wrote Frank Bruni in *The New York Times*). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook—from small bites including Cremini Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. A coming of age story of two American sisters in Hong Kong during the late 1960s. "A haunting novel written with the craft and grace of a master" (Isabel Allende). Summer 1967. The turmoil of the Maoist revolution is spilling over into Hong Kong and causing unrest as war rages in neighboring Vietnam. White Ghost Girls is the story of Frankie and Kate, two American sisters living in a foreign land in a chaotic time. With their war-photographer father off in Vietnam, Marianne, their beautiful but remote mother, keeps the family nearby. Although bound by a closeness of living overseas, the sisters could not be more different—Frankie pulses with curiosity and risk, while Kate is all eyes and ears. Marianne spends her days painting watercolors of the lush surroundings, leaving the girls largely unsupervised, while their Chinese nanny, Ah Bing, does her best to look after them. One day in a village market, they decide to explore—with tragic results. In Alice Greenway's exquisite gem of a novel, two girls tumble into their teenage years against an extraordinary backdrop both sensuous and dangerous. This astonishing literary debut is a tale of sacrifice and solidarity that gleams with the kind of intense, complicated love that only exists between sisters. "Greenway is a remarkable young writer who vividly evokes Hong Kong's sights, smells, and sounds in poetic, finely detailed prose. What's more, she seems to have remembered every single charged emotion from adolescence and filters them all through the sisters' fierce, complex relationship. A heartbreakingly beautiful debut." —Booklist, starred review
