

Garden Journal Template

Do you always remember when to sow, prune or harvest your plants? Where you bought your seeds or plants? What garden tasks should be done when? What techniques you used that were successful or failed? Unless you have a photographic memory, it's impossible to remember everything you need to grow a healthy productive garden, year after year. If you want a healthy and productive garden, keeping a gardening journal is essential. Our Gardening Journal is designed to be: VERSATILE AND PERSONAL: Whether you use your Gardening Journal to improve your successes and get more enjoyment from your garden, or to hand down to your family or the next property owner, this tool can become the most valuable reference guide you can own. Each garden is unique and there are no rules in what you'd like written in your journal. All you have to do is be observant and document what you see. USEFUL AND EASY TO USE: If you want to minimize mistakes and maximize successes and enjoyment in your garden, being observant and recording what you see is essential. It can help you document successes, challenges and is the most valuable reference guide you can own. A NOTEBOOK BUILT TO LAST- We want your journal to last a long time so you can always look back on your previous entries without the worry that it will fall apart. The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. WELL-CRAFTED INTERIOR- We only use thick, white paper to avoid ink bleed-through. The lines and words are clearly printed to make it easy to fill out and to cross reference. PERFECT SIZE- With its 21.59 x 27.94 cm (8.5" x 11") dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. Handy and accessible, it's the perfect companion in your garden observation. COOL COVERS!- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Use our Garden Journal to maintain and keep track of all your gardening activities to grow a more productive and healthier garden. Plus, keeping a garden journal can save you money, time and effort. It's never too late to start, get a copy now!
