The book, OLSAT Practice Test is designed for Kindergarten and 1st grade students. Apart from providing tools to prepare children for the standardized gifted and talented exams, we also want to make sure that the exercises are fun and attractive. We use colorful pictures and interactive matching exercises to help children learn the necessary ideas for the test. Early education plays a significant role in the child's attitude towards learning for the rest of his or her life. When they are young, children are naturally curious and desire to explore everything. Many states in our country have created special gifted and talented programs to allow children access to a more vigorous education. To accept students to the programs, most school systems require children to take tests. The OLSAT is one of the most common tests used across the country for entry into gifted and talented school programs. The test is designed to assess Verbal Comprehension, Verbal Reasoning, Pictorial Reasoning, Figure Reasoning, and Quantitative Reasoning. Our goal is assist you in your journey to supporting the motivation, learning and development of your child. This books is a great resource for students who are planning to appear for the OLSAT test for getting into Grade 5 or Grade 6. This book include one full length practice tests. This book also includes useful tips for preparing for the OLSAT test. Our goal is been authored by experienced professional, verified by educators and administered to students. Why use our test prep materials? Our goal is to provide you with the best gifted and talented workbooks and materials, and the very best value for your money. We created our gifted and talented workbooks and practice tests because, as a tutoring company, we could not find enough good practice material to effectively prepare our students for gifted and talented exams. As tutors and teachers, we have used the various test prep books and we have found them to either have an incorrect difficulty level (too easy) or to be very expensive. After studying original materials from test creators and testing them on children, we believe our materials and tests adequately prepare students to do their very best on the NNAT test.
