

Gedigte Vir Graad 12 2013

Amy Buswell and Bruce Lansky's *Giggle Poetry Reading Lessons* turns struggling readers into happy readers — For Grades 2–5. Many struggling readers are embarrassed to read aloud. They are often intimidated or bored by texts that conventional programs require them to practice. So, instead of catching up, they fall further behind. Currently 67% of American fourth graders can't read grade-level text. Reading specialist Amy Buswell has spent eight years looking for remediation methods that work. “What is needed,” Buswell explains, “is a program that improves the motivation of struggling readers, because that accounts for 90% of the problem.” Four years ago, Buswell came up with a brainstorm. She knew her best readers enjoyed reading Bruce Lansky's poetry books for pleasure. The more poems they read, the better the reading got. Why not use Lansky's kid-tested poems as texts struggling readers could practice on to improve their reading—using six research-based strategies: choral reading, echo reading, paired reading, repeated reading, sustained silent reading and “say it like the character” reading. — This book is the result of that brainstorm and the resulting collaboration between Buswell and Lansky. It gives teachers and parents everything they need to help children improve their reading: -35 kid-tested poems by Bruce Lansky -35 customized reading lessons by Amy Buswell -35 off-the-wall illustrations by Stephen Carpenter -35 sets of zany performance tips by Bruce Lansky ...all of which is designed to make the process of reading improvement more like fun than work. — What Amy Buswell and Bruce Lansky have created is the most entertaining fluency intervention ever. That's why it is so successful at overcoming negative attitudes to improve reading skills and scores. Ninety-five percent of participating students made significant improvement in their fluency (reading rate). And average reading scores on the Florida Comprehensive Assessment Test (FCAT) for Buswell's school raised her school's rating to an A for the first time. In 2011, Buswell's school achieved one of the highest-percentage reading gains in the county. — There's no reason parents can't get in on the fun, too. Parents will enjoy Lansky's funny poems and Stephen Carpenter's delightful illustrations as much as their children. By reading the poems with their children and encouraging their children to try some of Lansky's entertaining performance tips (by adding gestures, sound effects, props and finding additional readers: be they friends, family or neighbors), they can dramatically speed up their child's reading progress (and have lots of fun in the process.)

A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth ...

Kaaps as Afrikaanse omgangsvarieteit word deur verskillende outeurs vanuit diverse invalshoeke betrag. Die boek beslaan nege hoofstukke in twee afdelings wat onderskeidelike die taalkundigheid en die kontekstuele gebruike van Kaaps bekyk. Dis gebaseer op referate wat gelewer is by die eerste simposium oor Kaaps in 2012. Kaaps word in die boek voorgelou as 'n waardige, talig genuanseerde en lewenskragtige vorm van Afrikaans. Die ekonomiese potensiaal van Kaaps en die benutting daarvan as onderwys- en joernalistieke medium word ook bespreek. Onderwysersgids Sukses met verse in my inboks. Kaaps in Fokus

Glo jy in spoke? Is daar regtig allerlei bangmaakgoed wat in die nag rondloop? Maak dig toe die gordyne, klim in jou bed, trek die duvet styf om jou skouers ... en laat die 13 stories in hierdie boek jou koue rillings gee!

A hundred years ago, a small settlement sprang up in the Northern Cape. A rich diversity of people moved in, as the children were born, Vatmaar became a village. A. H. M. Scholtz tells of Oom Chai, who in turn tells of a Vuurmaak, who in turn introduces someone else. Thus a chain of stories is created interlinking the fates of unforgettable characters like Lance-Corporal George Lewis and his Tswana wife, Rush, Sis

Bet, Old Chetty, Hendruk, January, Tant Vonnie and her daughters as they recount tales of the Anglo-Boer War, the diamond diggings, court cases and stokvels: the tricksters and the tricked, marriages and funerals, love and betrayal. A Place Called Vatmaar is a panoramic novel: compelling, wise and humane.

This new anthology of Afrikaans poems accompanied by their English translations is an extended and revised edition of Afrikaans Poems with English Translations, edited by A.P. Grové and C.J.D. Harvey and originally published in 1962. Grové and Harvey's anthology gained a certain prominence in its time on which this anthology aims to build. It will also be a continuation of a specific tradition in Afrikaans literature, namely to collate the best and at the same time the most representative poems in an anthology.
