Federal

policymakers and

File Type PDF

General

Accounting

Auditing Manual

program managers are continually seeking ways to better achieve agencies' missions and program results, in other words, they are seeking ways to improve accountability. A key factor in helping achieve such

File Type PDF

General

Accounting

Auditing Manual

outcomes and  
minimize

operational

problems is to

implement

appropriate internal

control. Effective

internal control also

helps in managing

change to cope with

shifting

environments and

evolving demands

File Type PDF

General

Accounting  
Auditing Manual

and priorities. As programs change and as agencies strive to improve operational processes and implement new technological developments, management must continually assess and evaluate its internal control to

File Type PDF

General

Accounting  
Auditing Manual

assure that the control activities being used are effective and updated when necessary. The Federal Managers' Financial Integrity Act of 1982 (FMFIA) requires the General Accounting Office (GAO) to issue standards for

File Type PDF

General

Accounting  
Auditing Manual

internal control in government. The standards provide the overall framework for establishing and maintaining internal control and for identifying and addressing major performance and management challenges, and

File Type PDF

General

Accounting

Auditing Manual  
areas at greatest  
risk of fraud, waste,  
abuse and  
mismanagement.

This report explores  
the Five Standards  
for Internal Control  
as identified by

GAO for  
policymakers and  
program managers:

- Control

Environment - Risk

File Type PDF

General

Accounting

Auditing Manual

Assessment -  
Control Activities -  
Information and  
Communications -  
Monitoring These  
standards apply to  
all aspects of an  
agency's operations:  
programmatic,  
financial, and  
compliance.

However, they are  
not intended to limit

or interfere with duly granted authority related to developing legislation, rule-making, or other discretionary policy-making in an agency. These standards provide a general framework. In implementing these standards,

File Type PDF

General

Accounting  
Auditing Manual

management is responsible for developing the detailed policies, procedures, and practices to fit their agency's operations and to ensure that they are built into and an integral part of operations. Other related products:
