

Generals Die In Bed Chapter Summaries And Quotes Atar

The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that's as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.?-The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."-The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review
Meet Me on the Barricades is Harrison's most experimental work. The novel includes a series of fantasy sequences that culminate in a scene heavily indebted to the Nighttown episode in James Joyce's Ulysses (the novel was published a year before James Thurber's better-known short story, "The Secret Life of Walter Mitty"). The novel is also Harrison's only foray into satire—an especially unexpected turn given that the Spanish Civil War literary canon, and particularly works of literature written in the midst of the war, tend towards earnestness rather than irony. Harrison's novel is thus a unique book, significant for its self-consciousness as a modernist novel and as a political document. Out of print since its single publication run in 1938, this critical edition recovers Harrison's important commentary on the heated "culture wars" of the 1930s and the Spanish Civil War. With an original critical introduction and extensive textual and editorial notes, this edition draws on original archival research to situate the novel within the modernist and leftist North American canons. Meet Me on the Barricades is a densely allusive text that layers global politics, revolutionary theory, classical music, literary theory, world history, and anti-Stalinism, as well as emergent biological discourses about sex. It recounts a few days in the life of P. Herbert Simpson, a middle-aged, weak-hearted oboist with the New York Symphony Orchestra and leftist fellow traveller. Simpson is subject to wild hallucinations that are sometimes daydreams, sometimes drunken delirium, and on occasion intricate dreams while asleep. He imagines escaping his unrewarding marriage with a prudish, domineering wife through a passionate fantasy of a Russian girlfriend, and escaping his day job in the symphony to fight on the front lines of the Spanish Civil War.
A heartfelt account of poverty in Ireland and emigration to America. -- back cover.
"Light in August" by William Faulkner. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Memoir of a Childhood

Generals Die in Bed

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

The worldwide bestseller, Ender's Game by Orson Scott Card comes to the screen at last in a major motion picture event in November 2013. Starring Hugo's Asa Butterfield, Harrison Ford, and Ben Kingsley, the movie is sure to inspire a new audience of fans to read the book that started it all. Once again, Earth is under attack. An alien species is poised for a final assault. The survival of humanity depends on a military genius who can defeat the aliens. But who? Ender Wiggin. Brilliant. Ruthless. Cunning. A tactical and strategic master. And a child. Recruited for military training by the world government, Ender's childhood ends the moment he enters his new home: Battle School. Among the elite recruits Ender proves himself to be a genius among geniuses. He excels in simulated war games. But is the pressure and loneliness taking its toll on Ender? Simulations are one thing. How will Ender perform in real combat conditions? After all, Battle School is just a game. Isn't it?

"Powerful. . . . A candid, highly informative, and heartfelt tale of forgiveness between former fierce enemies in the Vietnam War." —St. Petersburg Times The #1 New York Times bestseller We Were Soldiers Once . . . and Young brought to life one of the most pivotal and heartbreaking battles of the Vietnam War. In this powerful sequel, Lt. Gen Harold G. Moore and Joseph L. Galloway bring us up to date on the cadre of soldiers introduced in their first memoir. Returning to Vietnam's Ia Drang Valley more than four decades after the battle, Moore and Galloway renew their relationships with ten American veterans of the fabled conflict—and with former adversaries—exploring how the war changed them all, as well as their two countries. We Are Soldiers Still is an emotional journey back to hallowed ground, putting a human face on warfare as the authors reflect on war's devastating cost. The book includes an Introduction by Gen H. Norman Schwarzkopf.

The shocking account of how a unit of average middle-aged Germans became the cold-blooded murderers of tens of thousands of Jews.

The book, "" Antiquities of the Jews; Book - XII "" , has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come

to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, ripplingly funny... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

American Military History provides the United States Army-in particular, its young officers, NCOs, and cadets-with a comprehensive but brief account of its past. The Center of Military History first published this work in 1956 as a textbook for senior ROTC courses. Since then it has gone through a number of updates and revisions, but the primary intent has remained the same. Support for military history education has always been a principal mission of the Center, and this new edition of an invaluable history furthers that purpose. The history of an active organization tends to expand rapidly as the organization grows larger and more complex. The period since the Vietnam War, at which point the most recent edition ended, has been a significant one for the Army, a busy period of expanding roles and missions and of fundamental organizational changes. In particular, the explosion of missions and deployments since 11 September 2001 has necessitated the creation of additional, open-ended chapters in the story of the U.S. Army in action. This first volume covers the Army's history from its birth in 1775 to the eve of World War I. By 1917, the United States was already a world power. The Army had sent large expeditionary forces beyond the American hemisphere, and at the beginning of the new century Secretary of War Elihu Root had proposed changes and reforms that within a generation would shape the Army of the future. But world war-global war-was still to come. The second volume of this new edition will take up that story and extend it into the twenty-first century and the early years of the war on terrorism and includes an analysis of the wars in Afghanistan and Iraq up to January 2009.

Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

This Republic of Suffering

A Portrait of the Artist as a Young Man is semi-autobiographical, following Joyce's fictional alter-ego through his artistic awakening. The young artist Steven Dedelus begins to rebel against the Irish Catholic dogma of his childhood and discover the great philosophers and artists. He follows his artistic calling to the continent.

When ten people arrive on private Indian Island off England's southwest coast, lured to a mansion by invitations from a mysterious host, terror mounts as one guest after another is murdered, in a classic whodunit that is an elaboration of the famous children's rhyme "Ten Little Indians." Reader's Guide included. Reprint. 100,000 first printing.

From the Author of Books Like: 1. The Sin of Monsieur Pettipon, and Other Humorous Tales 2. El malvado Zaroff 3. Delitto in mare 4. What Hol! 5. The Sin of Monsieur Pettipon 6. Apes And Angels 7. From Observables to Unobservables in Science and Philosophy 8. The Mad Lover About the Book: The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive. About the Author : Richard Edward Connell, Jr. was an American author and journalist, best known for his short story "The Most Dangerous Game." Connell was one of the best-known American short story writers of his time and his stories appeared in the Saturday Evening Post and Collier's Weekly. Connell had equal success as a journalist and screenwriter. He was nominated for an Academy Award in 1942 for best original story for the film Meet John Doe.

SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 Greece in the age of heroes. Patroclus, an awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles' s mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear.

Florence Nightingale: The Crimean War

The United States Army and the Forging of a Nation, 1775-1917

The 9/11 Commission Report

Lippincott's Textbook for Nursing Assistants

Rhythm of War

Johnny Got His Gun

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Florence Nightingale is famous as the "lady with the lamp" in the Crimean War, 1854—56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The Crimean War reports on Nightingale's correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale's efforts to achieve real reforms. Her well-known, and relatively "sanitized", evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

In Skills ManiaBob Davis argues passionately that the emphasis in the secondary school classroom must shift from a technocratic, skills-based approach, to teaching and discussion that focuses on real, substantive issues. He also calls for a new emphasis on the teaching of history, a practice that has been sadly lacking in recent years. Two central qualities warm up this book: first the story is told through the author's own teaching, and second, the author presents us with an original and frank point of view. This is a string, engaged, and practical book.

War and Peace

In the conclusion to the "Wheel of Time" series, all of humanity is in peril as Rand al'Thor moves forward to break the seals on the Dark One's prison and the Last Battle will determine the fate of the world.

Following the success of his #1 New York Times bestseller Make Your Bed, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory, including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. Sea Stories begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II-the place where a young Bill McRaven learned the value of a good story. Sea Stories is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling Make Your Bed, Sea Stories is a remarkable memoir from one of America's most accomplished leaders.

In the fifteenth-century kingdom of Brittany, seventeen-year-old Ismae escapes from the brutality of an arranged marriage into the sanctuary of the convent of St. Mortain, where she learns that the god of Death has blessed her with dangerous gifts--and aviolent destiny.

The main part of Polybius's history covers the years 264-146 BCE. It describes the rise of Rome to the destruction of Carthage and the domination of Greece by Rome.--From publisher description.

This Side of Paradise

The Most Dangerous Game by Richard Connell or The Hounds of Zaroff | Alltime Bestseller Book From the Author of Books Like: The Sin of Monsieur Pettipon, and Other Humorous Tales / El malvado Zaroff / Delitto in mare / What Hol!

An Introduction to the Philosophy of Education,

Death and the American Civil War

For Whom the Bell Tolls

And Then There Were None

A young soldier with the Canadian forces questions the meaning of heroism, of truth, and of good and evil as he describes life in the trenches during World War I.

Now in its Second Edition, this textbook prepares students to work as nursing assistants in long-term care, acute care, and home health care settings, and provides a firm foundation for advancement to an LPN and ultimately an RN role. The book is written in a direct, conversational writing style with an emphasis on professionalism and humanism. This edition is significantly updated and has new photographs and illustrations. A front-of-book CD-ROM includes an audio glossary. An audiobook version of the entire text in MP3 format is available as a separate purchase. A student-edition DVD, containing selected procedures from Lippincott's Video Series for Nursing Assistants, is also available as a separate purchase.

An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling Oathbringer, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar ' s crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin ' s scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition ' s envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. All Quiet on the Western Front

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts

tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes Still considered one of the best books ever written about bullfighting, *Death in the Afternoon* is an impassioned look at the sport by one of its true aficionados. It reflects Hemingway's conviction that bullfighting was more than mere sport and reveals a rich source of inspiration for his art. The unrivaled drama of bullfighting, with its rigorous combination of athleticism and artistry, and its requisite display of grace under pressure, ignited Hemingway's imagination. Here he describes and explains the technical aspects of this dangerous ritual and "the emotional and spiritual intensity and pure classic beauty that can be produced by a man, an animal, and a piece of scarlet serge draped on a stick." Seen through his eyes, bullfighting becomes a richly choreographed ballet, with performers who range from awkward amateurs to masters of great elegance and cunning. A fascinating look at the history and grandeur of bullfighting, *Death in the Afternoon* is also a deeper contemplation of the nature of cowardice and bravery, sport and tragedy, and is enlivened throughout by Hemingway's sharp commentary on life and literature.

Hailed as one of the greatest novels of all time and a classic of world literature, *War and Peace* is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion. Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • An "extraordinary ... profoundly moving" history of the American Civil War that reveals the ways that death on such a scale changed not only individual lives but the life of the nation. More than 600,000 soldiers lost their lives in the American Civil War. An equivalent proportion of today's population would be six million. In *This Republic of Suffering*, Drew Gilpin Faust describes how the survivors managed on a practical level and how a deeply religious culture struggled to reconcile the unprecedented carnage with its belief in a benevolent God. Throughout, the voices of soldiers and their families, of statesmen, generals, preachers, poets, surgeons, nurses, northerners and southerners come together to give us a vivid understanding of the Civil War's most fundamental and widely shared reality.

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

This manual, TRADOC Pamphlet TP 600-4 The Soldier's Blue Book: The Guide for Initial Entry Soldiers August 2019, is the guide for all Initial Entry Training (IET) Soldiers who join our Army Profession. It provides an introduction to being a Soldier and Trusted Army Professional, certified in character, competence, and commitment to the Army. John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, *Democracy and Education* is regarded as the seminal work on public education by one of the most important scholars of the century.
