Stability

A National and Transnational Approach

Practising Cultural Geographies

When Barack Obama came into office, the strategic landscape facing the United States in its overseas counterterrorism

Bookmark File PDF Geography Paper 1 June 2010

operations was undergoing a shift. Even before the rise of drones necessitated the articulation of legal doctrine, the Obama administration had to explain itself. In *Speaking the Law*, the authors offer a detailed examination of the speeches of the Obama administration on national security legal issues. Viewed together here

Bookmark File PDF Geography Paper 1 June 2010

for the first time, the authors lay out a broad array of legal and policy positions regarding a large number of principles currently contested at both the domestic and international levels. The book describes what the Obama administration has said about the legal framework in which it is operating with respect to such

Bookmark File PDF Geography Paper 1 June 2010

questions as the nature of the war on terrorism, the use of drones and targeted killings, detention, trial by military commission and in federal courts, and interrogation. The authors analyze this framework, examining the stresses on it and asking where the administration got matters right and where they were wrong.

Bookmark File PDF Geography Paper 1 June 2010

They conclude with suggestions for certain reforms to the framework for the administration and Congress to consider. The collapse of the Soviet Union has had profound and long-lasting impacts on the societies of Eastern Europe, the South Caucasus and Central Asia, impacts which are not yet fully worked through: changes

Bookmark File PDF Geography Paper 1 June 2010

in state-society relations, a comprehensive reconfiguration of political, economic and social ties, the resurgence of regional conflicts "frozen" during the Soviet period, and new migration patterns both towards Russia and the European Union. At the same time the EU has emerged as an important player in the region,

Bookmark File PDF Geography Paper 1 June 2010

formulating its European Neighbourhood Policy, and engaging neighbouring states in a process of cross-border regional co-operation. This book explores a wide range of complex and contested questions related to borders, security and migration in the emerging "European Neighbourhood" which includes countries

Bookmark File PDF Geography Paper 1 June 2010

of the Caucasus and Central Asia as well as the countries which immediately border the EU. Issues discussed include new forms of regional and cross-border co-operation, new patterns of migration, and the potential role of the EU as a stabilizing external force.

Urban regions have come under

Bookmark File PDF Geography Paper 1 June 2010

increasing pressure to adapt to the imperatives of mobility, including greater freedom of travel, rising trade volumes and global economic networks. Whereas urbanization was once characterized by the concentration of services and facilities, urban areas now have to ensure the exchange of goods, services and

Bookmark File PDF Geography Paper 1 June 2010

information in a much more complex, interrelated, highly competitive, and spatially dispersed environment. As a consequence, cities are challenged to ensure the functionality of infrastructure while mitigating negative environmental and social impacts. Cities, Regions and Flows brings together debates in a single
