Get the ultimate guide to the Praxis® Core Academic Skills for Educators, complete with practice tests The Praxis® Core Academic Skills for Educators test has replaced the Praxis (PPST) as the pre-certification exam for educators, and plenty has changed. The new exam still tests competency in reading, writing, and mathematics, but the bar has been raised and the focus is more on critical thinking to provide states and agencies better candidate qualification indicators. The new test is aligned with the College and Career Readiness Standards and the Common Core State Standards, with expanded testing that more accurately reflects the nation's changing educational standards. Praxis® For Dummies, with online practice tests is the ultimate study guide for the exam. As an educator, you know how thorough preparation can effect performance, and this is one exam that requires your very best. The book contains a detailed overview so you know what to expect on test day, and three full-length practice exams that allow you to work out the kinks in advance. Completely geared toward the new test, Praxis® Core For Dummies, with online practice tests features the most updated information on the market. Learn which topics you know well by answering hundreds of test questions Understand how to prepare for the required essays Hone your test-taking skills with strategies that will help you ace the exam The book also includes access to practice tests online as well as detailed answer explanations that helps you discover your weak areas in time to improve them. While outdated study guides are sure to leave you unprepared, Praxis® Core For Dummies, with online practice tests is your ultimate study guide to one of the most important tests you'll ever take.

Our tutorials and targeted drills increase comprehension while enhancing your skills. Color icons and graphics throughout the book highlight must-know concepts. Test-taking tips and strategies in each chapter give you an added boost of confidence so you can do your best on the exam. Four practice exams help you prepare for the OGT! The book contains two full-length practice exams that allow you to test your knowledge while reinforcing what you have learned. Two additional practice tests not found in the book are available online - for a total of four exams! Each practice test comes complete with detailed explanations of answers, allowing you to focus on areas in need of further study. Whether used in a classroom, at home for self-study, or as a textbook supplement, Ohio teachers, parents, and students will consider this book a "must-have" prep for the OGT. REA test preps and software have proven to be the extra support students need to pass their challenging state-required tests. Our comprehensive test preps are teacher-recommended and written by experienced educators.

With realistic practice, proven strategies, and expert guidance, Kaplan's GED Test Prep 2020 gives you everything you need to pass the test. Kaplan is the official partner for live online prep for the GED test and our content is 100% aligned with the GED test objectives.
