“And I tell you, if you have the desire for knowledge and the power to give it physical expression, go out and explore,” wrote Apsley Cherry-Garrard in the opening chapters of his now classic exploration narrative, The Worst Journey in the World. The incredible tale that he tells is of the fated last voyage of Captain Robert Scott and his crew to the outermost reaches of the South Pole on the Terra Nova. Chronicling the journey of the Terra Nova from England in 1910 to New Zealand in 1913, The Worst Journey in the World vividly describes the entirety of Scott’s harrowing and tragic final expedition. Driven by a lust to investigate the untold scientific knowledge contained within the South Pole, these courageous pioneers embarked on a journey into previously unexplored territory, subjecting themselves to the ultimate physical and mental limits as they traveled the massive expanses of the icy tundra. Cherry-Garrard was a key member of the Terra Nova crew that, in addition to the desire to uncover scientific data, desperately sought to be the first Europeans to reach the South Pole. But the expedition was thwarted at every turn by punishing weather, extreme bad luck, and the intense physical and mental decline of the crew on the final stages of their journey. Confronted by the shattering knowledge that rival explorer Roald Amundsen had reached the South Pole only a few weeks before them, Scott’s team then had to negotiate the last stage of their voyage, a doomed attempt which has no equal in peril, disaster, and tragedy. Steven Gerrard is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying tensions and the high-octane thrills of the modern game as never before. Born in the Liverpool suburb of Huyton in 1980, Steven first joined Liverpool as a YTS trainee and played his first game for the first team aged just 18. His career has gone from strength to strength ever since and he is now the team's captain and its lynchpin. Liverpool's incredible comeback in the Champions' League final in Istanbul in May 2005, recovering from a 3-goal deficit against AC Milan to win on penalties, is testament to the amazing power Gerrard has over his team. His presence on the pitch is a force to be reckoned with and places him amongst the very first rank of players in the world. A relatively private figure, Steven has rarely spoken out in public. Now, his legions of fans will be allowed an intimate glimpse of what makes their hero tick. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006. Steven Gerrard's book is the definitive football autobiography. Like its subject, it's honest, passionate and exhilarating. If Steven Gerrard isn't your hero yet, by the time you've read this he will be...

Born with a desire to explore the world beyond her borders, Elena finds her passion in the complexity of the English language—but in the Soviet Union of the 1960s such a passion verges on the subversive. Elena is controlled by the state the same way she is controlled by her mother, a mirror image of her motherland: overbearing, protective, difficult to leave. In the battle between a strong-willed daughter and her authoritarian mother, the daughter, in the end, must break free and leave in order to survive. Through Elena's captivating voice, we learn not only the stories of Russian family life in the second half of the twentieth century, but also the story of one rebellious citizen whose curiosity and determination finally transport her to a new world.
