Each episode has both a title and a subtitle. Unlike in the first series, the second series has three designations denoting the type of episode:

individual (IN), dividual (DI) and dual (DU). IN episodes tie in with the Individual Eleven storyline; DI episodes are stand-alone episodes not strongly tied with the other storylines; and DU episodes tie in with the Cabinet Intelligence Service & Goda story-line (though the two main storylines inter-

relate). There are 11 individual, 11 dividual and 4 dual episodes. In the United States the TV Parental Guidelines system rated the episodes from TV-14 to TV-MA. Unlike The Laughing Man, which stuck to the storyline of the TV series, Individual Eleven has gone through a bold editing phase. The story is
