In the twentieth year of free comics, we bring you stories expanding on two epic worlds. In *Critical Role*, explore a small but important corner from the adventures of the Mighty Nein. Then, in *The Witcher*, it's an original tale featuring the iconic witcher, Geralt! Created in close collaboration with CD Projekt Red!

From the banned 1950s horror comics that Dr. Fredric Wertham of the U.S. Senate and mothers didn't want innocent children to devour comes a terrifying and timely anthology of comics of the undead... *Zombies*. These gruesome mini-masterpieces are hauntingly delineated by some of the Golden Age's greatest artists: Jack Cole, Bob Powell, Howard Nostrand, Wally Wood, Gene Colan, Lou Cameron, Reed Crandall, and others at their very best. The nightmarish scripts of the unstoppable living dead will make your spine freeze over in terror! Edited and designed by Eisner winner Craig Yoe with an introduction by the host of the popular "The Horrors of It All" vintage comics blog, Steve "Karswell" Banes, *Zombies* follows in the footsteps of the "Dick Briefer's Frankenstein" and "Bob Powell's Terror" as the third not-to-be-missed book in *The Chilling Archives of Horror Comics!* As with the entire line of Yoe Books, the reproduction techniques employed strive to preserve the look and feel of expensive vintage comics. Painstakingly remastered, enjoy the closest possible recreation of reading these comics when first released. On Earth-Omega, the grim vigilante called THE DRAGONFLY seeks justice in a dark world of sadistic criminals and corrupt cops. But on Earth-Alpha, his innocent counterpart DRAGONFLYMAN faces colorful villains like The Soundmaster alongside a cheerful police department! This volume careens like a rollercoaster from camp humor to gritty drama and back again, featuring the brutal menace of Kaktus, TWO versions of the tempter known as Devil Man--and the baffling mystery of Lady Dragonflyman! A prequel to the acclaimed AHOY Comics title THE WRONG EARTH, collecting all five issues of DRAGONFLY AND DRAGONFLYMAN plus the 2019 AHOY Free Comic Book Day story. ## A Giant Mess

Scott Pilgrim

In 2020, the COVID-19 pandemic brought the world to its knees. When we weren't sheltering in place, we were advised to wear masks, wash our hands, and practice social distancing. We watched in horror as medical personnel worked around the clock to care for the sick and dying. Businesses were shuttered, travel stopped, workers were furloughed, and markets dropped. And people continued to die. Amid all this uncertainty, writers and artists from around the world continued to create comics, commenting directly on how individuals, societies, governments, and markets reacted to the worldwide crisis. *COVID Chronicles: A Comics Anthology* collects more than sixty such short comics from a diverse set of creators, including indie powerhouses, mainstream artists, Ignatz and Eisner Award winners, and media cartoonists. In narrative styles ranging from realistic to fantastic, they tell stories about adjusting to working from home, homeschooling their kids, missing birthdays and weddings, and being afraid just to leave the house. They probe the failures of government leaders and the social safety net. They dig into the racial bias and systemic inequities that this pandemic helped bring to light. We see what it's like to get the virus and live to tell about it, or to stand by helplessly as a loved one passes. At times heartbreaking and at others hopeful and humorous, these comics express the anger, anxiety, fear, and bewilderment we feel in the era of COVID-19. Above all, they highlight the power of art and community to help us make sense of a world in crisis, reminding us that we are truly all in this together. The comics in this collection have been generously donated by their creators. A portion of the proceeds from the sale of this volume are being donated by the publisher to the Book

Industry Charitable Foundation (Binc) in support of comics shops, bookstores, and their employees who have been adversely affected by the pandemic.

A gigantic tyrannical toddler is out to play . . . with the whole town! A hilarious early reader from comics artist Jeffrey Ebbeler. Molly doesn't want to clean her room; she wants to play. Before Molly can argue with her mom, they hear BOOM! BOOM! A giant toddler is on the loose! Molly watches dumbfounded as Jack picks up cows and plucks airplanes out of the sky all for fun. He even picks up Molly and pretends to fly her around. Vrooom! When his giantess mother calls him home, he gleefully dumps everything and turns to leave. Now it's Molly's turn to say: "Stop! This is a giant mess!" In this easy reader comic, Jeffrey Ebbeler has created an entertaining tale about cleaning up after yourself. The variety of panel styles, speech bubbles, and fonts are all perfect for engaging developing readers. I Like to Read Comics are created for kids just learning to read. Sequential art and simple text--and a powerful relationship between the two--are the perfect conditions for developing readers.

Twenty-four stories including: a man carried safely through the ugly harshness of the world by his own Polaroid-enabled brand of narcissism ; the sadistic make-believe of two little boys and the laid-back cruelty of their grandfather ; a factory drone discovers his creative side with the help of the toilet ; and vehicular manslaughter turns to out be okay if there are no witnesses.

From Mike Richardson, creator of The Mask, comes a superhero vision as dark as the night. Twenty-five years ago, a genuine masked crimefighter came out of nowhere to declare war on crime. All of America celebrated the exploits of the black-clad vigilante . . . and then he disappeared. But when down-on-his-luck investigator Jake Stevens is hired to find the long-missing avenger, his inquiries threaten to

expose the myth behind the mask. Collects Cloaked #1 – #4.

The first graphic novel guide to growing a successful raised bed vegetable garden, from planning, prepping, and planting, to troubleshooting, care, and harvesting. "A fun read packed with practical advice, it's the perfect resource for new gardeners, guiding you through every step to plant, grow, and harvest a thriving and productive food garden."—Joe Lamp'l, founder and creator of the Online Gardening Academy Like having your own personal gardening mentor at your side, *The Comic Book Guide to Growing Food* is the story of Mia, an eager young professional who wants to grow her own vegetables but doesn't know where to start, and George, her retired neighbor who loves gardening and walks her through each step of the process. Throughout the book, "cheat sheets" sum up George's key facts and techniques, providing a handy quick reference for anyone starting their first vegetable garden, including how to find the best location, which vegetables are easiest to grow, how to pick out the healthiest plants at the store, when (and when not) to water, how to protect your plants from pests, and what to do with extra produce if you grow too much. If you are a visual learner, beginning gardener, looking for something new, or have struggled to grow vegetables in the past, you'll find this unique illustrated format ideal because many gardening concepts--from proper planting techniques to building raised beds--are easier to grasp when presented visually, step by step. Easy and entertaining, *The Comic Book Guide to Growing Food* makes homegrown

vegetables fun and achievable.

INSTAGRAM COMIC ABOUT A WORLD WITH

NO MEN With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers, updated biweekly with each installment earning an average of 25,000 likes. Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. D+Q's edition of *Woman World* will include new and previously unpublished material. When a birth defect wipes out the planet's entire population of men, *Woman World* rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said"

jokes. For the most part, Woman World's residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. Woman World is an uproarious and insightful graphic novel from a very talented and funny new voice.

Madison Kasparkova always thought she understood how Karma works. Do good things and you'll be rewarded, do something bad and Karma will make sure you get what you deserve. But when Maddy's boyfriend cheats on her, nothing bad comes his way. That's why Maddy starts the Karma Club, to clean up the messes that the universe has left behind. Sometimes, though, it isn't wise to meddle with the universe. It turns out Karma often has plans of its own.

A documentary is being filmed. A cell phone rings, playing the "Rocky" theme song. The filmmaker is told she must pay \$10,000 to clear the rights to the song. Can this be true? "Eyes on the Prize," the great civil rights documentary, was pulled from circulation because the filmmakers' rights to music and footage had expired.

What's going on here? It's the collision of documentary filmmaking and intellectual property law, and it's the inspiration for this new comic book. Follow its heroine Akiko as she films her documentary, and navigates the twists and turns of intellectual property. Why do we have copyrights? What is "fair use"? Bound By Law reaches beyond documentary film to provide a commentary on the most pressing issues facing law, art, property and an increasingly digital world of remixed culture.

The shocking images of neo-Nazis marching in Charlottesville, North Carolina in the summer of 2017 linger in the mind, but so do those of the passionate protestors who risked their lives to do the right thing. In this stirring graphic non-fiction book by the acclaimed author of The 500 Years of Resistance Comic Book, Gord Hill looks at the history of fascism over the last 100 years, and the concurrent antifa movements that work fastidiously to topple it.

Fascism is a relatively new political ideology and movement, yet in its short history some of the greatest atrocities against humanity have been carried out in its name. Its poisonous roots have taken hold in every region of the world, from its beginnings in post-World War I Italy, through Nazi Germany, Franco's Spain, and the KKK in America. And today, emboldened by the American president, fascism is alive and well again. At the same time, antifa activists have proven, through history and again today, that the spirit of resistance is alive and well, and necessary. In *The Antifa Comic Book*, Gord Hill documents these powerful moments of conflict and confrontation with a perceptive eye and a powerful sense of resolve. From the host of the critically acclaimed pro wrestling podcast *Straight Shoot*, this graphic novel history of wrestling features the key grapplers, matches, and promotions that shaped this beloved sport and form of entertainment. As a pop culture phenomenon, professional wrestling--with its heroic babyfaces and villainous heels performing suplexes and powerbombs in pursuit of championship gold--has conquered audiences in the United States and around the world. Now, writer/podcaster Aubrey Sitterson and illustrator Chris Moreno form a graphic novel tag team to present wrestling's complete illustrated history. Featuring legendary wrestlers like Bruno Sammartino, Hulk Hogan, and The Rock, and modern-day favorites like John Cena, Kenny Omega, and Sasha Banks, the book covers wrestling's progress from the carnival days of the Gold Dust Trio to the dominance of the WWF/WWE to today's diverse independent wrestling scene, and it spotlights wrestling's reach into Mexico/Puerto Rico (*lucha libre*), the U.K. (*all-in*), and Japan (*puroresu*).
