To get her inheritance, she needs a husband. He's wanted to fly with her for ages. Can their pretend pledge turn into something real? Marcy Payne has been flying the crop-dusters over farms and ranches in Three Rivers for two decades. She's been running the family business as her father ages, so she's shocked when he dies suddenly-and she can't keep the planes and her career unless she's married. One such ranch she's been keeping pest-free is Seven Sons, and when former rodeo star Wyatt Walker learns of her plight, he seizes the opportunity to keep himself in her life. Seizes it without fear, the way he tamed bulls for all those years-down on both knees, with a diamond ring extended toward Marcy. She likes Wyatt, and there's no one else proposing, so Marcy and Wyatt take the leap and tie the knot. As she teaches him about the planes, and he opens up about the challenges of his rodeo career, Marcy starts to fall for the gruff cowboy. Will Wyatt and Marcy be able to stop playing pretend when the feelings get real to find a true happily-ever-after?

He slid it open nonetheless. All the envelope contained was a simple leaf... dark green with serrated edges, finely divided and lacy. It was almost triangular, broad at the base with the tip tapering to an almost point. No sooner did he lay the envelope down on his desk, his phone rang. It was the Chief of Police requesting his service on another case. Across town, another event was happening. Watching her take a sip, it took the assassin every urge not to swat the glass away, but he knew it was the only way to save his life. He stared at the beautiful woman and wondered how long it would take to go into effect. He questioned how much time it would be before she became dizzy and forgot where she was. Everything seemed to switch into slow motion. For a moment, the killer doubted himself and wondered if, in fact, he poisoned the wrong glass? Guilt began to creep into his gut. It took all his strength to withhold the tears that started to glisten in his eyes. Why? Book 8: Gideon - The Final Chapter Part II Everything seemed to switch into slow motion. For a moment, the killer doubted himself and wondered if, in fact, he poisoned the wrong glass? Guilt began to creep into his gut. It took all his strength to withhold the tears that started to glisten in his eyes. Why? She began to cough and cough. The wine glass fell to the side, and her body collapsed to the floor. The assassin wasted no time. With an ivory-handled dagger, he stuck the Ace of Spades across the point of the blade and pierced her in the chest. From the many trunks in the hallway packed for a long

journey, he placed her body inside the largest one available. Then, the killer called on an accomplice to carry the trunk to an unknown destination. But, the blundering detectives with the Black Rock Cove Police Department who were assigned to the case got all the facts twisted. The wrong man was accused. He was known as Billy Bob Tanner, Gideon's son. By the time the victim was found, her flesh was as cold as the wintry night. Her ivory skin was splattered with blood. Book 9: The Lady in Red In this ninth and final novel in the Gideon Detective Series, Vincent James Gideon, after retiring five years earlier to spend his senior years fly fishing on the Portland River, elects to take on one more case for the Black Rock Cove Police Department. Little did he know it would be the most unusual case the veteran detective has ever agreed to unravel. Sebastian Westfield, the grandson of Connor Westfield, is living life in style with the hefty allowance given to him monthly by his grandfather. The problem is, one night started like all the rest, with his arrival at Sid's Cabaret in Portland, the home of famed theater star, Valentina Clemente. When the evening first started, he could remember everything. However, the next instant, his mind goes blank. He can't remember what happened the rest of the night when an assassin took his grandfather's life in Black Rock Cove, or how he ended up on the floor of an abandoned farmhouse a few hundred yards away from his grandfather's house the next morning. As he awoke, he sensed a chill in the air, a shimmer of mist. The trees of the forest by the lake became slightly out of focus, like that of a poorly taken photograph. It wasn't until Sebastian got closer, it congealed into a form... a woman dressed in red with silver skin and a predator's smile.

This groundbreaking volume presents a new translation of the text and detailed interpretation of almost every word or phrase in the book of Judges, drawing from archaeology and iconography, textual versions, biblical parallels, and extrabiblical texts, many never noted before. Archaeology also serves to show how a story of the Iron II period

employed visible ruins to narrate supposedly early events from the so-called "period of the Judges." The synchronic analysis for each unit sketches its characters and main themes, as well as other literary dynamics. The diachronic, redactional analysis shows the shifting settings of units as well as their development, commonly due to their inner-textual reception and reinterpretation. The result is a remarkably fresh historical-critical treatment of 1:1-10:5.

And Jeremiah will have to tell her all about those scars on his heart... Will a fake marriage be the thing to heal his heart and bring them closer together? Contains entries that identify people whose names appear in the Bible, arranged alphabetically according to spellings in the New Living Translation, and includes more in-depth profiles of important men and women.

The Hebrew name of God in the holy writings is El Shaddai. "El" means "God Creator" and "Shaddai" means "Almighty." El Shaddai is the name of God. Although we read other names given to God in the Old Testament, none of those names are the true name of God. Names such as Lord, Yahweh, and Jehovah were never spoken or pronounced in Israel in the entire Old Testament as their god. Before the Kingdom of Judah fell, El Shaddai warns the Judeans that their false prophets have changed his name with Baal, which is the same name as Lord. "And it shall be at that day," says El Shaddai, "that you shall call Me Ishi (my beloved) and shall call Me no more Baali (my lord). For I will take away the names of the Baalim (lords) gods out of their mouth and they shall no more be mentioned by their name."
