An exuberant infant is lifted high in the air by Mommy, kissed on the tummy by Daddy, and snuggled by a puppy.

Mi chiamo Marty Red. Forse avete sentito parlare di me, forse no. Di sicuro avete sentito parlare di Freddy King e dei Blood Red Sun, band heavy metal di cui ho registrato tutti i dischi, sin dai loro esordi. Ed è proprio quando sto per entrare negli Hellfire Studios per curare il CD che segnerà il loro addio alle scene che tutto precipita. Dopo tanti anni trascorsi a combattere il passato, nel disperato tentativo di lasciarmelo alle spalle, mi ritrovo ad affrontare di nuovo l'orrore quando sono costretto ad abbandonare la Harley-Davidson nel garage e a prendere la metropolitana. Comincia con una ragazza e un gioco di sguardi. Ma con il passare dei giorni mi rendo conto che qualcosa ci unisce e unisce anche gli altri bizzarri personaggi che affollano la metropolitana e che a quanto pare riescono a interagire solo con me. E, prima che possa rendermene conto, i fantasmi del sottosuolo cominciano a invadere la mia vita, trascinandola verso il basso, portandomi sulla soglia di un luogo che pensavo di essermi lasciato per sempre alle spalle. Ma, per quanto si possa provare a dimenticarlo, l'Inferno non ti dimentica una volta che ti ha assaggiato: aspetta solo il momento giusto per reclamarti. E a volte usa le persone a te più vicine per ingannarti e gettarti tra le fiamme.

I Love You When is an ode to motherly love that approaches a timeless topic with elegant simplicity and refreshing honesty. With a simple question, "Mom, will you love me my whole life?" Archibald sparks the most honest and relatable of answers from his mother, who goes on to tell her son about all the moments in life through which she loves him. "I love you when you behave and when your good behavior doesn't last" and "I love you when you look your best and when you're feeling your worst" are some of the scenes author Astrid Desbordes and illustrator Pauline Martin succeed in depicting with heartwarming candidness. A refreshing take on a timeless subject, I Love You When beautifully recounts a mother's unconditional love for her child."

WINNER OF THE PULITZER PRIZE WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR The first comprehensive historical biography of Laura Ingalls Wilder, the beloved author of the Little House on the Prairie books Millions of readers of Little House on the Prairie believe they know Laura Ingalls—the pioneer girl who survived blizzards and near-

starvation on the Great Plains, and the woman who wrote the famous autobiographical books. But the true saga of her life has never been fully told. Now, drawing on unpublished manuscripts, letters, diaries, and land and financial records, Caroline Fraser—the editor of the Library of America edition of the Little House series—masterfully fills in the gaps in Wilder's biography. Revealing the grown-up story behind the most influential childhood epic of pioneer life, she also chronicles Wilder's tumultuous relationship with her journalist daughter, Rose Wilder Lane, setting the record straight regarding charges of ghostwriting that have swirled around the books. The Little House books, for all the hardships they describe, are paeans to the pioneer spirit, portraying it as triumphant against all odds. But Wilder's real life was harder and grittier than that, a story of relentless struggle, rootlessness, and poverty. It was only in her sixties, after losing nearly everything in the Great Depression, that she turned to children's books, recasting her hardscrabble childhood as a celebratory vision of homesteading—and achieving fame and fortune in the process, in one of the most astonishing rags-to-riches episodes in American letters. Spanning nearly a century of epochal change, from the Indian Wars to the Dust Bowl, Wilder's dramatic life provides a unique perspective on American history and our national mythology of self-reliance. With fresh insights and new discoveries, *Prairie Fires* reveals the complex woman whose classic stories grip us to this day.

"The happiest, saddest, sweetest book about rock 'n' roll that I've ever experienced."—Chuck Klosterman Mix tapes: We all have our favorites. Stick one into a deck, press play, and you're instantly transported to another time in your life. For Rob Sheffield, that time was one of miraculous love and unbearable grief. A time that spanned seven years, it started when he met the girl of his dreams, and ended when he watched her die in his arms. Using the listings of fifteen of his favorite mix tapes, Rob shows that the power of music to build a bridge between people is stronger than death. You'll read these words, perhaps surprisingly, with joy in your heart and a song in your head—the one that comes to mind when you think of the love of your life. Praise for Love is a Mixtape "A memoir that manages, no small feat, to be funny and beautifully forlorn at the same time."—The New York Times Book Review "Humorous, heartbreaking, and heroic."—Entertainment Weekly "The finest lines ever written about rock 'n' roll . . . Like that song on the radio, every word of Rob's book is true. Love is a mix tape."—Rolling Stone "Many of us use pop culture as a mirror of our emotional lives, but Sheffield happily walks right through the looking glass."—Los Angeles Times "Sheffield writes with such aching remembering, you feel like you are invading his privacy . . . and it's the truth of those details that make this memoir so touching."—Newsweek

Welcome to the colourful world of the Kokeshi, a Japanese inspired French boutique brand that introduces children to a family to traditional Japanese dolls. The Kokeshi were once made from left over pieces of wood, with sculpted hair, and little rounded bodies. Over centuries, Kokeshi dolls have been modernised and given colour. Creators have taken more liberties, giving the dolls personalities and beautiful clothing, all the while observing the one founding principle. They are part of a search for beauty and art through simplicity and purity of form. Aoki is off to visit her friend Yoko, who lives in Tokyo and is one of the most kawaii (cute) of kokeshis! Learn all about the big city, while venturing with Aoki through a colourful and luxuriant urban landscape. The final page has beautiful, glow-in-the-dark elements which create a magical night time sky. Annelore Parot has created a world for her characters while honouring their Japanese heritage. All the books in the range have a distinctly positive feel, and encourage participation. With fun lift-the-flaps, cut outs and what-can-you-find elements to the story, these are perfect bedtime stories. Children will pore over the detailed drawings, finding something new with every reading.

Quattro romanzi completi in un unico bundle! WILLIAM KILLED THE RADIO STAR - Pietro Gandolfi Little Wood è un piccolo angolo di paradiso immerso nelle foreste del nord, un posto dove chiunque può trovare pace e serenità. Ma non Jazz. Per lui, DJ di colore trapiantato dalla Louisiana, una normale notte di diretta si trasformerà in un incubo. Perché qualcuno deciderà di chiudere i conti in sospeso con lui. Trovandosi di fronte a una minaccia che non dovrebbe esistere, Jazz sarà costretto a combattere per sé e per le persone che ama, pronto a sacrificare tutto, persino la vita. Ma chi è la presenza che si aggira nella stazione radio come uno spirito inquieto? E perché il nome di William Heart, cantante e piccola leggenda locale, continua a tormentarlo come il ritornello di un'odiosa canzone? Quando Jazz lo scoprirà si pentirà di aver abbandonato la sua casa per rifugiarsi nella fredda ostilità di Little Wood. L'ULTIMA FERMATA DI MARTY RED - Alessio Linder Mi chiamo Marty Red. Forse avete sentito parlare di me, forse no. Di sicuro avete sentito parlare di Freddy King e dei Blood Red Sun, band di cui ho registrato tutti i dischi, sin dai loro esordi. Ed è proprio quando sto per entrare negli Hellfire Studios per curare il CD che segnerà il loro addio alle scene che tutto precipita. E a volte usa le persone a te più vicine per ingannarti e gettarti tra le fiamme. LA CISTERNA - Nicola Lombardi Nuovo Ordine Morale. Una feroce dittatura militare. Un nuovo sistema carcerario estremo in cui le Cisterne rappresentano il terribile strumento per una radicale epurazione della società. Giovanni Corte, giovane pieno di speranze, conquista l'ambito ruolo di Custode della Cisterna 9, nella quale dovrà trascorrere un anno. E comincia così per lui un cammino - inesorabile, claustrofobico, allucinante - lungo gli oscuri sentieri dell'anima umana, verso il cuore buio di tutti gli orrori che albergano fuori e dentro ciascuno di noi. VESUVIO BREAKOUT - Giorgio Riccardi L'esplosione del Vesuvio ha devastato le zone circostanti, isolando la Campania dal resto della penisola. Come se non bastasse, il sottosuolo ha liberato effluvi che agiscono sui morti, facendoli tornare in vita. I nuovi esseri sono famelici e al di là di ogni guarigione. Un gruppo di sopravvissuti si rifugia all'interno del cinema situato nel centro commerciale di Casoria, l'unico riparo sicuro in un mondo ormai in rovina. Fughe, attacchi di morti viventi e insidie di altri sopravvissuti saranno descritti attraverso le pagine del diario del protagonista. Le sue riflessioni fanno da cornice a un universo devastato, dove la salvezza sembra essere sempre più un miraggio.

A black cat who only ever goes out during the day and a white cat who only goes out at night meet in the middle and start a beautiful relationship together.

This highly anticipated new graphic novel from Manuele Fior (The Interview and 5,000 KM Per Second) showcases his singular talents as a once-in-a-generation visual artist and a deeply empathetic writer who uses science fiction to look to the future of humanity. The "Great Invasion" originated from the sea. It moved north across the mainland. Many fled, while some took refuge on a small concrete island called Celestia, built over a thousand years ago. Now cut off from the mainland, Celestia has become an outpost for criminals and other misfits, as well as a refuge for a group of young telepaths. Events push two of them, Dora and Pierrot, to flee the island and set sail to the mainland. There, they discover a world on the precipice of a metamorphosis, though also a world where adults are literally prisoners of their own fortresses, unintentionally preserving the "old world" at a time when a new generation could guide society towards a better humanity. Celestia is the most ambitious and successful graphic novel to date by one of the world's most exciting storytellers.
