Girl Scout Media Journey In A Weekend

"Journey Home" is the story of Tamara Woodson, who lives in the American West in the 1880s. She is smart and sassy, and has a mind of her own. Like many black families of that era following slavery, her family traveled west and founded their own town. Tamara Woodson is at a turning point in her life. She begins a journey of self-discovery that reveals important connections to her ancestral past. Prompted by her ambitions

Download Free Girl Scout Media Journey In A Weekend

and experiences, she prepares herself for an uncertain future. At one point, Tamara's fears are expressed in a dream that intertwines a Nigerian Yoruba folktale. She learns to interpret important symbols. At another, Tamara learns about the Apache Indian culture from a girl who is preparing for her own elaborate coming of age ceremony. Exposure to these two cultures helps Tamara validate the values and traditions of others as well as her own. As she matures, Tamara learns to let go of her own fears and to rely on her inner strength. "Journey Home" is book one in the juvenile historical fiction series,

Growing Up in the Great Migration

This Handbook serves as a starting point for critical analysis and discourse about the status of women in outdoor learning environments (OLEs). Women choose to participate actively in outdoors careers, many believing the profession is a level playing field and that it offers alternatives to traditional sporting activities. They enter outdoor learning primarily on the strength of their enthusiasm for leading and teaching in

Download Free Girl Scout Media Journey In A Weekend

natural environments and assume the field is inclusive, rewarding excellence regardless of age, gender, socioeconomic status, disability, or ethnicity. However, both research and collective experiences in OLEs suggest that many women feel invisible, relegated, marginalized, and undervalued. In response to this marginalization, this Handbook celebrates the richness of knowledge and practices of women practitioners in OLEs. Women scholars and practitioners from numerous fields, such as experiential outdoor education, adventure education, adventure therapy, and gender studies, explore the implications of their research and practice using poignant examples within their own disciplines. These insights emerge from similar life experiences as women and outdoor leaders in the 1970s to

Download Free Girl Scout Media Journey In A Weekend

the present. Social inequalities still abound in OLEs, and the Handbook ensures that the contributions of women are highlighted as well as the work that needs to be done to make these spaces inclusive. Global in perspective and capacious in content, this one-stop volume is an indispensable reference resource for a diverse range of academics, including students and researchers in the fields of education, psychology, sociology, gender studies, geography, and environment studies, as well as the many outdoors fields.

□ This is a great time to be a girl growing up in the world. In *Total Package Girl*, author Kristi Hoffman captures the moment with wonderful tips and ideas for girls everywhere. Have fun with it. □ Christine Brennan, USA Today sports columnist, television commentator and best-selling author.

divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are

*#1 NEW YORK TIMES BESTSELLER • Michelle Obama's worldwide bestselling memoir, **Becoming**, is now adapted for young readers. Michelle Robinson was born on the South Side of Chicago. From her modest beginnings, she would become Michelle Obama, the inspiring and powerful First Lady of the United States, when her husband, Barack Obama, was elected the forty-fourth president. They would be the first Black First Family in the White House and serve the country for two terms. Growing up, Michelle and her older*

Download Free Girl Scout Media Journey In A Weekend

brother, Craig, shared a bedroom in their family's upstairs apartment in her great-aunt's house. Her parents, Fraser and Marian, poured their love and energy into their children. Michelle's beloved dad taught his kids to work hard, keep their word, and remember to laugh. Her mom showed them how to think for themselves, use their voice, and be unafraid. But life soon took her far from home. With determination, carefully made plans, and the desire to achieve, Michelle was eager to expand the sphere of her life from her schooling in Chicago. She went to Princeton University, where

Download Free Girl Scout Media Journey In A Weekend

she learned what it felt like to be the only Black woman in the room. She then went to Harvard Law School, and after graduating returned to Chicago and became a high-powered lawyer. Her plans changed, however, when she met and fell in love with Barack Obama. From her early years of marriage, and the struggle to balance being a working woman, a wife, and the mom of two daughters, Michelle Obama details the shift she made to political life and what her family endured as a result of her husband's fast-moving political career and campaign for the presidency. She

Download Free Girl Scout Media Journey In A Weekend

shares the glamour of ball gowns and world travel, and the difficulties of comforting families after tragedies. She managed to be there for her daughters' swim competitions and attend plays at their schools without catching the spotlight, while defining and championing numerous initiatives, especially those geared toward kids, during her time as First Lady. Most important, this volume for young people is an honest and fascinating account of Michelle Obama's life led by example. She shares her views on how all young people can help themselves as well as help others, no matter their

Download Free Girl Scout Media Journey In A Weekend

status in life. She asks readers to realize that no one is perfect, and that the process of becoming is what matters, as finding yourself is ever evolving. In telling her story with boldness, she asks young readers: Who are you, and what do you want to become?

Gold-medal winner of a Next Generation Book Award, silver-medal winner of the Independent Publishers Book Award. As featured on the PBS NewsHour "A gem of a book." — LIBRARY JOURNAL (STARRED REVIEW) A step-by-step guide to raising confident, open-minded kids in an

Download Free Girl Scout Media Journey In A Weekend

age of religious intolerance. Relax, It's Just God offers parents fresh, practical and honest ways to address issues of God and faith with children while promoting curiosity and kindness, and successfully fending off indoctrination. A rapidly growing demographic cohort in America, secular parents are at the forefront of a major and unprecedented cultural shift. Unable to fall back on what they were taught as children, many of these parents are struggling, or simply failing, to address issues of God, religion and faith with their children in ways that promote honesty, curiosity, kindness and

Download Free Girl Scout Media Journey In A Weekend

independence. The author sifts through hard data, including the results of a survey of 1,000 nonreligious parents, and delivers gentle but straightforward advice to both non-believers and open-minded believers. With a thoughtful voice infused with humor, Russell seamlessly merges scientific thought, scholarly research and everyday experience with respect for a full range of ways to view the world. "Relax, It's Just God" goes beyond the numbers to assist parents (and grandparents) who may be struggling to find the right time place, tone and language with which to talk about God,

Download Free Girl Scout Media Journey In A Weekend

spirituality and organized religion. It encourages parents to promote religious literacy and understanding and to support kids as they explore religion on their own -- ensuring that each child makes up his or her own mind about what to believe (or not believe) and extends love and respect to those who may not agree with them. Subjects covered include:

- Talking openly about our beliefs without indoctrinating kids*
- Making religious literacy fun and engaging*
- Talking about death without the comforts of heaven*
- Navigating religious differences with extended family*

may even be one of your best friends. In South Side Girls Marcia Chatelain recasts Chicago's Great Migration through the lens of black girls. Focusing on the years between 1910 and 1940, when Chicago's black population quintupled, Chatelain describes how Chicago's black social scientists, urban reformers, journalists and activists formulated a vulnerable image of urban black girlhood that needed protecting. She argues that the construction and meaning of black girlhood shifted in response to major

Download Free Girl Scout Media Journey In A Weekend

economic, social, and cultural changes and crises, and that it reflected parents' and community leaders' anxieties about urbanization and its meaning for racial progress. Girls shouldered much of the burden of black aspiration, as adults often scrutinized their choices and behavior, and their well-being symbolized the community's moral health. Yet these adults were not alone in thinking about the Great Migration, as girls expressed their views as well. Referencing girls' letters and interviews, Chatelain uses

Download Free Girl Scout Media Journey In A Weekend

their powerful stories of hope, anticipation and disappointment to highlight their feelings and thoughts, and in so doing, she helps restore the experiences of an understudied population to the Great Migration's complex narrative.

What can your business learn from the Girl Scouts?

Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrine in gender theory and American religious history since World War

Download Free Girl Scout Media Journey In A Weekend

II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have

The inspiring true story of the first Girl Scout troop founded for and by girls living in a shelter in Queens, New York, and the amazing, nationwide response that it sparked “A powerful book full of powerful women.”—Chelsea Clinton Giselle Burgess was a young mother of five trying to provide for her family. Though she had a full-time job, the demands of ever-increasing rent and mounting bills forced her to fall behind, and eviction soon followed. Giselle and her kids were thrown into New York City’s overburdened shelter system, which housed nearly 60,000 people each day. They soon found themselves living at a Sleep Inn in Queens, provided by the city as

Download Free Girl Scout Media Journey In A Weekend

temporary shelter; for nearly a year, all six lived in a single room with two beds and one bathroom. With curfews and lack of amenities, it felt more like a prison than a home, and Giselle, at the mercy of a broken system, grew fearful about her family's future. She knew that her daughters and the other girls living at the shelter needed to be a part of something where they didn't feel the shame or stigma of being homeless, and could develop skills and a community they could be proud of. Giselle had worked for the Girl Scouts and had the idea to establish a troop in the shelter, and with the support of a group of dedicated parents, advocates, and remarkable girls, Troop 6000 was born. New York

Download Free Girl Scout Media Journey In A Weekend

Times journalist Nikita Stewart settled in with Troop 6000 for more than a year, at the peak of New York City's homelessness crisis in 2017, getting to know the girls and their families and witnessing both their triumphs and challenges. In Troop 6000, readers will feel the highs and lows as some families make it out of the shelter while others falter, and girls grow up with the stress and insecurity of not knowing what each day will bring and not having a place to call home, living for the times when they can put on their Girl Scout uniforms and come together. The result is a powerful, inspiring story about overcoming the odds in the most unlikely of places. Stewart shows how shared experiences of poverty and hardship

Download Free Girl Scout Media Journey In A Weekend

sparked the political will needed to create the troop that would expand from one shelter to fifteen in New York City, and ultimately inspired the creation of similar troops across the country. Woven throughout the book is the history of the Girl Scouts, an organization that has always adapted to fit the times, supporting girls from all walks of life. Troop 6000 is both the intimate story of one group of girls who find pride and community with one another, and the larger story of how, when we come together, we can find support and commonality and experience joy and success, no matter how challenging life may be. series and Newbery Honor winner *A Corner of the Universe* “The Startup Squad encourages girls to dream big, work hard, and rely on each other to make good things happen. It teaches them how to succeed—and reminds all of us that girls mean business!” —Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org “A great read that is fast-paced, fun, and empowering. The Startup Squad comes complete with a treasure trove of tips for starting a business.” —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* This title has common core connections.
