

Glencoe World History Study Guide

Business and Personal Law: Real-World Connections demonstrates how law, in all of its forms, affects everyone. The program covers contract law, criminal law, tort law, consumer law, employment law, family law, and much more. With Business and Personal Law: Real-World Connections, students will grow in the knowledge of their legal rights and responsibilities. End-of-chapter activities are academically rigorous and reinforce essential concepts. Includes print student edition aligned to the content standards.

Glencoe World History, a comprehensive course that covers prehistory to the present day, helps link the events of the past with the issues that confront students today. It motivates and engages students in meaningful learning as they develop an understanding of the world's cultures and an appreciation for the interdependence of world regions.

The Specifics You Need to Teach Reading Well

Glencoe Biology, Student Edition

Spanning the time period from 1045 BCE to 1500 CE, Inquiry-Based Lessons in World History (Vol. 1) focuses on creating global connections between people and places using primary sources in standards-based lessons. With sections on early humans, the ancient world, classical antiquity, and the world in transition, this book provides teachers with inquiry-based, ready-to-use lessons that can be adapted to any classroom and that encourage students to take part in the learning process by reading and thinking like historians. Each section contains four chapters that correspond to the scope and sequence of most world history textbooks. Each inquiry lesson begins with an essential question and connections to content and literacy standards, followed by primary source excerpts or links to those sources. Lessons include step-by-step directions, incorporate a variety of literacy strategies, and require students to make a hypothesis using evidence from the texts they have read.

Glencoe World History, a comprehensive course that covers prehistory to the present day, helps link the events of the past with the issues that confront students today. It motivates and engages students in meaningful learning as they develop an understanding of the world's cultures and an appreciation for the interdependence of world regions. Features Respected Authorship • Written by an unparalleled author team that includes the world-renowned National Geographic Society, this program is characterized by a consistently riveting narrative flow. • Special features contributed by the National Geographic engage every student and encourage even more reading. • The National Geographic Society created the map program for Glencoe World History. Clear, concise, and accurate, the maps make the connection between geography and history. Reading Support • Glencoe World History contains more reading support than any other World History program. Glencoe authors, editors, and reading specialists have created a unique content reading strategy that includes Prior Knowledge Activators and Graphic Organizers in every lesson and In-Text Reading Checks to monitor students' ongoing comprehension. • New! Reading Essentials and Study Guide contains the entire text rewritten at a lower reading level. Combined with the World History Audio Program, the guide is a powerful reading tool for reluctant readers.

Reading Essentials and Study Guide

Glencoe World History, Modern Times, Spanish Reading Essentials and Study Guide, Workbook

Parts 1 And 2

Based on expert review and research, this book provides an innovative standard and guide to social studies textbooks used in kindergarten through 12th grade classrooms for content, style, and design. The standards provide a foundation for individuals to select satisfactory textbooks and to help educators and school boards in the adoption of instructional materials. Chapter 1 addresses the problems of textbook content and style. Chapter 2 discusses the vast business of social studies publishing and the increased complexity of textbook packaging with the movement away from state-level adoption of textbooks. Chapter 3 focuses on the content of social studies textbooks with a comparison of past and present textbooks, a discussion of revisionism and reality, and a look at religion in textbooks. Chapter 4 examines the style and story of textbooks and finds that although the content of past textbooks may be flawed, the prose is superior to recent textbooks. Ideas on narrative, readability, vocabulary, instructional design, history, and style provide ways for textbooks to improve. Chapter 5 addresses the issue of format and proposes clarity and simplicity in technical design of books. Chapter 6 provides an outline to review textbooks for content and style and instructional activities and teacher guidance materials for usefulness. Chapter 7 includes an annotated list of the major U.S. and world history textbooks. (CK)

Glencoe World History is a full-survey world history program authored by a world-renowned historian, Jackson Spielvogel, and the National Geographic Society. Experiencing world history and understanding its relevance to the modern world is the goal of this program. The program addresses the importance of motivating students and engaging them in meaningful learning - learning that links the past with issues confronting young people today. Glencoe World History addresses student learning on many levels and encourages the reader to become actively involved with the beautifully presented content.

Glencoe World History, Reading Essentials and Study Guide, Workbook

Early Humans to Global Expansion

Glencoe World History, Student EditionMcGraw-Hill Education

Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history's stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Glencoe World History: Modern Times, Reading Essentials and Study Guide

A History of the World

Glencoe World History: Modern Times, Spanish Reading Essentials and Note-Taking Guide

UNLIKE TRADITIONAL TEXTBOOKS that can overwhelm the reader with countless facts to absorb, the Student's Friend Concise World History highlights the most important developments of world history in a clear and concise manner that is capable of being comprehended by the human mind. Teachers have successfully used The Student's Friend in homeschool, middle school, high school, and college in the United States and abroad. Part 1 covers the period from prehistory to the year 1500. Part 2, the period from 1500 to the present. In contrast to other concise histories that may focus on impersonal historical processes, the Student's Friend includes men and women who helped to shape history and who illustrate timeless aspects of human nature. WHY A CONCISE HISTORICAL NARRATIVE? The Student's Friend is designed to be consistent with findings from cognitive science that emphasize learning the most important principles and concepts of a school discipline, rather than learning large quantities of superficial facts that are likely to be forgotten shortly after the exam is over. The respected Bradley Commission on History in Schools has said, "The amount of time required to achieve student engagement and genuine comprehension of significant issues will necessitate leaving out much that is 'covered' by the usual text." CONCISENESS CAN BRING CLARITY. Cognitive psychologist Frank N. Dempster has written, "Many texts are so packed with facts, names, and details that the real point of the lesson is often obscured." One of the greatest benefits of a concise historical narrative is the clarity it can bring to a student's understanding of history by focusing on essential knowledge rather than on extensive, sometimes confusing, and often-trivial detail. ELIMINATES GAPS AND DISCONTINUITIES. Teachers can't adequately cover all the information contained in standard thousand-page textbooks, so they commonly skip around in the textbook, which can leave big holes in the historical narrative. The Student's Friend is designed to include no more information than students can realistically cover during a standard high school course. Because the picking and choosing has been carefully done and logically sequenced, continuity is maintained and gaps eliminated. BALANCES BREADTH AND DEPTH. The concise historical narrative leaves time in the curriculum for additional learning activities such as research papers, multimedia presentations, source-analysis activities, and simulations, a practice sometimes called "postholing." The narrative performs a unifying function like a fence that gives shape to the landscape and provides the connecting fabric between events, while postholes are occasions to dig more deeply into the human dimensions of history-to explore how events of the past affected people's lives then and now. The subject matter of world history is so vast that it can be a difficult subject to grasp and to teach. Teachers and students alike can benefit from the understandable picture of history provided by the Student's Friend Concise World History.
