

## Gli Uomini Primitivi Con Adesivi Ediz Illustrata

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah “ Zero zero zero ” flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano ’ s unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano ’ s Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Savaiano has broadened his perspective to take in the entire global “ corporate ” entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world ’ s biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade ’ s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: “ [Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators. ” —Financial Times

Un giorno Michèle e Didier Trouseau, una coppia di francesi, lasciano il loro lavoro e la sicurezza di una casa per vivere in modo diverso con le loro figlie... Nel 1982, una spedizione transafricana li conduce, a bordo di un minibus, fino al Capo di Buona Speranza, accompagnati dalle due figlie maggiori. Da questo preludio matura poi la decisione di partire per il giro del mondo a bordo della loro barca Nivolet che nell'arco di tre anni li conduce a fare rotta nuovamente verso il Capo di Buona Speranza, raggiunto nel 1997 con le due figlie minori. Le pagine di questo libro ci fanno incontrare gli indiani Alakaluf con le loro canoe in Patagonia, gli aborigeni d'Australia, i pigmei dello Zaïre, i navigatori polinesiani, l'isola di Robinson Crosué, e altri lidi straordinari... Ritornata in Savoia, l'autrice riflette sulla domanda che le fu posta da un tuareg cieco: "Tu viaggi per vedere?". Ci sono sulla terra ricchezze che non siano i paesaggi? Vuol dire che viaggiare è una ricerca di felicità? Questo libro non è un racconto, né un semplice diario di bordo che parte dal punto A per tornare al punto di partenza. Ogni capitolo evoca immagini, tranches di vita, in minibus nel cuore dell'Africa o in barca a vela in mezzo agli oceani, riflessioni sulle diversità dei popoli incontrati rispetto al mondo occidentale ... È un viaggio fra gli uomini. «Le molte sfaccettature della bellezza umana mi hanno sempre affascinata, o meglio i mezzi tanto diversi quanto sorprendenti che le differenti popolazioni usano per mettere in valore il proprio corpo. Se si paragonano i lobi delle orecchie dei masai così allungati dai pesanti orecchini, i colli lunghissimi delle donne-giraffa africane, gli ossi nel naso dei papuani e i tatuaggi dalla vita fino alle ginocchia dei samoani, le depilazioni delle donne europee sono una ben scarsa espressione di una ricerca estetica. Al contrario, le donne aborigene dell'Australia non portano gioielli perché l'umiltà è l'espressione primaria della loro educazione. Molto presto alle bambine viene insegnato a valorizzarsi per le proprie conoscenze, per l'abiiltà nel confezionare panieri o sacchi mortuari. Esse non portano collane e non usano trucchi.» L'eBook contiene un inserto a colori.

A Planet Full of Plastic

*Dieter Schlesak's haunting novel The Druggist of Auschwitz—beautifully translated from the German by John Hargraves—is a frighteningly vivid portrayal of the Holocaust as seen through the eyes of criminal and victim alike. Adam, known as "the last Jew of Schäßburg," recounts with disturbing clarity his imprisonment at the infamous Auschwitz concentration camp. Through Adam's fictional narrative and excerpts of actual testimony from the Frankfurt Auschwitz Trial of 1963–65, we come to learn of the true-life story of Dr. Victor Capesius, who, despite strong friendships with Jews before the war, quickly aided in and profited from their tragedy once the Nazis came to power. Interspersed with historical research and the author's face-to-face interviews with survivors, the novel follows Capesius from his assignment as the "sorter" of new arrivals at Auschwitz—deciding who will go directly to the gas chamber and who will be used for labor—through his life of lavish wealth after the war to his arrest and eventual trial. Schlesak's seamless incorporation of factual data and testimony—woven into Adam's dreamlike remembrance of a world turned upside down—makes The Druggist of Auschwitz a vital and unique addition to our understanding of the Holocaust.*

*And How You Can Help*

**A policeman on his first murder case**
**A tattoo artist with a deadly secret**
**And a twisted serial killer sharpening his blades to kill again...**
**When Brighton tattoo artist Marni Mullins discovers a flayed body, newly-promoted DI Francis Sullivan needs her help.**
**There's a serial killer at large, slicing tattoos from his victims' bodies while they're still alive.**
**Marni knows the tattooing world like the back of her hand, but has her own reasons to distrust the police.**
**So when she identifies the killer's next target, will she tell Sullivan or go after the Tattoo Thief alone?**

**Enter the lush world of 1950s New York City, where a generation of aspiring models, secretaries, and editors live side by side in the glamorous Barbizon Hotel for Women while attempting to claw their way to fairy-tale success in this debut novel from the New York Times bestselling author of The Lions of Fifth Avenue. “Rich both in twists and period detail, this tale of big-city ambition is impossible to put down.”—People**
**When she arrives at the famed Barbizon Hotel in 1952, secretarial school enrollment in hand, Darby McLaughlin is everything her modeling agency hall mates aren't: plain, self-conscious, homesick, and utterly convinced she doesn't belong—a notion the models do nothing to disabuse. Yet when Darby befriends Esme, a Barbizon maid, she's introduced to an entirely new side of New York City: seedy downtown jazz clubs where the music is as addictive as the heroin that's used there, the startling sounds of bebop, and even the possibility of romance. Over half a century later, the Barbizon's gone condo and most of its long-ago guests are forgotten. But rumors of Darby's involvement in a deadly skirmish with a hotel maid back in 1952 haunt the halls of the building as surely as the melancholy music that floats from the elderly woman's rent-controlled apartment. It's a combination too intoxicating for journalist Rose Lewin, Darby's upstairs neighbor, to resist—not to mention the perfect distraction from her own imploding personal life. Yet as Rose's obsession deepens, the ethics of her investigation become increasingly murky, and neither woman will remain unchanged when the shocking truth is finally revealed.**

**The teachings of the Native Americans provide a connection with the land, the environment, and the simple beauties of life. This collection of writings from revered Native Americans offers timeless, meaningful lessons on living and learning. Taken from writings, orations, and recorded observations of life, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes — perhaps even more timely now than when they were first written. In addition to the short passages, this edition includes the complete Soul of an Indian, as well as other writings by Ohiyesa (Charles Alexander Eastman), one of the great interpreters of American Indian thought, and three great speeches by Chiefs Joseph, Seattle, and Red Jacket.**

**This beautifully illustrated picture word book contains 199 images of prehistoric creatures to look at and talk about. A neat and practical format, in durable board. Part of the '199 Things' series, which includes '199 Things under the sea' and '199 Animals'.**

*Another classic picture book from the Smarties Prize-winning partnership behind Tadpole's Promise "On top of a mountain there lived a fat mammoth. Down in the valley there lived a thin caveman. The caveman was hungry. Very, very hungry. He saw the mammoth and licked his lips." Fed up with eating seeds, fed up with eating weeds . . . a mammoth can start looking pretty delicious to a hungry caveman! But a mouthwatering Mammoth Pie turns out to be more difficult to come by than the caveman could ever imagine.*

*Chipper and Squizzo are a precocious puppy and squirrel who love to explore new and exciting environments, flying their cardboard box airplane to wondrous worlds full of fascinating animals and creatures. In each volume of this fun, educational series, they tour a different location, encountering the real-world animals found there in beautiful illustration and fun cartoon strip antics. This exciting volume sees our adorable nature guides traveling back in time (in their cardboard time machine) to view the dinosaurs up close!*

This collectable tin includes three great activity books, a beautiful storybook and five sticker sheets!

L'avidità è la molla che fa agire un criminale che non ha il coraggio di staccarsi da un misterioso documento su cui è scritta con inchiostro indelebile la prova della sua colpevolezza. Una prova che lo inchioda inesorabilmente e che l'uomo vorrebbe distruggere, senza però riuscire mai a trovare il coraggio di farlo. La tensione sale così di pagina in pagina. Vincerà l'avidità o la prudenza?Edgar Wallacnacque nel 1875 a Greenwich (Londra). Cominciò a lavorare giovanissimo, a diciott'anni si arruolo nell'esercito ma nel 1899 riuscì a farsi congedare. Fu corrispondente di guerra per diversi giornali. Ottenne il suo primo successo come scrittore con I quattro giusti, nel 1905. Da allora scrisse, in ventisette anni, circa 150 opere narrative e teatrali di successo. Tradotto in moltissime lingue, ha influenzato la letteratura gialla mondiale ed è considerato il maestro del romanzo poliziesco. È morto nel 1932.

***Everything is made of stuff. Some things are made of paper, like this book. And some things are made of PLASTIC. If you look around you, plastic is everywhere. Even in places where it's not meant to be. If it drops to the ground, it doesn't rot away - it sticks around for ever. Our world is drowning in plastic, and it's a big problem. Award-winning author-illustrator Neal Layton is here to explain where plastic comes from, why it doesn't biodegrade, and why that's dangerous for animals and humans alike. But he's also FULL of ideas for how you can help! From giving up straws in juice cartons to recycling all we can and taking part in a beach clean, A Planet Full of Plastic will get young readers excited about how they can make a difference to keep Planet Earth happy. This brilliant non-fiction picture book, illustrated in Neal's trademark collage style, is perfect for readers aged 5-7 who love nature and want to help the environment.***
