

*On November 15, 1993, a white-haired, 72-year-old gentleman named Dr. Amberry stepped up to the free throw line and into the Guinness Book of World Records by sinking 2,750 shots in a row. He ended his 12-hour streak without a miss, stopping only because they had to close the gym for the night. In Free Throw, he reveals his secrets. Beginning with the proper mechanics of the shot, he then explains the importance of the mental game and shares his techniques to help players stay on target even while under pressure. Combining these mental and physical elements, he presents a unique and straightforward 7-step method that teaches readers how to become a 90% free throw shooter. The free throw is the Achilles heel of the basketball player -- many players are great from the floor but lousy at the line. Free Throw is the only book to address this important skill. Clearly written, with principles that are easy to put into practice, it is an indispensable manual for all basketball players and coaches.*

*ORIGINAL BOOK DESCRIPTION: Go Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self-management for both time and decisions. The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income. In these lines, we present the best of these ideas. - ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives.
