Public interest in Adolf Hitler and all aspects of the Third Reich continues to grow as new generations ponder the moral questions surrounding Nazi Germany and its historical legacy. One aspect of Nazism that has not received sufficient attention from historians of the Third Reich is the doctrine's origins in the Thule Society and its covert activities. A Munich occult group with a political agenda, the Thule Society was led by Rudolf von Sebottendorff, a German commoner who had been adopted by nobility during a sojourn in the Ottoman Empire. After returning to Europe, Sebottendorff embraced a form of theosophy that stressed the racial superiority of Aryans. The Thule Society attempted to establish an anti-Semitic, working-class front for disseminating its esoteric ideas and founded the German Workers' Party, which Hitler would later transform into the National Socialist German Workers' (Nazi) Party. Several of the society's members eventually assumed prestigious posts in the Third Reich. David Luhrssen has written the first comprehensive study of the society's activities, its cultural roots, and its postwar ramifications in a historical-critical context. Both general readers and academics concerned with European cultural and intellectual history will find that Hammer of the Gods opens new perspectives on nineteenth- and twentieth-century Europe.

According to the Gospel of John, Jesus Christ celebrated the Festival of Hanukkah (John 10:22). Hanukkah celebrates the heroic exploits of Judas Maccabeus and his battle for religious freedom. These events occurred during the four-hundred silent years between the Old and New Testaments. The Seleucid Greeks that ruled over the Jewish people made observing Judaism a capital offense and ordered all copies of the Bible to be collected and burned. In the year 167 Before Christ, Judas Maccabaeus led the Jewish people into battle to preserve the Holy Bible and to establish religious liberty. Judas was called Maccabeus which means "the Hammer" in Aramaic. Centuries later, in the year 732 A.D, Charles Martel, known as "Charles the Hammer," fought to defend the religious liberties of the Christians and Jews in Europe when an army of Islamic terrorists threatened to eradicate Christianity in France. In *The Hammer of God* learn about the history of the battle for religious freedom, a battle that continues today. Reverend Stephen Andrew Missick is the author *The Words of Jesus in the Original Aramaic: Discovering the Semitic Roots of Christianity and Christ the Man*. He is an ordained minister of the gospel. He graduated from Sam Houston State University and Southwestern Baptist Theological Seminary. Rev. Missick has traveled extensively throughout the Middle East and has lived among the Coptic Christians in Egypt and Aramaic Christians in Syria. He served as a soldier in Operation Iraqi Freedom in 2003 and 2004 and as a chaplain in the Army National Guard in Baghdad in 2009 and 2010. While serving as a soldier in Iraq he learned Aramaic from native Aramaic-speaking Assyrian Christians. Rev. Missick is the writer and illustrator of the comic book series *The Hammer of God* which dramatizes the story of Judah Maccabeus and Charles Martel.

This unique pairing of historical and contemporary illustrations inspired by the famously ambiguous Old testament text offers a fascinating look at the machinations of faith and the power of artistic vision in relation to the world of the early nineteenth century and our own times. The distinct styles and world views of these artists produce two remarkable takes on the significance of the Old Testament story, whose interpretation remains puzzling and manifold.

The little village of Bohun Beacon was perched on a hill so steep that the tall spire of its church seemed only like the peak of a small mountain. At the foot of the church stood a smithy, generally red with fires and always littered with hammers and scraps of iron; opposite to this, over a rude cross of cobbled paths, was "The Blue Boar," the only inn of the place. It was upon this crossway, in the lifting of a leaden and silver daybreak, that two brothers met in the street and spoke; though one was beginning the day and the other finishing it. The Rev. and Hon. Wilfred Bohun was very devout, and was making his way to some austere exercises of prayer or contemplation at dawn. Colonel the Hon. Norman Bohun, his elder brother, was by no means devout, and was sitting in evening dress on the bench outside "The Blue Boar," drinking what the philosophic observer was free to regard either as his last glass on Tuesday or his first on Wednesday. The colonel was not particular.

Tokar was going to be the King, with the help of the Hammer of the Gods! Note: very short.ExcerptDeep in the jungle the tribal drums were throbbing with savage passion, their pulsating rhythm carrying clearly to the ears of the gigantic, superbly muscled barbarian who moved in great strides along the tangled underpath.He was a handsome creature, this barbarian. Handsome as the panther is handsome, or the man-killing tiger. Strong features, cruelly chiseled, were beneath his mat of fierce hair. His body was hard and brown, clad in the skin of a jungle cat. And yet for all the strength and power of him, he moved through the twisted underbrush with the stealthy swiftness of an animal.Across his back, carried as carelessly as though it might be but a load of twig kindling, was the still bleeding carcass of a freshly slain boar. Food for the tribal feasting. The smell of the animal's blood, hot and sweet in his nostrils, made the barbarian grin in anticipation."Ayi,"" he thought with savage satisfaction, "I, Tokar, return to the tribal campfires with meat for the bellies of my people."And he grinned again in wolfish glee at the thought he had half- whispered in the murky twilight. For this very evening he, Tokar, The Mighty, would gain supremacy among his tribal fellows, would gain the honor of Tribal King. He, Tokar, would gain all this by overthrowing Orlo, the present tribal king.
