

Goddess Ebook Kelly Gardiner

The Book of Buried Treasure is a historical account of pirates and piracy, containing true stories of some of the most notorious buccaneers, their heists and robberies and the pirate gold that is lost forever. The book is written by American journalist and adventurer Ralph D. Paine who was indicted for piracy with a capital crime, after sailing on a boat that was smuggling munitions. _x000D_ *Table of Contents:* _x000D_ *The World-Wide Hunt for Vanished Riches* _x000D_ *Captain Kidd in Fact and Fiction* _x000D_ *Captain Kidd, His Treasure* _x000D_ *Captain Kidd, His Trial, and Death* _x000D_ *The Wondrous Fortune of William Phips* _x000D_ *The Bold Sea Rogue, John Quelch* _x000D_ *The Armada Galleon of Tobermory Bay* _x000D_ *The Lost Plate Fleet of Vigo* _x000D_ *The Pirates' Hoard of Trinidad* _x000D_ *The Lure of Cocos Island* _x000D_ *The Mystery of the Lutine Frigate* _x000D_ *The Toilers of the Thetis* _x000D_ *The Quest of El Dorado* _x000D_ *The Wizardry of the Divining Rod* _x000D_ *Sundry Pirates and Their Booty* _x000D_ *Practical Hints for Treasure Seekers*

In his international bestseller Beneath a Marble Sky, John Shors wrote about the ancient passion, beauty, and brilliance that inspired the building of the Taj Mahal. Now with Temple of a Thousand Faces, he brings to life the legendary temple of Angkor Wat, an unrivaled marvel of ornately carved towers and stone statues. There, in a story set nearly a thousand years ago, an empire is lost, a royal love is tested, and heroism is reborn. When his land is taken by force, Prince Jayavar of the Khmer people narrowly escapes death at the hands of the conquering Cham king, Indravarman. Exiled from their homeland, he and his mystical wife Ajadevi set up a secret camp in the jungle with the intention of amassing an army bold enough to reclaim their kingdom and free their people. Meanwhile, Indravarman rules with an iron fist, pitting even his most trusted men against each other and quashing any hint of rebellion. Moving from a poor fisherman's

family whose sons find the courage to take up arms against their oppressors, to a beautiful bride who becomes a prize of war, to an ambitious warrior whose allegiance is torn-- Temple of a Thousand Faces is an unforgettable saga of love, betrayal, and survival at any cost. **READERS GUIDE INCLUDED**
"Parson Kelly" by Andrew Lang, A.E.W. Mason. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Meet Me at the Intersection is an anthology of short fiction, memoir and poetry by authors who are First Nations, People of Colour, LGBTIQ+ or living with disability. The focus of the anthology is on Australian life as seen through each author's unique, and seldom heard, perspective. With works by Ellen van Neerven, Graham Akhurst, Kyle Lynch, Ezekiel Kwaymullina, Olivia Muscat, Mimi Lee, Jessica Walton, Kelly Gardiner, Rafeif Ismail, Yvette Walker, Amra Pajalic, Melanie Rodriga, Omar Sakr, Wendy Chen, Jordi Kerr, Rebecca Lim, Michelle Aung Thin and Alice Pung, this anthology is designed to challenge the dominant, homogenous story of privilege and power that rarely admits & 'outsider' voices.

With Reminiscences

Acclaimed author Margaret George tells the story of the legendary Greek woman whose face "launched a thousand ships" in this New York Times bestseller. The Trojan War, fought nearly twelve hundred years before the birth of Christ, and recounted in Homer's Iliad, continues to haunt us because of its origins: one woman's beauty, a visiting prince's passion, and a love that ended in tragedy. Laden with doom, yet surprising in its moments of innocence and beauty, Helen of Troy is an exquisite page-turner with a cast of irresistible, legendary characters—Odysseus, Hector, Achilles, Menelaus, Priam, Clytemnestra, Agamemnon, as well as Helen and Paris themselves. With a wealth of material that reproduces the Age of Bronze in all its glory, it brings to life a war that we have all learned about but never before experienced.

Reproduction of the original: *The Last Words of Distinguished Men and Women* by Frederic Rowland Marvin

Rev. Pardee Butler was born at Skaneateles, Onondaga County, New York, in 1816, the son of Phineas and Sarah Pardee Butler. His family migrated to Wadsworth, Medina County, Ohio, in 1818, and to Sandusky Plains, Ohio, in 1839. He married Sibyl S. Carleton, daughter of Joseph Carleton, at Sullivan, Ashland County, Ohio, in 1843. Their family migrated to Iowa in 1850, to Illinois, and in 1855 to Kansas. He was a minister, and fought against slavery, and for prohibition. He died at his home near Farmington, Kansas, in 1888.

In this lively novel, artist Nora grapples with heartbreak, aging, and creativity in

off-season Cape Cod. Readers follow her as she meets a unique cast of characters and must decide what she wants out of life.

An Anthology of Gaslamp Fantasy

Parson Kelly

“Perfect for fans of Grace Kelly, royal-watchers, and fans of biographical fiction alike.”—PopSugar A Library Reads Pick and Historical Novel Society Editor’s Choice! A life in snapshots... Grace knows what people see. She’s the Cinderella story. An icon of glamor and elegance frozen in dazzling Technicolor. The picture of perfection. The girl in white gloves. A woman in living color... But behind the lens, beyond the panoramic views of glistening Mediterranean azure, she knows the truth. The sacrifices it takes for an unappreciated girl from Philadelphia to defy her family and become the reigning queen of the screen. The heartbreaking reasons she trades Hollywood for a crown. The loneliness of being a princess in a fairy tale kingdom that is all too real. Hardest of all for her adoring fans and loyal subjects to comprehend, is the harsh reality that to be the most

envied woman in the world does not mean she is the happiest. Starved for affection and purpose, facing a labyrinth of romantic and social expectations with more twists and turns than Monaco's infamous winding roads, Grace must find her own way to fulfillment. But what she risks--her art, her family, her marriage—she may never get back.

During the mid-seventeenth-century persecution of unwed mothers in the aftermath of Charles I's execution, Rachel Lockyer is arrested and tried for murder when a dead child is found in the woods after her affair with Leveller William Walwyn.

This original and engaging text explores the core concepts in feminist theory. This up-to-date text addresses the implications of postmodernism and post-structuralism for feminist theorizing. It identifies the challenges of this through the development of 'conceptual literacy'. Introducing conceptual literacy as a pedagogic task, this text facilitates students' understanding of, for example: - The range and lack of fixity of conceptualizations and meanings of key terms; - The significance of theoretical framework for conceptualization of key terms; - The changing nature of language and the reframing of key terms in research (eg the recent shift from equality to social justice); The text explores these issues

through six key concepts in feminist theorizing: equality; difference; choice; care; time; and experience. Each chapter considers the varied ways in which these terms have been conceptualised and the feminist debates about these concepts. Each chapter includes case studies to illustrate the application of these concepts in feminist empirical research, and provides a guide to further reading. This text will be an invaluable tool for students taking courses in feminist theory and research methods, and students across the social sciences who are taking courses concerned with issues of gender.

THE SULTAN'S EYES is the sequel to ACT OF FAITH. the year is 1648 and life in Venice is serene for Isabella Hawkins and her friends Willem, Al-Qasim and Signora Contarini. together they publish fine books like the controversial encyclopaedia, the Sum of All Knowledge. When a new Inquisitor declares war on free speech however, they are forced to flee across the seas to the wondrous capital of the Ottoman Empire, Constantinople, which is ruled by the infamous Sultanate of the Women. Old friends and new, including the boy Sultan and his sister, welcome them to the world's greatest city. But Isabella is soon entangled in poisonous palace intrigues, while her friends secretly play perilous games

of their own. the fascinating and page-turning sequel to Act of Faith, which was shortlisted for the 2012 NSW Premier's Literary awards, the 2012 Gold Inky awards and highly commended in the 2012 Barbara Jefferis Awards. Praise for Act of Faith: the novel is expansive and impressive, and with Gardiners eloquent words and literary flair she acts as fictional tour-guide breathing life into these cobblestoned walkways and Ghetto communities... a divine story, dripping in history and delivering a wonderful message of freedom, loyalty and bravery. the Alpha Reader Highly recommended... It is fast paced and the intriguing and well researched detail of life on the Continent in the 17th Century will be enjoyed by readers.' ReadPlus

How To Read Jung

The Secret World

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words.

But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

'The world today hangs by a thin thread, and that thread is the psyche of man' C. G. Jung Jung was the original anti-psychiatrist, who believed that the real patient was not the suffering individual, but a sick and ailing Western civilization. He was not interested in developing a narrow therapy that would help fit the individual into an untransformed society. His true aim, in all of his work, was a therapy of the West. David Tacey introduces the reader to Jung's unique style and approach, which is at once scientific and prophetic. Through a series of close readings of Jung's works, he explores the radical themes at the core of Jung's psychology, and interprets for us the dynamic vision of the whole self that inspires and motivates his work. Extracts are taken from Jung's autobiography, Memories, Dreams, Reflections, and from his

collected works, including Archetypes and the Collective Unconscious and Civilization in Transition.

Set in the Australian bush, a wryly funny, beautifully observed novel about friendship, motherhood, love, and the importance of fighting for things that matter. Loretta Boskovic never dreamed she would end up a single mother with two kids in a dusty Australian country town. She never imagined she'd have to campaign to save the local primary school. She certainly had no idea her best friend would turn out to be the crusty old junk man. All in all, she's starting to wonder if she took a wrong turn somewhere. If only she could drop the kids at the orphanage and start over . . . But now, thanks to her protest letters, the education minister is coming to Gunapan, and she has to convince him to change his mind about the school closure. And as if facing down the government isn't enough, it soon becomes clear that the school isn't the only local spot in trouble. In the drought-stricken bushland on the outskirts of town, a luxury resort development is about to siphon off a newly discovered springwater supply. No one seems to know anything, no one seems to care. With a dream lover on a Harley unlikely to appear to save the day, Loretta needs to stir the citizens of Gunapan to action. She may be short of money, influence, and a fully functioning car, but she has good friends. Together they can organize chocolate drives, supermarket sausage sizzles, a tour of the local slaughterhouse—whatever it takes to hold on to the scrap of world that is home.

Warm, moving, and funny, *The Fine Color of Rust* is “a story about love: where we look for it, what we do with it, and how it shows up in the most unexpected packages” (Big Issue, Australia).

Fought over the course of four years, the Civil War pitted countrymen against countrymen, North versus South, friend against friend, and brother against brother. The photographs within these pages document the war that united America as one. These rare shots were taken in the middle of the battlefield during the earliest days of photography. Selected from a collection of seven thousand original negatives, these historic photos capture nearly every aspect of Civil War life. Among these photos are images of camps sprawling across acres, soldiers at their battlements, firing of heavy artillery, the aftermath of battle, and the terror that these young men faced. See first-hand of Union and Confederate officers strategizing their next moves, and Abraham Lincoln addressing his Union commanders. Originally released from the private collection of Edward Bailey Eaton in 1907, this edition is a must have for any Civil War buff or historian. No collection can be considered complete without these photographs by Matthew Brady and Alexander Gardner, as well as the meticulous passages that put the images in illuminating context.

The Fine Color of Rust

December 1940. London. Christopher Larkham finds an ancient Roman ring inscribed with a phoenix on the banks of the Thames. Taking shelter from the firestorm of the Blitz, the ring glows—and he finds himself in 1666, facing the greatest fire London has ever known. Fire and brimstone preacher, Brother Blowbladder, and his men of the Righteous Temple have prayed for the ancient gods of fire to bring flames down upon London, a city of sin. Could Christopher be their messenger? Or was it the strange girl on the quay who drew him back in time? Why do the Righteous men wear the same phoenix symbol as the engraving on Christopher's ring?

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

"Gaslamp Fantasy," or historical fantasy set in a magical version of the nineteenth century, has long been popular with readers and writers alike. A number of wonderful fantasy novels owe their inspiration to works by nineteenth-

century writers ranging from Jane Austen, the Brontës, and George Meredith to Charles Dickens, Anthony Trollope, and William Morris. And, of course, the entire steampunk genre and subculture owes more than a little to literature inspired by this period. *Queen Victoria's Book of Spells* is an anthology for everyone who loves these works of neo-Victorian fiction, and wishes to explore the wide variety of ways that modern fantasists are using nineteenth-century settings, characters, and themes. These approaches stretch from steampunk fiction to the Austen-and-Trollope inspired works that some critics call *Fantasy of Manners*, all of which fit under the larger umbrella of *Gaslamp Fantasy*. The result is eighteen stories by experts from the fantasy, horror, mainstream, and young adult fields, including both bestselling writers and exciting new talents such as Elizabeth Bear, James Blaylock, Jeffrey Ford, Ellen Kushner, Tanith Lee, Gregory Maguire, Delia Sherman, and Catherynne M. Valente, who present a bewitching vision of a nineteenth century invested (or cursed!) with magic. A Kirkus Reviews Best Fiction Book of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Makes *Game of Thrones* look like a nursery rhyme." —Daisy Goodwin, New York Times bestselling author of *The Fortune Hunter* "[Alpsten] recounts this remarkable woman's colourful life and times." —Count Nikolai Tolstoy, historian

and author Before there was Catherine the Great, there was Catherine Alexeyevna: the first woman to rule Russia in her own right. Ellen Alpsten's rich, sweeping debut novel is the story of her rise to power. St. Petersburg, 1725. Peter the Great lies dying in his magnificent Winter Palace. The weakness and treachery of his only son has driven his father to an appalling act of cruelty and left the empire without an heir. Russia risks falling into chaos. Into the void steps the woman who has been by his side for decades: his second wife, Catherine Alexeyevna, as ambitious, ruthless and passionate as Peter himself. Born into devastating poverty, Catherine used her extraordinary beauty and shrewd intelligence to ingratiate herself with Peter's powerful generals, finally seducing the Tsar himself. But even amongst the splendor and opulence of her new life—the lavish feasts, glittering jewels, and candle-lit hours in Peter's bedchamber—she knows the peril of her position. Peter's attentions are fickle and his rages powerful; his first wife is condemned to a prison cell, her lover impaled alive in Red Square. And now Catherine faces the ultimate test: can she keep the Tsar's death a secret as she plays a lethal game to destroy her enemies and take the Crown for herself? From the sensuous pleasures of a decadent aristocracy, to the incense-filled rites of the Orthodox Church and the terror of Peter's torture chambers, the intoxicating and dangerous world of Imperial

Russia is brought to vivid life. Tsarina is the story of one remarkable woman whose bid for power would transform the Russian Empire.

Bearing False Witness

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts.Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat.National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today

heroic Navy SEALs.

Now a New York Times bestseller! From the author of *Truths I Never Told You, Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that *Before I Let You Go* was one of the best novels I had ever read...If you only have time to read one book this year *The Things We Cannot Say* should be that book. Keep tissues handy."—Fresh Fiction "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, New York Times bestselling author

In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dream instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative.

The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for *Before I Let You Go* *Truths I Never Told You* *The Warsaw Orphan*

An angel has returned to Paris. But is it the Angel of Music...or Death? Two years have passed since Christine fled the opera house, put the memories and the horror behind her. And yet, in her dreams, she still hears his voice, feels his moth-light touch on her throat. The rumors involving the legendary Opera Ghost are merely newspaper sensationalism. The Opera Ghost is dead. His tragic life, his epic opera, his obsession with her voice...ended. But with a slow, heart-pounding dread, Christine lets a lie slip from her lips, and heads for Paris. Alone. Because she has to know if Erik is dead. Or if he's alive...and wreaking his vengeance.

Love him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting dressed in bulletproof iron armor made from farmers' ploughs. Historians still disagree over virtually every aspect of the eldest Kelly boy's brushes with the law. Did he or did he not shoot Constable Fitzpatrick at their family home? Was he a lawless thug or a noble Robin Hood, a remorseless killer or a crusader against oppression and discrimination? Was he even a political revolutionary, an Australian republican channeling the spirit of Eureka? Peter FitzSimons, bestselling chronicler of many of the great defining moments and people of the Australia's history, is the perfect person to tell this most iconic of all Australian stories, from Kelly's early days in Beveridge, Victoria, in the mid-1800s, to the Felons' Apprehension Act, which made it possible for anyone to shoot the Kelly gang, to Ned's appearance in his now-

famous armor, prompting the shocked and bewildered police to exclaim "He is the devil!"ove him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting, dressed in bulletproof iron armour made from farmers' ploughs. Meet Me at the Intersection

Minesweeper (Special Forces, Book 2)

The Things We Cannot Say

Debunking Centuries of Anti-Catholic History

Queens of the Renaissance

A Novel of Theodosia Burr and Philip Hamilton

The first-ever detailed, comprehensive history of intelligence, from Moses and Sun Tzu to the present day "A comprehensive exploration of spying in its myriad forms from the Bible to the present day."—Ben Macintyre, "By the

Book," New York Times Book Review "For anyone with a taste for wide-ranging and shrewdly gossipy history—or, for that matter, for anyone with a taste for spy stories—Andrew's is one of the most entertaining books of the past few years."—Adam Gopnik, New Yorker The history of espionage is far older than any of today's intelligence agencies, yet the long history of intelligence operations has been largely forgotten. The codebreakers at Bletchley Park, the most successful World War II intelligence agency, were completely unaware that their predecessors in earlier moments of national crisis had broken the codes of Napoleon during the Napoleonic wars and those of Spain before the Spanish Armada. Those who do not understand past mistakes are likely to repeat them. Intelligence is a prime example. At the outbreak of World War I, the grasp of intelligence shown by U.S. President Woodrow Wilson and British Prime Minister Herbert Asquith was not in the same class as that of George Washington during the Revolutionary War and leading eighteenth-century British statesmen. In this book, the first global history of espionage ever written, distinguished historian Christopher Andrew recovers much of the lost intelligence history of the past three millennia—and shows us its relevance. As we all know and as many of our well established textbooks have argued for decades, the Inquisition was one of the most frightening and bloody chapters

in Western history, Pope Pius XII was anti-Semitic and rightfully called "Hitler's Pope," the Dark Ages were a stunting of the progress of knowledge to be redeemed only by the secular spirit of the Enlightenment, and the religious Crusades were an early example of the rapacious Western thirst for riches and power. But what if these long held beliefs were all wrong? In this stunning, powerful, and ultimately persuasive book, Rodney Stark, one of the most highly regarded sociologists of religion and bestselling author of The Rise of Christianity (HarperSanFrancisco 1997) argues that some of our most firmly held ideas about history, ideas that paint the Catholic Church in the least positive light are, in fact, fiction. Why have we held these wrongheaded ideas so strongly and for so long? And if our beliefs are wrong, what, in fact, is the truth? In each chapter, Stark takes on a well-established anti-Catholic myth, gives a fascinating history of how each myth became the conventional wisdom, and presents a startling picture of the real truth. For example, Instead of the Spanish Inquisition being an anomaly of torture and murder of innocent people persecuted for "imaginary" crimes such as witchcraft and blasphemy, Stark argues that not only did the Spanish Inquisition spill very little blood, but it was a major force in support of moderation and justice. Instead of Pope Pius XII being apathetic or even helpful to the Nazi movement, such as to merit the

title, "Hitler's Pope," Stark shows that the campaign to link Pope Pius XII to Hitler was initiated by the Soviet Union, presumably in hopes of neutralizing the Vatican in post-World War II affairs. Pope Pius XII was widely praised for his vigorous and devoted efforts to saving Jewish lives during the war. Instead of the Dark Ages being understood as a millennium of ignorance and backwardness inspired by the Catholic Church's power, Stark argues that the whole notion of the "Dark Ages" was an act of pride perpetuated by anti-religious intellectuals who were determined to claim that theirs was the era of "Enlightenment." In the end, readers will not only have a more accurate history of the Catholic Church, they will come to understand why it became unfairly maligned for so long. Bearing False Witness is a compelling and sobering account of how egotism and ideology often work together to give us a false truth.

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the

ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

World Fantasy Award Winner: Fiction that "combines a richly textured multicultural background with incisive storytelling," by the author of The Salt Roads (Library Journal). In Skin Folk, with works ranging from science fiction to Caribbean folklore, passionate love to chilling horror, Nalo Hopkinson is at her award-winning best spinning tales like "Precious," in which the narrator spews valuable coins and gems from her mouth whenever she attempts to talk or sing. In "A Habit of Waste," a self-conscious woman undergoes elective surgery

to alter her appearance; days later she's shocked to see her former body climbing onto a public bus. In "The Glass Bottle Trick," the young protagonist ignores her intuition regarding her new husband's superstitions—to horrifying consequences. Hopkinson's unique and vibrant sense of pacing and dialogue sets a steady beat for stories that illustrate why she received the 1999 John W. Campbell Award for Best New Writer. Entertaining, challenging, and alluring, Skin Folk is not to be missed.

A Handbook and Classification

A sparkling, witty and compelling novel based on the tragic rise and fall of the beautiful seventeenth century swordswoman and opera singer, Julie d'Aubigny (also known as La Maupin), a woman whose story is too remarkable to be true - and yet it is. Versailles, 1686: Julie d'Aubigny, a striking young girl taught to fence and fight in the court of the Sun King, is taken as mistress by the King's Master of Horse. tempestuous, swashbuckling and volatile, within two years she has run

away with her fencing master, fallen in love with a nun and is hiding from the authorities, sentenced to be burnt at the stake. Within another year, she has become a beloved star at the famed Paris Opera. Her lovers include some of Europe's most powerful men and France's most beautiful women. Yet Julie is destined to die alone in a convent at the age of 33. Based on an extraordinary true story, this is an original, dazzling and witty novel - a compelling portrait of an unforgettable woman. 'I thought the book was utterly fascinating, dazzlingly original and inventive, and written with such wit and flair. the character of Julie is drawn so poignantly - what a woman!' Kate Forsyth 'An engaging and skilfully told tale of a singular character' Sydney Morning Herald 'The divine creature who plummets 'from the painted clouds' to center stage in Kelly Gardiner's gender-bending picaresque Goddess, is based on an actual historical character, Julie d'Aubigny. Scenes sparkle with period details and sensory impressions: all spectacle and shimmer, all gesture and pose, Baroque mask and mirror and role-play. Gardiner does this very well. And her goddess fascinates.' New York Times Book Review 'This is a wonderful story, made all the more gripping for being founded on truth. Gardiner undertakes to bring this ambiguous and outrageous woman back to life ... she succeeds with flair ... I wholeheartedly recommend this book as the most exquisitely-rendered historical novel I have read in years.'

Historical Novel Society review

The legal situation of the women of ancient Rome was extremely complex, and - since there was no sharp distinction between free woman, freedwoman and slave - the definition of their legal position is often heard. Basing her lively analysis on detailed study of literary and epigraphic material, Jane F. Gardner explores the provisions of the Roman laws as they related to women. Dr Gardner describes the ways in which the laws affected women throughout their lives - in families, as daughters, wives and parents; as heiresses and testators; as owners and controllers of property; and as workers. She looks with particular attention at the ways in which the strict letter of the law came to be modified, softened, circumvented, and even changed, pointing out that the laws themselves tell us as much about the economic situation of women and the range of opportunities available to them outside the home.

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one

happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths-authenticity, persistence, kindness, gratitude, hope, humor, and so on-each of which exists in degrees. Character Strengths and Virtues classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

The Swashbuckler trilogy tells of the adventures of Lily, a young girl who grows from a pirate slave to a pirate princess, for readers 9-12. Titles in the series are: Ocean Without End; The Pirate's Revenge; The Silver Swan.

Women in Roman Law and Society

Ghost Dance

A Sequel to Gaston Leroux's The Phantom of the Opera

Brimstone

Once a pirate slave, Lily Swann is navigator on the Mermaid, running the French blockade of Malta, when she learns her long-lost father may still be alive. But before she can follow up her discovery, Lily clashes with the vile Captain Diablo, who forces her to show him the way to the famed Golden Grotto. Furious when he is unable to locate its fabled wealth, he abandons her to die in the darkness. As she battles her way out, Lily discovers the true treasure of the grotto and her silver sword is soon put to the test. But after another confrontation with Diablo, Lily is cast adrift with her old adversary, Hussein Reis, in a tiny boat without oars, sails, food or water - the pirate's revenge. In the exciting sequel to *Ocean Without End*, Lily Swann's amazing adventures continue in the *Pirate's Revenge*, the second book in the Swashbuckler trilogy, which concludes with the *Silver Swan*.

Includes : Catherine of Siena ; Beatrice d'Este ; Anne of Brittany ; Lucrezia Borgia ; Margaret d'Angouleme ; Renee, Duchess of Ferrara.
