“I felt as if I had had a cathartic emotional experience not by talking but by following Ms. Roxo’s coaching to tune into my energy and desire.” —New York Times

What if your deepest fears and wounds were the KEY to living a turned on, passionate life, sharing your gifts with the world, and having mind-blowing orgasms along the way? And what if you could embrace all of you—all of your messy, wild, raw, sensual self—exactly as you are right now AND still feel good? This is what it means to f\*ck like a goddess—literally and metaphorically. To let life make love to you and enjoy every bit, even the parts that hurt, and to find the magic in all of it. And this is your birthright. So why is it so damn hard for women to simply feel comfortable in their own skin, let alone feel strong and secure enough

to freely share their gifts with the world? “Because each of us has been conditioned, programmed, and literally brainwashed into thinking we are not enough,” writes Alexandra Roxo,” and it is up to us to rewrite that story.” A prominent voice in transformational healing and the divine feminine, Roxo shares tried-and-true methods that have led to both her own healing and that of hundreds of her coaching clients over the years. “We are in need of an uprising of bold, wild women who have reclaimed their bodies and stand in their sacred sexuality for them,” she writes. “As women, we need to liberate our voices, step into total security within ourselves, and fully own our raw, sensual power, finally letting go of the shame, guilt, denial, and repression that’s been put upon us.” The methods in this book will inspire you, challenge you, bring up your resistance, and unleash your gifts. It won’t always be easy, but if you do the work, you’ll discover what it really feels like to f\*ck like a goddess.

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. This book has come forth at this time to offer words of hope, help, and healing to a world in its transformational period!

A man wearies of his search for God within the confines of traditions steeped in western culture. His path crosses that of a friend who speaks of a creative and omnipotent Goddess, the Nurturer, Creator and Destroyer. An inner arousal of recognition sets about an awakening within a timeless place inside him. The man pursues this ancient memory of a nurturing Mother Goddess and finds that She has been awaiting his return to Her. She wakes him each morning at dawn and opens his heart to the memory of their great original union. He is compelled to write his love and adoration for Her in remembered prayers that have been too long forgotten. Soon She directs him to begin recording their dialogues, wherein She challenges the tenets of the Old and Dark Dream of fear by directing his mind to the memories of an earth not defined by borders, governments and religious institutions. Gently, She leads him from the burdensome place of fear to the light and love found in Her heart, the center of Her Womb, the place of peace.

recently, through the increasing globalisation of media products and outlets. Scaled for Success offers the first detailed overview of the mermaids dispersal outside Europe. Complementing previous studies of the interrelationship between the mermaid and Ma Wata spirit in West Africa, this volume addresses the mermaids presence in a range of Eastern, Asian, Australian, Latin American and North American contexts. Individual chapters identify the manner in which the mermaid has been variously syncretised and resignified in contexts as diverse as Indian public statuary, Thai cinema and Coney Island annual Mermaid Parade. Rather than lingering as a relic of a bygone age, the mermaid emerges as a versatile, dynamic and, above all, polyvalent figure. Her prominence exemplifies the manner in which contemporary media-lore has extended the currency of established folkloric figures in new and often surprising ways. Analysing aspects of religious symbolism in visual art, literature and contemporary popular culture, this copiously illustrated volume profiles an intriguing and highly diverse phenomenon. Philip Hayward is editor of the journal *Shima* and holds adjunct professor positions at the University of Technology Sydney and Southern Cross University. His previous volume, *Making a Splash: Mermaids (and Mermaid) in 20th and 21st Century Audiovisual Media*, was published by John Libbey Publishing/Indiana University Press in 2017.
