

## Gods Reach

The Abingdon Theological Companion to the Lectionary begins with the conviction that Scripture speaks first and foremost to Christians now. Its message engages Christian belief and action in the present day. While informed by the best in current biblical studies, its commentary on the Scripture passages of the Revised Common Lectionary focuses on the questions of Christian life in the world that church members bring with them to worship. Each entry seeks to answer the essential questions, "what does this passage say about the Gospel? How does it speak to my encounter with God in Christ, and my calling as a Christian in the world?" This volume is conceived as a companion to biblical and lectionary resources that preachers regularly employ. It showcases theological matters that arise out of both the biblical texts in the lectionary and the church seasons and special days.

REACH for the Visionary Woman of God will help the centered Christian woman think seriously, live faithfully, and develop a plan to fulfill the godly vision burning in her heart. A vision crafted by God has both earthly and heavenly intentions for those known and unknown. Thus, prayer, steadfastness, biblical study, and an unrelenting faith are required for the non-compromising Woman of REACH. A mans heart plans his way, But the LORD directs his steps. (Proverbs 16:9, NKJV)

It is a tale of three men who survived the horror of Nazi Germany during the second world war. the men were able to stay alive during interment in a concentration camp. A struggle was carried out each and every day. Finally they were freed at the end of the war. They came to America and found freedom. Some lost their families and one lost his wife and child. Anger and hate was always in their minds, but they found their faith to be strong and eventually were able to give of themselves to others. It is a remarkable journey. God always finds those in need and hears your prayers. When one finds love in your heart, you can touch the souls of other hearts. Their reward was to be found in the afterlife. There they will continue their struggle to witness and remember those that died during the Holocaust. Their new affirmation was to help people remember and to do good deeds by directly loving others.

"How do I relate to a God who is invisible when I'm never quite sure he's there?"--Philip Yancey Life with God doesn't always work like we thought. High expectations slam against the reality of personal weaknesses and unwelcome surprises. And the God who we've been told longs for our company may seem remote, emotionally unavailable. Is God playing games? What can we count

on him for? This relationship with a God we can't see, hear, or touch--how does it really work?The Reaching for the Invisible God Study Guide gives you a path in your personal quest for answers. Dovetailing with Philip Yancey's book Reaching for the Invisible God, the twelve sessions are your opportunity to journey toward insights that affirm and dignify your most pressing questions--even the ones you may have found it hard to ask. Get ready to experience the challenges and rewards of relating to God as he is, not as you've thought he is. Yancey shifts your focus from questions to the One who offers himself in answer: the God who invites you to reach for him--and find. When our Creator provided the ideas and the words to be written in this book, he intended that it know no racial or ethnic boundaries. It is with this guidance that it is written. Each of us has within us the power and God given talent to produce and achieve great magnitudes of meaningful pursuits. Each Chapter discusses simple, easy to follow strategies to both develop behaviors and cease behaviors as a means by which to reach the ultimate goal of knowing God ' s true purpose for you and then operating in it. To each of you personally, it is my prayer that this book and the self analysis at the end will saturate your mind with thoughts of purpose. Through our Creator ' s wisdom and grace, I reach out to you and encourage you to seek to know and operate in God ' s purpose for your lives – The Time is Now!

This book sounds a bold call for loyalty to God and to God's Davids. God's Davids are leaders-male and female-who are safest to follow because of their unwavering passion to be intimate with Christ. God is turning the hearts of fathers to the children, and giving the children a heart of loyalty to the fathers. Knowing the power of loyalty to produce Kingdom blessing at every level, Satan has done everything in his power to give this subject a bad reputation. But today's generation isn't buying it anymore. Now, more than ever, the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return. Get ready, this book could rock your world.

This poetry book, God's Love Reaching Out Through Inspirational Poetry is designed to touch the heart of an individual. The words from the poetry are true sayings. When an individual read this poetry it is with sincere hope that their mind and heart will receive the words as it minister to them. God's Love Reaching Out Through Inspirational Poetry is another way God is showing His love for His people. God's Love Reaching Through Inspirational Poetry is also design to make you smile, lift your spirits, and feel the warmth of God's love for you. There is a poem in this book that is wrote especially for you, whoever you are. May the Blessings of God be with every individual who purchase and read this book. Rev. Claudia Greene

2021 Facsimile of the First Edition of 1951. No adventure is more compelling than the search for

God, and no discovery is more satisfying than the realness of God. Pondering upon a lifetime of discovery through prayer, Glenn Clark surveys all that he has learned and gives his results and conclusions in a most lucid manner. Beginning with the three dimensions of space, he probes into the mysteries of the seven dimensions of God." He says, "The culmination of all our earthly and heavenly endeavor is Oneness" - oneness with one's neighbor, oneness with God the Father, and oneness with Christ. His treatment of the laws of the universe and the way he applies them to human experience is highly suggestive and practical. Dr. Clark then applies these discoveries to the problems of life - to friends, to health, to guidance and to finance. Finally, the author shows us how to look beneath and beyond the senses to their spiritual reality - beneath confusion lies stillness, beneath confusion lies perfect pattern, etc. This is a book for adventurers with God.

***Open Children's Eyes and Hearts to the World Around Them Even Me follows kid sisters Bella and Arie on their mission trip to Africa. Join this pair as they prepare for their long journey, travel to their faraway destination, meet and serve the people of Uganda, and share the spiritual lessons the Lord taught them along the way. As Bella and Arie's adventure unfolds, children will experience a new culture and see what a short-term mission trip looks like, from fundraising to service projects to sharing about Jesus. They will learn that regardless of culture, class, or color, all people are made in God's image and loved equally by Him. Most important, young ones will discover that God can use them to accomplish great things. Use this story to spark meaningful conversations about His purpose and plan for children's lives.***

"How do I relate to a God who is invisible when I'm never quite sure he's there?" -- Philip Yancey Life with God doesn't always work out like you think it should. High expectations slam against the reality of personal weaknesses and unwelcome surprises. And the God who, you've been told,

wants a personal relationship with you may seem remote, emotionally unavailable. Is God playing games? What can you count on this God for? How can you know God? This relationship with a God you can't see, hear, or touch--how does it really work? Reaching for the Invisible God offers deep, satisfying insights to the questions you are sometimes afraid to ask. Honest and deeply personal, here is straight talk on Christian living for the reader who wants more than pat answers to life's imponderables. Ultimately, Yancey shifts the focus from your questions to the One who offers himself in answer. "A brilliant book. It is both profound and simple, the best blend, in my view. Simple is neither shallow, nor simplistic. The sections on doubt and God's 'absence' are classics." -- Rick Warren, pastor and author, *The Purpose Driven Life*

Currently, much of what is happening in the world is not good. The world is in chaos. Problems exist worldwide. Terrorism, violence, destruction, disease, drugs, and death are in countries and communities all over the world. There is hurt, heartache, and pain. Consequently, hopelessness and fear controls the hearts and minds of many people. The world is searching for a solution. The world is hungry for hope. The world is looking for a leader. The church is that leader. The church has what the world needs. And what the world needs now is the grace of God. By following God's strategic design and communicating his strategic message, the church can lead the world to discover the solution and hope it needs...the message of God's grace, the grace he has freely and abundantly provided for us in Jesus.

This book is a spiritual GPS guideline for your life. It will pick you up and give you a recipe for navigating through many of the storms life will bring. Following the principals of this book will help you in areas of marriage, career and overall life. Success is in reach of the believer in Christ, this book will help you and aid you along with your bible in figuring out the "why's", of life. The solutions come with understanding that with every journey on land and sea there must be a way to reach your destination. Sometimes even with a map there is a need to plot a different course. Still trying to reach the same destination just taking a different way. This book will strengthen faith to help you reach your destination.

WHAT ARE YOUR STRONGEST DESIRES FOR THE FUTURE? A new job or

career? Marriage? A lifestyle change? Mastering a skill? A creative accomplishment? An athletic triumph? Your dreams are often far more within your reach than you realize. God has ordained each of our lives to certain accomplishment, Blaine Smith stresses. He has given us the capacity to dream big -- and those dreams that stand the test of time are often a vital indication of what he wants us to do with our lives. We must not be too inclined to "play it safe," but need to stay open to new steps of faith. In this new book (April 2012), Blaine provides a strong mix of encouragement and practical help for taking these steps and putting your dreams in motion. He examines the positive role of desire in the Christian life, which so often is neglected in Christian teaching. He looks carefully at problems we face in finding permission to embrace our heart's desires. And he encourages us to continue to think big and pursue fresh dreams for as long as God gives us the ability. Reach Beyond Your Grasp will help you to: Identify which of your dreams are most important to pursue Successfully set goals to achieve your dreams Understand how faith and hope relate to your achievements Draw on others' help successfully Pray effectively about your dreams Deal with setbacks and move beyond them Deal with fears of failure and success Joyfully succeed This book will give you the heart to reach that new horizon, and the know-how to do it. It's time to expand your sights and embrace God's bigger picture for your life M. Blaine Smith, a Presbyterian pastor, is author of ten books, including Knowing God's Will, The Yes Anxiety, and Should I Get Married?. He is director of Nehemiah Ministries in the Washington, D.C. area.

Unlocking the Secret Broadcast Revealing the Mystery of Everything

In a world that is growing more secular with lives that are increasingly engaged in consumerism, our Spirit must fight mightily to be recognized, by ourselves as well as others.

What's worse, many are unaware of the dangers that engulf us.

Matthew 24:33 cautions; "Even so, when you see all these things, you know that it is near, right at the door" but many today think the Bible is merely an outdated book meant for religious zealots, rather than sixty six historical texts filled with history, and some very graphic descriptions of the future that is unfolding before us - today! In sharing my own story and trying to answer those questions that trouble all of us it is my hope to awaken the curiosity that has sparked mankind's questioning about who we are, and why we are here. All too often I hear the refrain "we cannot know the mind of God!" Perhaps, but I firmly believe that having been given intellect and curiosity, we have an obligation to try to use rational thought to get closer to understanding all the many questions that start with "why?" Faith is difficult to achieve, and harder to maintain. Even the disciples were regularly challenged in their faith, and they knew Jesus personally; they walked with Him daily. How much harder must it be for us these two thousand years later, in a world that is falling apart around us?

A renowned writer and teacher opens up the mystery of Christ's descent into hell on Holy Saturday, revealing a spirituality that recognizes Christ's solidarity with us in our own suffering and trials.

This is a new release of the original 1938 edition.

"Your Cry Have Been Heard" has a message the world needs to hear, a message of hope from people who have been lost, experienced deep pain, who have been in the bottom of the pit and have found the way out to let us know that no matter who we are, no one is beyond God's reach. It is a unique book filled with wisdom and love, a book that will impact its readers - and with enough readers, will have a positive impact on society as a whole to make this world a better place for all of us to live in. In the fifty plus years I have walked with God, I have seen times change. The world is no longer a place where even children and youth can feel safe and secure. Abuse increases, crime is in the news daily, horror stories I can't fathom. God's Word predicts this - evil will increase in the end times. Beth Michael I don't get easily touched by writers except for the likes of Ted Dekker. YOUR CRY HAS BEEN HEARD is everything I imagined and much more. With its insight, candor, personal tragedies and triumphs this book will mesmerize the reader and go a long way in redeeming many hearts to the throne of grace. God's signature is clearly with this Ministry; it shall come to pass that this book will be published successfully and our goal to touch as many hearts as possible will succeed beyond our wildest dreams. Are you ready to experience God's best? In *How to Reach Your Full Potential for God*, best-selling author, teacher, and pastor Dr. Charles F. Stanley lays out seven essentials to an abundant life—the life of purpose that God planned specifically for you. "You are not here by accident... You are here to accomplish a job that God assigned to you from eternity past." If you settle for less than God's best in your life, the world will lose your contribution, and you will miss the exhilaration of reaching your full potential. "It is an awesome, eye-opening, and inspiring thing to catch a glimpse of how God is working in your life—weaving together who He made you to be with those things He has prepared you to do and experience." Chapter by chapter, Dr. Stanley makes the biblical path to fulfilling your God-given potential clear, practical, and inspiring. Follow it to experience the joy, peace, and love that your heavenly Father has waiting for you. Read these pages, embrace these principles, and enjoy every moment of life at its best.

Are you ready to experience God's best? In *How to Reach Your Full Potential for God*, best-selling author, teacher, and pastor Charles F. Stanley laid out seven essentials to an abundant life—the life of purpose that God planned specifically for you. The *How to Reach Your Full Potential for God Study Guide*, takes you even deeper into biblical text to understand your unique role in the Father's kingdom. To help you, there are: Think About Today, Think About God, and Think About the Future sections to unpack the present, plan for the future, and discover God's purpose through it all; Bible passages to go deeper into the message of the book; A variety of questions, checklists, and writing exercises to unveil what Scripture teaches about your potential; And personal questions to help you discover more about your spiritual journey toward God's best. Dr. Stanley says, "You are not here by accident. . . . You are here to accomplish a job that God assigned to you from eternity past." in this study guide, Dr. Stanley makes the biblical path to fulfilling your God-given potential clear, practical, and inspiring. Complete these exercises and find new vistas of joy, peace, and love that your heavenly Father has waiting for you. Paul's use of scripture, biographical vignettes, scripture memory challenges, and chapter recaps make this book on prison evangelism very readable, inspirational, and convicting. All principles are appropriate for everyone who desires to evangelize the lost. My experiences in prison over 15 years with hundreds of men have taught me that God delights in making this kind of spiritual transformation for others to see just what God can do in the lives of those who believe in Jesus as Lord and Saviour.

Everlasting Life is a compilation of books about growing with God into a stronger, healthier relationship with Jesus and yourself. This series will help you to create a greater sense of intimacy with the Lord and bring healing to your soul. If approached with an open heart and mind, God can use the words of this book and the Scriptures to ignite healing and transformation from the inside out. God can take anyone from a place of brokenness and despair to finding healing and restoration through Jesus Christ. He is well able to take our pain and use it for greatness. God reveals Himself to everyone who will listen. He chases those who are lost and wounded, because of His desire to have an intimate, personal relationship with us. He meets everyone right where they are. God accepts us as we are while we are growing in Him, because His love far outweighs all of our mistakes. God's love is so intense for us that He provided His Son as the ultimate sacrifice. No one is ever too far beyond God's reach.

Spirituality Is God's Attempt To Reach Man; But Are We Listening?

The answer is surprising, and what we're about to learn will wake us up to a reality most of us never knew existed. The reason we're so oblivious is because we've all been operating at human speed, relying on our own physical power and our five senses. But there is something extremely important we've all been missing. It holds the key to everything good—the key to life, success, happiness, peace of mind, and understanding beyond our wildest imagination. It's perhaps the best-kept secret in the history of mankind and it packs a staggering, invigorating message that can change your life for the better—improving understanding, eliminating anxiety, and helping to extend your living years indefinitely. All we have to do is open our eyes and ears. We're all inundated with this secret at all times. It's present in our favorite songs and movies, the sto

tell our children, and even in every commercial campaign! The secret is broadcast in famous stories including the coronavirus pandemic, the sinking of the Titanic, or the collapse of the World Trade Center on 9/11. It's in ordinary life activities such as breathing, sleeping, waking up, traveling, sex, and getting married and changing one's name. Now, bestselling author and award-winning journalist Joe Kovacs reveals the solution—cracking the divine code that shifts our mission from operating at slow, human speed and making the jump to the incredibly quick "God speed." Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands.

Dangerous churches should be norm. Church leaders and church people alike shrink back from danger because we want safety. Jesus said that he's overcome the world and its troubles.

Dangerous churches put everything on the line for the one thing that matters most: reaching people. It's dangerous not to be a dangerous church. The book is less about methods or even the message of God, but about a church that risks everything it has to reach lost people. Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees, grown from one service on many campuses, and baptized 5,000 people along the way. A dangerous church is what "only God" can do when it acts upon what the church is supposed to be. It risks everything to reach people. God wants us to live on the edge of our margin when it comes to mission and methods. So much of Living Hope's journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were, where they were and what they had to do with. They learned to abandon agendas and short-sighted human plans, especially ones that copy what other churches are doing. That's when they found God's blessing. "We went from being a good church to being God-honoring church," he reports. Drawing insight from the book of Acts, this book unfolds the very personal journey of a pastor, and then his entire church, when they finally began to live a dangerous faith. The transition had a dramatic impact on the pastor's life and marriage, as well as on the congregation and its outreach. It opened a new sense of mission and incredible spiritual fruitfulness. The pastor is not only a radically different person today, but the entire church has become an atmosphere that values taking dangerous steps of faith. It will lead Christ's followers to become risk-takers who change the world through a revolution that begins with a dangerous grace. The book is story-rich with examples of the grace-filled culture from Living Hope Church through the experiences of its pastor, John Bishop. It will avoid a smug attitude that implies "we've arrived," "we're the first to live out grace" or "we're the best at giving grace." Instead, the book will convey a humble attitude of "we've got a lot to learn," including examples of mistakes the church has made along the way. The rapid transition of Living Hope will not be projected as a speed for other churches to follow (lest the book invite a crash and burn outcome at other churches). Thus the book will find its primary story in and from Living Hope. In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US. They have also been listed among the 50 most influential churches in America.

Was Mary, the mother of Jesus, alone and afraid when the angel told her of the virgin birth? It is not what the Bible says. In the first chapter of this book, read the Christmas story as you never have heard it before. Do you remember Jehu? What about the prophet Balaam? Do you recall what his donkey said? Do you remember the soldier's famous words of faith at the crucifixion of Jesus? What about the holy man who walked barefoot with bare buttocks for ten long years? R.A. Mathews brings these stories to life in her weekly faith column, inspiring countless readers to live lives closer to God. Available for the first time in paperback, now you can enjoy twenty-four of these great truths from the Bible.

Reach Beyond Your Grasp

Grace is God's all-reaching, never-ending, game-changing love for you and me. In this series, Jorge Acevedo and Wes Olds examine God's Word and discover how grace works in our lives and in our world. A Grace-Full Life seeks to answer the questions: In what ways is God an ever-present God?, Why does God want to have a personal relationship with me?, How can I fully experience and respond to God's grace?, How can I die well surrounded by God's grace?. Themes include: Prevenient grace: God's wooing or drawing grace Justifying grace: God's saving grace Sanctifying grace: God's grace that makes us more like Jesus Glorifying grace: God's grace that welcomes us to eternity The Leader Guide contains everything needed to guide a group through the four-week study including session plans and discussion questions, as well as multiple format options.

This book puts C. S. Lewis, David Hume, and Bertrand Russell in dialogue with one another.

God's love is steadfast for survivors who chose to leave an abusive marriage but still suffer the aftershocks When someone leaves an abusive marriage, life isn't instantly fixed. Women who have experienced domestic violence feel shattered. Because of the trauma they've been through, a bond with their abuser has formed that keeps them tied together long after they've physically left. Karen DeArmond Gardner understands these difficulties all too well. She tackled all the same struggles when she left her own abusive marriage. And she intimately knows what women in this situation need in order to gain freedom from the lies of abuse-to be reborn as the people God longs for them to be. Hope for Healing from Domestic Abuse isn't a how-to book with a few easy steps. Instead, it's a biblically based map for a long journey to healing. By recounting her own history--as well as the faithfulness of God when she was willing to follow His direction--Karen helps readers: discover there is life beyond abuse recognize God's relentless pursuit of their heart gain courage to release the trauma of their past regain life, hope, and wholeness in Jesus's healing love Gardner's inside perspective, strong voice, and incredible, vulnerable story of deliverance from the bonds of abuse allow readers to find themselves in her words and feel heard at last. She puts hope back in their hands, with the assurance that God loves them deeply and wants them to know they aren't defined by their trauma, their past, or their brokenness.

Path of the Purified Heart traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique, fascinating way. Drawing on the voices of wise elders from the past and present, Dunham illumines the common path all Christians and spiritual seekers may take toward union with God. Through the motifs of the liturgical year and the labyrinth, the author weaves in her own journey on this path during her "year of purification."
