London operatic adaptations have been maligned, but this comprehensive study demonstrates their importance to theatre, opera and canon formation.

Accepting Dante’s prophetic truth claims on their own terms, Teodolinda Barolini proposes a “detheologized” reading as a global new approach to the Divine Comedy. Not aimed at excising theological concerns from Dante, this approach instead attempts to break out of the hermeneutic guidelines that Dante structured into his poem and that have resulted in theologized readings whose outcomes have been overdetermined by the poet. By detheologizing, the reader can emerge from this poet’s hall of mirrors and discover the narrative techniques that enabled Dante to forge a true fiction. Foregrounding the formal exigencies that Dante masked as ideology, Barolini moves from the problems of beginning to those of closure, focusing always on the narrative journey. Her investigation—which treats such topics as the visionary and the poet, the One and the many, narrative and time—reveals some of the transgressive paths trodden by a master of mimesis, some of the ways in which Dante’s poetic adventuring is indeed, according to his own lights, Ulyssean.

Opera is often regarded as the pinnacle of high art. A “Western” genre with global reach, it is where music and drama come together in unique ways, supported by stellar singers and spectacular scenic effects. Yet it is also patently absurd -- why should anyone break into song on the dramatic stage? -- and shrouded in mystique. In this engaging and entertaining guide, renowned music scholar Tim Carter unravels its many layers to offer a thorough introduction to Italian opera from the seventeenth to the early twentieth centuries. Eschewing the technical musical detail that all too often dominates writing on opera, Carter begins instead where the composers themselves did: with the text. Walking readers through the relationship between music and poetry that lies at the heart of any opera, Carter then offers explorations of five of the most enduring and emblematic Italian operas: Monteverdi’s The Coronation of Poppea; Handel’s Julius Caesar in Egypt; Mozart’s The Marriage of Figaro; Verdi’s Rigoletto; and Puccini’s La Bohème. Shedding light on the creative collusions and collisions involved in bringing opera to the stage, the various, and varying, demands of the text and music, and the nature of its musical drama, Carter also shows how Italian opera has developed over the course of music history. Complete with synopses, cast lists, and suggested further reading for each work discussed, Understanding Italian Opera is a must-read for anyone with an interest in and love for this glorious art.

1984/1999: anni duri per un tifoso dell'AS Roma. Anni in cui spesso si vinceva poco, e non stiamo parlando di trafel, ma proprio di partite. Anni di sconfitte che hanno lasciato ferite mai rimarginate, in cui al posto della Champions League c'era la Coppa Italia. Anni in cui andare a vedere una partita dal vivo era sicuramente più pericoloso di oggi, ma lo stadio si riempiva sempre e comunque, perché non ci si poneva nemmeno la domanda se ne valesse la pena. Chi era sugli spalti si sentiva protagonista, convinto che ogni punto sarebbe dipeso anche dal suo contributo vocale o coreografico, e i giocatori erano apprezzati e valutati per la grinta che mettevano in campo, non per il numero di followers. L'attaccamento alla maglia non era una farsa fatta, e chi dimostrava di averlo riusciva a creare un legame con la gente che sarebbe durato più della propria carriera. Chi veniva a vedere una partita all'Olimpico aveva occhi innanzitutto per la Curva Sud, quasi incidentalmente guardava il gioco. E quando partiva il coro "Che sarà sarà", speranze e sogni tornavano a mischiarsi tra fumogeni e bandiere giallorosse.

Every so often a love story captures our hearts and becomes more than just a story - it becomes an experience to treasure and to share. The Notebook is such a book. It is a celebration of a passion both ageless and timeless, a tale of laughter and tears, and makes us believe in true love all over again. At thirty-one, Noah Calhoun is rebuilding his life on the coast after the horrors of World War II, but he is haunted by images of the girl he lost more than a decade earlier. Allie Nelson is about to marry into wealth and security, but she cannot stop thinking about the boy who stole her heart years ago. And so begins an extraordinary tale of a love so strong it turns tragedy into strength and endures everything . . . 2014 marks the 10th anniversary of the film adaptation of The Notebook starring Ryan Gosling and Rachel McAdams. This new edition includes gorgeous colour photographs from the film, author Q & A, discussion questions and an exclusive chapter from The Longest Ride, the new Nicholas Sparks novel.

Join Rafe as he survives white-water rafting, camp counselors, and rock climbing in this hilarious New York Times bestseller from the Middle School series. After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, he's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion-complete with dangerous white-water rafting, dizzying rock climbing, and fanatical counselors. Rafe and the rest of the pack of "delinquent" trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will he go home as the same insecure kid? Both heartwarming and hilarious, Save Rafe! is a story of perseverance and courage as only James Patterson could tell it.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephanie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of genre and thematic concerns, the volume contributes to the ever-expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.

"Confessioni di un milanista" è il racconto di una vita attraverso le partite della propria squadra del cuore. Trent'anni di passioni, dolori, amori e delusioni, filtrate da uno sfondo rossonero in mezzo a una realtà concreta. Cambiare se stesso mentre cambia la squadra per cui si è sempre fatto il tifo? Quo non c'è nessuna madelaine proustiana, né tantomeno la "febbre a 90" di Hornby. Alla fine è solo cronaca e memoria, quindi presa di coscienza.

Cuarta entrega de la serie «Goll», que sigue las aventuras de ocho niños que comparten una pasión: ¡el fútbol! Ocho niños. Una pasión: el fútbol. Un sueño: ¡ser los mejores! Ya hemos llegado al ecuador del campeonato, ¡y los Cebolletas están a solo un punto del líder! Pero su mayor reto no va a ser conseguir el primer puesto, sino superar los problemas internos. Desde que Fidu dejó el fútbol, nada es lo que era: a Dani le disgusta estar bajo los tres palos, Tomi tiene celos de Becan y las gemelas se despidan continuamente... Por suerte, Gaston Champignon les va a recordar la lección básica del deporte en equipo: lo más importante es mantenerse unidos.

Since the mid-1960s, Western public opinion has focused on the issue of human rights violations in the Soviet bloc, which has been a matter for increasing concern. Growing Dissent in Eastern European countries and the CSCE process compelled the Left in Western Europe to face the contradictions and inconsistencies of the communist countries. This issue became a key topic in domestic political debate in France - a country of freedom by definition - where many Eastern European emigres established themselves.
 In this book, Dissent is used as a prism through which to study relations between the Parti Communiste and the Parti Socialiste in France, and Eastern European governments. The main focus is the political confrontation between the two main parties of the French Left - from the <lt>union de la gauche to their <lt>cohabitation in government in the early 1980s.
 The study is based on wide-reaching research using primary archive documents, as well as press analyses and interviews, mainly in France and Italy, but also in the United Kingdom, the United States, Spain and the Netherlands. The book examines international relations, domestic policies and cultural history to paint a complex picture of the fight for leadership of the French Left during the 1970s."

Boris Berman draws on his intimate knowledge of Prokofiev's work to guide music lovers and pianists through the composer's nine piano sonatas.

"Hall was the first to study this material whole and in such depth; the result of her study remains an important, and in many ways path-breaking, piece of work."--Douglas Jarman, author of The Music of Alban Berg

In reconstructing the birth and development of the notion of 'unconscious', historians of ideas have heavily relied on the Freudian concept of Unbewussten, retroactively projecting the psychoanalytic unconscious over a constellation of diverse cultural experiences taking place in the eighteenth and nineteenth centuries between France and Germany. Archaeology of the Unconscious aims to challenge this perspective by adopting an unusual and thought-provoking viewpoint as the one offered by the Italian case from the 1770s to the immediate aftermath of WWI, when Italo Svevo's La coscienza di Zeno provides Italy with the first example of a "psychoanalytic novel." Italy's vibrant culture of the long nineteenth century, characterised by the sedimentation, circulation, intersection, and synergy of different cultural, philosophical, and literary traditions, proves itself to be a privileged object of inquiry for an archaeological study of the unconscious; a study whose object is not the alleged 'origin' of a pre-made theoretical construct, but rather the stratifications by which that specific construct was assembled. In line with Michel Foucault's Archéologie du savoir (1969), this volume will analyze the formation and the circulation, across different authors and texts, of a network of ideas and discourses on interconnected themes, including dreams, memory, recollection, desire, imagination, fantasy, madness, creativity, inspiration, magnetism, and somnambulism. Alongside questioning pre-given narratives of the "history of the unconscious", this book will employ the Italian 'difference' as a powerful perspective from whence to address the undeveloped potentialities of the pre-Freudian unconscious, beyond uniquely psychoanalytical viewpoints.

John Wells introduces the opera with a high-spirited account of the action-packed career of the author, in many respects the prototype of Figaro himself. Basil Deane explores the score: he shows that Mozart's characters are illuminated here not so much in soliloquies but in their reactions to each other. Composer Stephen Oliver discusses how the comedy exists not just in the words but, essentially, in the music. The full Italian text is given, with a note on the order of scenes in Act Three and the alternative passages Mozart wrote for the 1789 revival. The classic translation of E.J. Dent is an excellent way to get to know the twists and turns of the plot and the stylish wit of da Ponte's innuendos.Contents: A Society Marriage, John Wells; A Musical Commentary, Basil Deane; Music and Comedy in 'The Marriage of Figaro, Stephen Oliver; Beaumarchais's Characters; Le nozze di Figaro: Libretto by Lorenzo da Ponte; The Marriage of Figaro: English version by Edward J. GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize–winning playwright and co-writer of In the Heights tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.”—Lin-Manuel Miranda, award-winning creator of Hamilton and In the Heights Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she’d have to get off the stairs and join the dance. She’d have to find her language. Weaving together Hudes’s love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multitythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.**

Music: A Social Experience offers a topical approach for a music appreciation course. Through a series of subjects—from Personal and Worship to Music and War and Music and Gender—the authors present active listening experiences for students to experience music’s social and cultural impact. The book offers an introduction to the standard concert repertoire, but also gives equal treatment to world music, rock and popular music, and jazz, to give students a thorough introduction to today’s rich musical world. Through lively narratives and innovative activities, the student is given the tools to form a personal appreciation and understanding of the power of music. The book is paired with an audio compilation featuring listening guides with streaming audio, short texts on special topics, and sample recordings and notation to illustrate basic concepts in music. There is not a CD-set, but the companion website with streaming audio is provided at no additional charge.

Revised 3rd edition. An annotated list of solos, graded method materials, reference reading, flute ensembles, music for alto flute, piccolo and bass flute. Over 3,500 entries, representing more than 1,700 composers and authors. Used throughout the world by flutists, artists, teachers, libraries and music dealers.
