The Internet’s favorite chubby, tubby tabby is back in this miniature version of the Pusheen Coloring Book, now with perforated pages so you can easily tear out your creations to share and show-off–purr-fect for cat lovers and coloring book fans everywhere!

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources. "Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right." -- Peyton Manning "He coaches the way players want to be coached." -- Ben Roethlisberger "He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back." -- Andrew Luck "We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings . . ." -- Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.

Searching the Home of Golf for the Secret to Its Game

The Brain That Changes Itself

*A Golf collection From his favourite chair on the terrace above the ninth hole, The Oldest Member tells a series of hilarious golfing stories. From Evangeline, Bradbury Fisher's fifth wife and a notorious 'golfing giggler', to poor Rollo Podmarsh whose game was so unquestionably inept that 'he began to lose his appetite and would moan feebly at the sight of a poached egg', the game of golf, its players and their friends and enemies are here shown in all their comic glory. One of Wodehouse's funniest books, The Heart of Goolf is a collection of peerlessly comic short stories.*

*The crucial sequel to the New York Times bestselling The Secret History of Twin Peaks, this novel bridges the two series, and takes you deeper into the mysteries raised by the new series. The return of Twin Peaks is one of the most anticipated events in the history of television. The subject of endless speculation, shrouded in mystery, fans will come flocking to see Mark Frost and David Lynch’s inimitable vision once again grace the screen. Featuring all the characters we know and love from the first series, as well as a list of high-powered actors in new roles, the show will be endlessly debated, discussed, and dissected. While The Secret History of Twin Peaks served to expand the mysteries of the town and place the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, Twin Peaks: The Final Dossier tells us what happened to key characters in the twenty-five years in between the events of the first series and the second, offering details and insights fans will be clamoring for. The novel also adds context and commentary to the strange and cosmic happenings of the new series. For fans around the world begging for more, Mark Frost’s final take laid out in this novel will be required reading.*

*Gracie and her friends find a mysterious metal basket in the park. As they investigate further they learn the great game of disc golf.*

*The slice haunts millions of golfers worldwide, but the answer is finally here. Slice-Free Golf will eliminate your banana ball and add more distance, consistency and fun to your game. In three easy steps, Slice-Free Golf will transform your weak slice into a powerful and consistent draw. Slice-Free Golf features dozens of drills specifically designed to cure the slice, a cut-out visual guide to success, hundreds of photos and much more. There are countless golf instruction books on the market, but Slice-Free Golf is the only one focused solely on curing the slice. A fun, easy-to-understand book that delivers fast, permanent results. Say goodbye to the banana ball!"If cutting the ball is frustrating you, please read Slice-Free Golf. By following Brian's program, you will also develop more consistency, greater distance off the tee, and more enjoyment on the golf course." -- Gary Player, winner of 18 Major Championships, including the career Grand Slam on both the PGA & Champions Tour."I've played in pro-ams for nearly 25 years...By far, the most frustrated and miserable golfers were the slicers. Follow Brian's lead and leave your slice in the kitchen. Golf can be powerful, satisfying and fun for everyone...cool book!!!" -- Dottie Pepper, winner of 17 LPGA Tour events, including two major championships. Golf Commentator for NBC and The Golf Channel.PGA Professional and TV golf commentator Brian Crowell takes the golfer through three easy steps, all clearly explained and illustrated. In Step One, he demonstrates his revolutionary approach to set-up that eliminates many of the golfer's most common faults. Step Two covers the swing itself without the mumbo jumbo that accompanies much golf instruction. In Step Three, you'll learn how to let nature take its course so you finish your swing with a smooth release. It all adds up to produce a powerful, consistent draw. Slice-Free Golf includes over two dozen drills to help you banish your banana ball forever. Using common items found in every household and golf bag, Crowell shows you how to break the bad swing habits that destroy your scores. Each drill is illustrated, explained and proven to produce results.The book also includes extensive bonus material about which clubs you should use, how to eat and stay fit for peak performance on the golf course, and how to conquer the mental game."If you slice, Slice-Free Golf is a MUST read...well-written, with humor!" -- Scott McCarron, three-time winner on the PGA TOUR.*

BONUS: Includes how to draw Max Meow! “Funny, furry and fantastic!” --Judd Winick, New York Times Bestselling Creator of the Hilo series “Max Meow’s super heroics will have kids meow-ling with laughter!” --John Patrick Green, creator of the InvestiGators series

Ben Hogan is up with Jack Nicklaus as one of the greatest golfers of all time. He equalled the record of four US Open wins, once won five out of six major tournaments in one season, and is credited with effectively defining the modern game of golf. James Dodson ’ s magisterial biography, written by the bestselling author of Final Rounds, is the first to be authorised by Hogan ’ s family, and reveals the complex character behind a golfer legendary for his inscrutable, steely public persona. Dodson shows how the dauntless determination that saw Hogan to four US Open victories masked a man ever haunted by a long-buried childhood tragedy, and brings out the miracle of his fightback after a catastrophic car accident to win the Masters, US Open and British Open all in 1953. Above all, he lays to rest the notion of Ben Hogan as an austere, impassive golf-machine, uncovering a jovial man with a charitable spirit and sharp business sense. Intimate, eloquent and definitive, this is the final word on one of the greatest golfers of all time.

“ Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games. ” —Anthony Robbins, #1 New York Times–bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game ’ s greats. The Single Plane Golf Swing: Play Better Golf the Moe Norman Way reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency—every time. Norman ’ s simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as “ Little Moe ” and regarded as the world authority on Norman ’ s swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called “ The Feeling of Greatness. ” Graves shares Norman ’ s brilliant insights and liberating approach to the game and demonstrates why the conventional “ tour ” swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O ’ Connor, Norman ’ s biographer, the book also engagingly tells Norman ’ s bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. “ One of golf ’ s greatest untold stories, Moe Norman ’ s life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success. ” —Dan Coyle, New York Times-bestselling author of The Culture Code

Remarkable Golf Courses encompasses the extremes of the sport – from the highest golf course in La Paz, Bolivia, to the lowest, in Death Valley, USA; from the most northerly in the Arctic Circle to the most southerly in Tierra del Fuego. The many quirks of the golfing world are covered, such as the 18th green the other side of the River Lea which is serviced by an electric ferry, or the LA golf course that has its own funicular railway, or the floating golf hole in Idaho, where it ’ s not just the pin position that ’ s changed every day, it ’ s the distance from the shore! Golf courses that feature neolithic standing stones (Scotland), Roman roads (England), and ruined medieval castles (Wales) take their place alongside the old temples of Delhi or a UNESCO World Heritage bridge that is used to link the 9th and 10th at Angkor Wat. There are the beloved classic courses of St. Andrews, Carnoustie, Royal St. George and Westward Ho!. There are spectacular golf courses hewn out of the Nevada and Arizona desert, green oases in a cactus-strewn, rocky landscape, along with Hawaiian courses fringed by barren black lava flows. But nothing can beat the thrill in Guatemala of lining up your drive on an active volcano at the Fuego Maya course. In comparison there are the traditional wind-blown Scottish links, such as the Machrie Hotel on the island of Islay which has the most blind greens on any course, or the remote Isle of Barra where greens are only accessible via a kissing gate. Fancy swapping countries mid-round? You can at the Llanmymynech club in Wales. At the fourth hole golfers tee off in Wales and putt out on the green in England. Remarkable Golf Courses brings together some astonishing stories with some extraordinary photography.

The book teaches you how to create sexual attraction in women & get women to chase & pursue you! It takes you step by step with easy to follow instructions. You will be able to meet women anytime, anyplace, & anywhere...this will give you choice with women. Whether you are single & searching or already with your dream lady, my book has the secrets most men will never know about women.**

A spiritual journey, a lush travelogue, a parable of sports and philosophy—John Uppike called this unique novel “a golf classic if any exists in our day.” When an American traveler on his way to India stops to play a round on one of the most beautiful and legendary golf courses in Scotland, he doesn’t know that his game—and his life—are about to change forever. He is introduced to Shivas Irons, a mysterious golf pro whose sublime insights stick with him long after the eighteenth hole. From the first swing of the Scotsman’s club, he realizes he is in for a most extraordinary day. By turns comic, existential, and semiautobiographical, Michael Murphy’s tale traces the arc of twenty-four hours, from a round of golf on the Links of Burningbush to a night fueled by whiskey, wisdom, and wandering—even a sighting of Seamus MacDuff, the holy man who haunts the hole they call Lucifer’s Rug. “Murphy’s book is going to alter many visions,” The New York Times Book Review declared. More than an unforgettable approach to one of the world’s most popular sports, Golf in the Kingdom is a meditation on the power of a game to transform the self.

The Final Dossier

Finish to the Sky brings the special golf relationship between Moe Norman and Greg Lavern to life. This allows the reader to join us while Moe developed my golf swing to his own likeness Moe Norman style. My book has made possible the proper direction from set-up to finish based on the true Moe Norman golf swing Moe won all his tournaments with which he passed on to myself. I have included Moe Norman’s Final Secrets. There are three secrets in the book that we both held close to us for many years. The outstanding swing sequences of a dynamic Moe in 1963 and 1964 make these final secrets clear and straight forward. Every golfer can take something positive from this book and incorporate into your own natural golf swing. When you do the right things you will learn to flow and move like we do. Finish to the Sky will electrify your old golf shots into pin point accurate one’s. Now you will have the same secrets the straightest ball striker in the world believed in for the purist results.

From the New York Times bestselling author and former beauty editor Cat Marnell, a “vivid, maddening, heartbreaking, very funny, chaotic” (The New York Times) memoir of prescription drug addiction and self-sabotage, set in the glamorous world of fashion magazines and downtown nightclubs. At twenty-six, Cat Marnell was an associate beauty editor at Lucky, one of the top fashion magazines in America—and that’s all most people knew about her. But she hid a secret life. She was a prescription drug addict.

She was also a “doctor shopper” who manipulated Upper East Side psychiatrists for pills, pills, and more pills; a lonely bulimic who spent hundreds of dollars a week on binge foods; a promiscuous party girl who danced barefoot on banquets; a weepy and hallucination-prone insomniac who would take anything—anything—to sleep. This is a tale of self-loathing, self-sabotage, and yes, self-tanner. It begins at a posh New England prep school—and with a prescription for the Attention Deficit Disorder medication Ritalin. It continues to New York, where we follow Marnell’s amphetamine-fueled rise from intern to editor through the beauty departments of NYLON, Teen Vogue, Glamour, and Lucky. We see her fight between ambition and addiction and how, inevitably, her disease threatens everything she worked so hard to achieve. From the Condé Nast building to seedy nightclubs, from doctors’ offices and mental hospitals, Marnell “treads a knife edge between glamorizing her own despair and rendering it with savage honesty...with the skill of a pulp novelist” (The New York Times Book Review) what it is like to live in the wild, chaotic, often sinister world of a young female addict who can’t say no. Combining “all the intoxicating intrigue of a thriller and yet all the sobering paths of a gifted writer’s true-life journey to recover her former health, happiness, ambitions, and identity” (Harper’s Bazaar), How to Murder Your Life is mesmerizing, revelatory, and necessary.

**NEW YORK TIMES BESTSELLER** • “One of the best golf books this century.” —Golf Digest Tom Coyne’s A Course Called Scotland is a heartfelt and humorous celebration of his quest to play golf on every links course in Scotland, the birthplace of the game he loves. For much of his adult life, bestselling author Tom Coyne has been chasing a golf ball around the globe. When he was in college, studying abroad in London, he entered the lottery for a prized tee time in Scotland, grabbing his clubs and jumping the train to St. Andrews as his friends partied in Amsterdam; later, he golfed the entirety of Ireland’s coastline, chased prot through the mini-tours, and attended grueling Qualifying Schools in Australia, Canada, and Latin America. Yet, as he watched the greats compete, he felt something was missing. Then one day a friend suggested he attempt to play every links course in Scotland and qualify for the greatest championship in golf. The result is A Course Called Scotland, “a fast-moving, insightful, often funny travelogue encompassing the width of much of the British Isles” (GolfWeek), including St. Andrews, Turnberry, Dornoch, Prestwick, Troon, and Carnoustie. With his signature blend of storytelling, humor, history, and insight, Coyne weaves together his “witty and charming” (Publishers Weekly) journey to more than 100 legendary courses in Scotland with compelling threads of golf history and insights into the contemporary game of golf. As he journeys Scotland in search of the game’s secrets, he discovers new and old friends, rediscovers the peace and power of the sport, and, most importantly, reaffirms the ultimate connection between the game and the soul. It is “a must-read” (Golf Advisor) rollicking love letter to Scotland and golf as no one has attempted it before.

My Year of Golf Adventure on the Pro-Golf Mini-Tours

For the Golfer Who Has Everything

My Stories

“One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, New York Times Book Review Hailed as “a magisterial critique of top-down social planning” by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the nature of the world we now inhabit.”—New Yorker “A tour de force.”— Charles Tilly, Columbia University Froggy and his dad celebrate Father’s Day with a game of miniature golf, riding bumper boats, and practicing at the batting cages. Reprint.

Most golfers seek to get better by making their swing as simple as possible to produce distance, control, and consistency. The ESPY technique is like riding a bicycle: once you learn, you don’t forget. Based on fundamental sprocket mechanics, the ESPY is an acronym for three simple Ergonomic movements, consisting of the Synch, Protract, and Yaw elements. The E is the ergonomics used to set up each S.P.Y. element of the golf swing. By learning what these mechanics are and how they create power, speed, and control, you’ll be able to: control backspin, loft, and trajectory; eliminate the negative effects of downtime and nerves; overcome common obstacles to develop a consistent swing.

What happens when a man leaves home for a year to pursue his dream? One day, playing a particularly spectacular round of golf, husband and father John Paul Newport suddenly tastes what it's like to be a pro. Deciding to take a year off and hit the road playing golf's mini-tour circuit, Newport embarks on a wild trip through America's fairways. Over the course of his journey inside the somewhat shady, often hilarious underbelly of professional golf, he uncovers a world of people so totally addicted to golf, to the delusion of achievable perfection, that they sacrifice everything else to the quest. He also discovers the nature of his own obsession with the game, and how this constant pursuit of perfection on the golf course reflects the same challenges and frustrations one encounters in life. What does it take to master such an intricate, unpredictable game? In golf, as in life, why is one so consistently incapable of acting up to one's clearly established potential? As Newport struggles to cross that Fine Green Line--the infinitely subtle yet critical difference between the top golf professionals and those who never quite make it--he realizes that life, like golf, doesn't let you get away with anything. This is a story about letting go of fear, facing challenges, and embracing risks--a compelling personal journey that captures many of the frustrations and elations of midlife both on and off the course.

**"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr.**

**Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.**

**After a falling out between their mothers, 13-year-old best friends Nell and Lydia are forbidden from seeing each other for the whole summer. Nell struggles with the thought of not only losing her best friend, but also losing the only person in whom Nell finds refuge from the difficulties she faces at home. Determined to find a place of their own, Nell and Lydia spend the summer hiding out in an abandoned golf course where Nell and Lydia find mysterious symbols scattered throughout the grounds. As they reveal the secret of the symbols, Nell discovers she isn't the only one seeking haven and begins to uncover what's really been hidden all along, finally allowing herself to be truly seen. Hidden Summer is a quietly beautiful coming of age story about self-discovery, family, and friendship. An elegantly written children's book debut from an award-winning author in the vein of *A Tree Grows in Brooklyn* and for fans of *Moon Over Manifest*.**

**The instant New York Times bestseller This book is Palmer's parting gift to the world -- a treasure trove of entertaining anecdotes and timeless wisdom that readers, golfers and non-golfers alike, will celebrate and cherish. No one has won more fans around the world and no player has had a bigger impact on the sport of golf than Arnold Palmer. In fact, Palmer is considered by many to be the most important professional golfer in history, an American icon. In *A Life Well Played*, Palmer takes stock of the many experiences of his life, bringing new details and insights to some familiar stories and sharing new ones. This book is for Arnie's Army and all golf fans but it is more than just a golf book; Palmer had tremendous success off the course as well and is most notable for his exemplary sportsmanship and business success, while always giving back to the fans who made it all possible. Gracious, fair, and a true gentleman, "Arnie" was the gold standard of how to conduct yourself in your career, life, and relationships. Perfect for men and women of all ages, his final book offers advice and guidance, sharing personal stories of his career on the course, success in business, and the great relationships that gave meaning to his life.**

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

The instant New York Times bestseller from acclaimed Sports Illustrated writer Michael Bamberger—a warm, nostalgic, intimately reported account of golf's greatest generation, and “maybe the best golf book I’ve ever read” (Bill Reynolds, The Providence Journal). With “exceptional insight into some of America’s greatest players over the last half-century” (The Philadelphia Inquirer), Men in Green is to golf what Roger Kahn’s *The Boys of Summer* was to baseball: a big-hearted account of the sport’s greats, from the household names to the private legends, those behind-the-curtain giants who never made the headlines. Michael Bamberger, who has covered the game for twenty years at Sports Illustrated, shows us the big names as we’ve never seen them before: Arnold Palmer, Jack Nicklaus, Tom Watson, Curtis Strange, Fred Couples—and the late Ken Venturi. But he also chronicles the legendary figures known only to insiders, who nevertheless have left an indelible mark on the sport. There’s a club pro, a teaching pro, an old black Southern caddie. There’s a tournament director in his seventies, a TV director in his eighties, and a USGA executive in his nineties. All these figures, from the marquee names to the unknowns, have changed the game. What they all share is a game that courses through their collective veins like a drug. Was golf better back in the day? Men in Green weaves a history of the modern game that is personal, touching, inviting, and new. This meditation on aging and a celebration of the game is “a nostalgic visit and reminiscence with those who fashioned golf history...and should be cherished” (Golf Digest).

"I liked this book. It is funny and enjoyed it!" - Peter Jablonski "Enjoyable, entertaining and interesting. Five big stars!" - Jason Frierson The perfect gift for any golfer! Funny true and little-known golf tales, insane golf courses, golf anecdotes, golf jokes, hilarious quotes, world golf records, and much more in this amusing new book created by bestselling golf writers, Team Golfwell. Their books have sold thousands of copies. This book makes a memorable and enjoyable Holiday gift, a great stocking stuffer, birthday gift, Father's Day gift or a gift for any occasion and will bring a smile to his face. This is a gift a golfer will remember for the laughs it brings and as it was once said, "We make a living by what we get, but we make a life by what we give." - Winston Churchill He can share these stories with golfing friends, or on the 19th hole, or anytime! A great book to keep on the nightstand, read while traveling, or anytime! Buy this unique book and get him something new to share! He'll love you for it. See inside. . Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Authorised Biography

**"A transfixing book on how to sustain peak performance and avoid burnout" —Adam Grant, New York Times bestselling author of *Option B*, *Originals*, and *Give and Take* "An essential playbook for success, happiness, and getting the most out of ourselves." Arianna Huffington, author of *Thrive* and *The Sleep Revolution* "I doubt anyone can read Peak Performance without itching to apply something to their own lives." —David Epstein, New York Times bestselling author of *The Sports Gene* A few common principles drive performance, regardless of the field or the task at hand. Whether someone is trying to qualify for the Olympics, break ground in mathematical theory or craft an artistic masterpiece, many of the practices that lead to great success are the same. In *Peak Performance*, Brad Stulberg, a former McKinsey and Company consultant and writer who covers health and the science of human performance, and Steve Magness, a performance scientist and coach of Olympic athletes, team up to demystify these practices and demonstrate how you can achieve your best. The first book of its kind, *Peak Performance* combines the inspiring stories of top performers across a range of capabilities—from athletic to intellectual and artistic—with the latest scientific insights into the cognitive and neurochemical factors that drive performance in all domains. In doing so, *Peak Performance* uncovers new linkages that hold promise as performance enhancers but have been overlooked in our traditionally-siloed ways of thinking. The result is a life-changing book in which you can learn how to enhance your performance via myriad ways including: optimally alternating between periods of intense work and rest; priming the body and mind for enhanced productivity; and developing and harnessing the power of a self-transcending purpose. In revealing the science of great performance and the stories of great performers across a wide range of capabilities, *Peak Performance* uncovers the secrets of success, and coaches you on how to use them. If you want to take your game to the next level, whatever "your game" may be, *Peak Performance* will teach you how.**

After meeting the never-before-seen Doozer colony of Crystal Cave, the Fraggles may need a little more help to unclg the Everspring and bring water back to Fraggie Rock than they realized. But will Gobo and the gang be able to unite the two Doozer colonies and get the job done before it's too late?

**The Mamba Mentality: How I Play** is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe “The Black Mamba” Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” *The Mamba Mentality* takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They'll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant's detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant's very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant's narrative and Bernstein's photos make *The Mamba Mentality* an unprecedented look behind the curtain at the career of one of the world's most celebrated and fascinating athletes.

For us rabbits the game of golf is a constant battle between fantasy and reality. The great hopes and ambitions that accompany us on the first tee quickly evaporate by a combination of mother nature, gravity and the cruelest of luck. One of the charms of the Great Game is that we are constantly chasing what is, in theory, attainable but in reality highly elusive. It is a perpetual series of occasions for hope. David Feherty summed it up when he said; "Golf can best be defined as an endless series of tragedies obscured by the occasional miracle." It is astonishing how long the occasional miracle can remain in the memory to the total eclipse of all else. Golf is a game whose hook is baited with hope. This book is a compendium of quotes from players who have been similarly troubled by the journey from great hopes to cruel reality. I hope you enjoy their reflections.

**The perfect golfing gift: A book that is a complete, working 9-hole miniature golf course, with miniature golf balls and putter included. The first book you can play through. The book that's a true original. Featuring nine themed courses, from pirates to dinosaurs to the classic windmill, *The Miniature Book of Miniature Golf* celebrates the silliness and the golf-for-everyone! attitude of Putt-Putt. Each page in the book is a cleverly designed hole, modeled on real mini golf courses. Tap the ball through the grooves and make sure to avoid the obstacles. Then see if you can get it in the clown's mouth on the last hole. Every hole is par fun.**

**Club Pro Guy shares his knowledge and thoughts on the world of golf and other topics. As a child, Club Pro Guy was introduced to the world of golf in the back of an RV where his mother, a professional golf groupie with a voracious sexual appetite "entertained" a virtual who's who of golf royalty. The illegitimate son of a journeyman golfer, CPG was born to play the game as evidenced by his modest success as a player, instructor, merchandiser, manager and brand ambassador. He has gained worldwide notoriety with legendary tales of his exploits as a player on the Mexican Mini Tour, his uncensored observations into the game, his legally actionable comments about his staff, girlfriends and ex-wives and unfiltered opinions of the clientele at the semi-private club where he works full time. Now that his social media presence has grown to the point where he's not only a powerful voice in a crowded industry, he's finally able to tell his story in a shameless cash grab. Club Pro Guy's vast knowledge was acquired through decades of painful gambling losses, countless hours teaching golf to students with mixed results and hotly contested rules infractions that led to numerous disqualifications, penalties and occasionally strokes saved. Encompassing more than thirty years of notes scribbled onto cocktail napkins, the back of scorecards, and legal depositions, CPG's wit and wisdom will help you shoot lower scores and have more fun playing the game we love.**

**Froggy is nervous about his first day of school, but, even though it's hard to sit still, he has a wonderful time.**

**'An effective golf swing will produce a thousand correct positions - but a thousand correct positions won't produce an effective golf swing'. Using a thorough analysis of more than 200 research articles, author Chris Riddoch - a scratch golfer in his teens and one of the UK's leading sports scientists - explains why this statement is true. In *The Golf Swing*, he describes why we must avoid the endless technical complexities of the 'swing theory quagmire'. He explains how dissecting the swing into countless angles and positions and trying to recombine them actually stifles our best learning weapon - our powerful, innate skill-learning mechanisms, which thrive on SIMPLICITY. The Golf Swing combines two sciences: golf swing mechanics and human skill learning. The result is an approach to swing development based on just four movement skills - KEY SKILLS - each of which can be learnt using the simplest of swing thoughts. In contrast to other books - which merely describe the swing - *The Golf Swing* explains the best way to learn it. Grounded firmly in high-quality science, yet written in a non-scientific, entertaining style, *The Golf Swing* cuts through the buzzing bewilderment that surrounds the golf swing. All golfers - from beginners to tournament professionals - will benefit. 'For any other human skill, we know we can do it, but we don't know how we do it. In the golf swing, it's the opposite - we know everything about how to do it, but we can't DO it'. <http://www.TheGolfSwingZone.com> [chris@TheGolfSwingZone.com](mailto:chris@TheGolfSwingZone.com)**
