More than 100 fun food-crafting ideas that will engage, delight, and amaze kids--from actress, entrepreneur, and mom, Sarah Michelle Gellar, and former Martha Stewart Living editor Gia Russo. Why stop with making basic brownies? Why not put them on a stick and decorate them? Why not take boring broccoli and turn it into a yummy cheese muffin instead? Sarah Michelle Gellar learned quickly that to get her kids to be adventurous with food, she had to involve them in preparing it. She wanted that process to be fun and help them develop self-confidence, creative thinking, and even math skills! So Sarah and co-author Gia Russo came up with more than 100 fun food-crafting ideas that take basic food preparation to a surprising new level. Organized by month, the book offers projects for every occasion and theme, including Super Bowl, Valentine's Day, Shark Week, Halloween, and even a Star Wars Day with licensed Star Wars creations! Learn how to grow (and consume) sprouts, shoots, and microgreens at home without using expensive or complicated equipment—all you need is tap water and a glass jar, and you're ready to go! This is an easy, fast, and smart way to fit healthy greens into your diet. Following Lina Wallentinson's instructions, in just a few days, you'll see dry seeds transform into burgeoning green sprouts. In *Sprouts, Shoots, and Microgreens*, Wallentinson proves there is much more to shoots, sprouts, and microgreens than the classics cress and mung beans and that they are truly easy to grow, no matter where you try to do so. All plants in this book can be grown in jars, colanders, sieves, or bags at any height, using many different kinds of light sources, and even under pressure. In addition to showing how to grow shoots and sprouts, Wallentinson teaches how to make delicious meals with your harvest. Using step-by-step pictures and descriptive recipes, she demonstrates that shoots and sprouts are much more than just decorations on a plate. Recipes include sushi rolls with quinoa and wasabi mayonnaise, baked pumpkin with lentil sprouts and almond pesto or coffee, and coconut balls with toasted buckwheat!
