Caring for Your Turtle

Follow a tiny turtle's life cycle with this fun, informative picture book, part of the 'Nature Storybooks' series. 'One Tiny Turtle' supports the National Curriculum Key Stage One and Two.

An irresistibly cute story about finding the confidence to be yourself, starring a turtle in search of the perfect shell. Terrance the turtle was born without a shell, so he uses a cardboard box instead. Terrance loves his box. It keeps him dry on soggy days, safe from snooping strangers, and is big enough to cozy up with a friend. But when another turtle points out that Terrance's shell is, well, weird, he begins to wonder whether there might be a better shell out there... Eventually, and through much trial and error, Terrance learns that there's nothing wrong with being different--especially when it comes to being yourself.

Three tales from various sources explain how the turtle got its shell, and includes facts about turtles and their habits and appearance.
