

Good Self Bad Self

21 exciting tales of Alternate History! What if fate had turned out differently in these United States? What if the Louisiana Purchase never happened? What if George Washington had been a Loyalist? What if a billionaire cloned the Founding Fathers? What if the Vikings had settled North America? What if the Apollo 11 moon landing had failed? These and many other scenarios are explored in Atered America! Featuring stories by Jackson Kuhl, Dan Gainer, Bruno Lombardi, Edmund Wells, Sam Kepfield, Brad Hafford, Erik Bundy, Dusty Wallace, Owen Morgan, Ryan McCall, Jason Sharp, Sean Menken, William R.D. Wood, Jeff Provine, James S. Dorr, Martin T. Ingham, Lauren A. Forry, Cyrus P. Underwood, Charles Wilcox, and Philip Overby.

In this hilarious satire Quentin Smeltzer lampoons the self help genre, offering conflicting and just plain terrible advice guaranteed to screw up just about anyone's life. Self Help opens doors and pushes the reader through them, possibly down a long flight of stairs. This book contains the sum total of the authors knowledge and wisdom and is complemented with numerous, made-up charts and graphs becauselets face itthe authors knowledge and wisdom is unlikely to fill much of a book. In these pages the reader will learn fantastic new secrets to success that sound like they might actually work! This book is guaranteed to change the reader's life, one way or the other... In its pages one will learn how to be the perfect wife, the perfect dad, the perfect employee, the perfect politician and the perfect idiot.

Describes how chronic illness affects one's self-image, friends, and family, shares the experiences of people with serious chronic illnesses, and shows how they find the strength to carry on

Do you ever feel like you could do more with your life, but you don't know where to start? Do great ideas keep going through your mind, barely changing from year to year? Do you need the tools to get you going in the right direction? This book has one purpose: To help you make your dream come true, no matter how big that dream might be. To change your life you need the desire to change and the commitment to make that change possible through action. Mind to Mind Conversations will help start you on the path to a new life.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America

Destitution

Not as patient as you think you are? Surprised by how quickly you lose your cool when someone shows you an imagined show of disrespect? All we can do in those situations is react. But why do we do what we do? How can we improve our actions? Repeated bad behavior becomes a bad habit. How can we break this vicious cycle? Often we know what’s wrong in our behavior, we even know how could we fix it, but somehow we never take action to change. Some mental triggers stay hidden from our conscious mind. This book bridges the gap those two by introducing you to gears of human behavior. With simple language, engaging stories, and science proven facts, you'll get a full picture on how can you improve your behavior and develop better habits. Become the person who you want to be.
- Understand the hidden psychological pathways of your brain that prevent change
- Models of behavior change
- from the best
- Create long-lasting habits
- How to get unstuck from the past
Learn to control your behavior to achieve better results in life. Evolve Your Habits examines the environmental and psychological triggers that can derail your behavior in everyday life. These triggers may seem relentless, omnipresent, and often out of control, but you can learn how to respond to them in a constructive way. Become more patient, compassionate, and less irritable.
- How to persevere when change seems hard
- How to gain discipline to create new habits
- How to tune out distractions and resist temptations
- How to create the person you wish to become
Don't hesitate to take action and improve your shortcomings. Create a change now in any of your life with Evolve Your Habits. I'm sure you tried before: maybe you failed. This time will be different! Commit to the change you set yourself to. Start by creating an environment that makes your change inevitable, and with self-awareness take action. Change your bad habits and improve your behavior once and for all. Remember, nobody is perfect. But everybody can get better today than he was a day before. Becoming who you wish to be takes time
- but every effort will seem well spent once you get there.

Nora, Silas, and Avery are three unusual apricots! After being picked from their tree, they are taken home to live with Mr. and Mrs. Orchard. This begins their adventures with the “outside” world. They find out their favorite foods, build a roller coaster, and find new and exciting ways to climb furniture. These happy apricots will always make you smile with their newest discoveries! This book is printed in black and white.

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her.Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her.So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened.Gray I is the first novel in a series.

Are you very talented and creative but cannot find the willpower, drive and motivation to achieve your dreams? Procrastination is the problem. This book is your answer. There is nothing that depresses productivity and stunts personal development more than procrastination. Yet, procrastination creeps slowly and meekly into our lives through the very same shortcuts that we engaged to allow us comfort and convenience
- bad habits. This book, “Procrastination: Overcome the bad habits of procrastination and laziness and become more productive” has been specifically written to enable you kick out procrastination, regain your productivity and achieve your full potential. The book starts by introducing you to what procrastination really is and provides you with telling signs of procrastination, some of them often hidden and uneasy to detect. It further cautions you on the pitfalls you are likely to fall into should you not be careful and the negative effects of procrastination. Most people never realize that they are procrastinators. Never assume you are not one unless you prove it. A simple, yet powerful self-diagnosis procrastination test kit has been devised for you. Should you find yourself not a procrastinator, that would be great for you. However, it does not end there. You can use the same kit to help your family, friends and loved ones who could be suffering from procrastination without knowing it. Discovery is the best way to finding a lasting solution. The best way to confront a disease it to go beyond its symptoms and attack its root causes. Some of the root causes may be common to all procrastinators while others could be unique to each procrastinator. Nonetheless, this book provides all likely causes of procrastination so that you can review and evaluate your very own condition and determine the most likely causes of your procrastination. Once you determine the root causes of your procrastination, the next obvious step is to heal it. This book provides you with the most elaborate, powerful and effective ways to overcome procrastination. Procrastination is an aggregate collection of bad habits which results into you delaying your decision or action without prudence. Like all bad habits, the best way to overcome procrastination is to engender good daily habits that will help you to prevent, avoid or nullify bad habits. Powerful and effective daily habits have been prescribed, which, if you diligently employ, will permanently keep off procrastination from your life. Lastly, but not least, every endeavor has a reward. The rewards of overcoming procrastination are immense and unlimited. Yet, this book provides you with the most obvious rewards that you will gain in the most prominent facets of your life
- health, relationships and money. Enjoy reading.

Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd ☐ He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure ☐ of how they finally find love.

Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change.Show More Show Less

Con artist get conned into caring for seven cousins: At the funeral for her latest mark, a recently-deceased, mega-rich tycoon named Parker DeLune, con artist Christy find herself welcomed by his seven strange cousins, collectively called "The Loons." Celebrate the DeLune with Christy as she navigates their eccentricities while discovering that wily estate attorney are running their own scam. Christy soon finds herself fighting not only for The Loon, but also for a new life.

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening
- or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

For a couple of years now, I have been collecting information on self-publishing. Firstly, it has helped me become a better self-publisher, and secondly, it could help you also. I never set out to write a self-help guide, but like all things written, I will give anything a go because I just love writing. This guide is something I have compiled, and it gives you an insight we do not see in many books that you could buy on this subject. I did not want to write a basic format on how to publish your book, I wanted to give you the good, the bad, and the ugly side to self-publishing. An account of the things I have learned over the last six years. There are all sorts of titbits in this guide and have been written with a personal journey perspective through my last six years of learning how I can become a better writer and self-publisher. There is bedrock need-to-know, and some simple to follow guides to get the best out of your journey you might be on in figuring out this crazy world of the self-publisher. Self-publishing is as easy or as hard as you want to make it. It can be done for no money, or it can cost multiple thousands, and nothing is etched in stone on how you self-publish a book. There are websites packed with information on all aspects of this topic. There are ways to game the system and ways to do it correctly. My book is not aimed at telling you what path to take on your odyssey. It is aimed at giving you the information and the rest is up to you how you use it. I named this book's subtitle, the good, the bad & the ugly for a reason, because all three descriptive words fit into this world you might be about to enter. If this is your first attempt to self-publish and you have not done any research into how to publish your book, then you need to read up on so many areas it is unimaginable I would have ever published my first book without learning how to do it the right way. But that is exactly what I did! When I published my first few books, I leapt right in. I tried to wing-it. That was my first mistake. I have made plenty of mistakes since and I have learned better practice and how not to self-publish. Again, you might be almost ready to press the publish tab on your chosen platform, but are you ready? Is your book the best it can be? Are you having doubts? Did you use professionally outsourced agencies to do your interior, grammar and spelling? Did you have your book beta read? Or use a proofreader? Editor? Were your covers designed by you with no expertise in book cover design? Have you done any research on marketing your book? Do you even know what is available, free, and paid? There are a myriad of things to consider before and after publication and if you are not aware of them, you will not even be aware of the mistakes you could be making or the potential you could be missing out on to make good solid sales. Ticking all the need-to-do boxes is part of the learning and the understanding it takes to do this the right way the first time. I have gone back through my books so many times now to correct mistakes, reformatted, and redone book covers so many times I have lost count. Understanding fundamental basics is part of that learning and if sales are your aim, this is a must. Nothing can be left to chance when you self-publish because I can guarantee you one thing, you will not be competitive in this expansive marketplace and if you are in the belief your book is anyway more special than the books on offer today, think again. Millions of books are awash in the marketplace today and so many are so good, you would never know they are self-published and would think a publishing house has produced them, the competition is so high these days. There are bad eggs out there, but if you do not want to be one of them, I would suggest you ensure all your boxes are ticked because this might be your last chance to ensure your book is what you want it to be!

Develop Self Discipline and Will Power Today! Do you have a hard time following through your promises? Do you have a hard time finishing what you have started? Do you make excuses frequently? Are you having difficulty dropping a bad habit like smoking or binge eating? Do you spend more than what you're earning each month? If you answered yes to most of these questions, then you most likely lack self-discipline. There are many essential characteristics that lead to a person's success, happiness, and self-actualization, but self-discipline is the only quality that guarantees continuing and long-standing success in different facets of life. Self-discipline is crucial in achieving different life goals, whether it is to lose weight, improve your work output, or enhance your financial literacy. Self-discipline allows you to sacrifice instant pleasure for long term success. Self-discipline or self-control drives you to: Work on a business idea even when your enthusiasm is already dwindling Go to the gym even when you do not feel like it Say "no" to fatty foods Wake up early even if all you want to do is lie on your bed all day Limit your Facebook time in order to work on something important Self-discipline is rewarding, but it is also challenging. As human beings, we are conditioned to seek instant pleasure. We are conditioned to do what's easy, fun, and convenient. When you practice self-discipline, you are going against your human nature and that's the reason why it's difficult. This book Self Discipline Masterycontains easy-to-follow techniques and strategies that will help you exercise self-discipline. This book contains easy-to-follow steps that will help you achieve everything that you desire - your ideal weight, dream job, and stable financial situation. This book contains strategies, apps, 133 affirmations, and 33 habits that can help strengthen your willpower and self-discipline. Developing willpower and self-discipline is not easy, but it can make a huge difference in your life. It allows you to control unnecessary impulses and it gives you strength to say "no" to activities that will only distract you from achieving your goals. It gives you the determination to pursue your goals even when the odds are against you. Here is a quick preview of what is inside.... Benefits of Self-Discipline Characteristics of Self-Disciplined Achievers The Science of Self-Discipline Set Clear Goals Just Do It Mastering the Ultimate Self-Discipline Strategies Motivate Yourself Daily Choices That Help Strengthen Your Willpower and Self-discipline And much more! Purchase your copy today NOW and lets get started on your self-discipline mastery today!

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams.LoGreco doesn't claim his book will cure everything that ails you. As he says, “There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether.”What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco:“As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that.”— Cristina“The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential.”—Adrian“If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth.” —Blaine

A 6" x 9," 100 page blank lined journal.

Cordosa, a small village in Brazil's most southern state of Rio Grande do Sul, is experiencing traumatic illness and loss of life from unknown causes. The population of landless farmers is slowly deteriorating. Jake Parker, ex U.S. Army Intelligence Officer, is assigned as a photojournalist to investigate the possible causes. What he soon discovers is that he will be watched, manipulated and harassed by high ranking United States government officials who will stop at nothing to gain revenge within their own ranks. With lives hanging in the balance, Jake finds himself in the middle of an undetected world of spiritual warfare and a congressional war filled with greed and corruption. As a beautiful young Deaf woman stumbles into the scandal, the hunt begins, and Jake Parker must figure out how to save her life as well as his own.

A crisis manager explains how to overcome a personal crisis, whether a relationship crisis or business disaster, by recognizing one's worst qualities and dealing with them appropriately.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Self-Publishing: The Good, The Bad & The Ugly

The Orchards Meet the Apricots

This is a comprehensive clinical resource for addiction counselors who want to learn about the psychological components of the problem, for individual therapists—dynamic, cognitive, and behavioral—who want to understand systems approaches in order to draw on a broader repertoire of useful interventions, and for couple and family therapists who want to learn more about the intrapsychic, biological, and pharmacological aspects of addiction. Dr. Jerome D. Levin takes the reader down the parallel paths of addiction treatment and individual and family therapy until they meet on the bridge of actual clinical practice. Practitioner, professor, prolific author, and respected authority in the field, Dr. Levin uses approaches to the treatment of alcoholism as a model for illustrating how theory, research, technique, and flying by the seat of the professional pants can integrate into a therapeutic style to help substance abusers and their partners and families.

Packed with humor, inspiration, and advice, You Are a Badass is the #1 New York Times bestselling self-help book that teaches you how to get better without getting busted. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up twenty-seven bite-sized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, and Make some damn money already. The kind you've never made before. By the end of You Are a Badass, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

"This is your field guide to getting yourself to want to do everything you always wanted to want to do"--Page [4] of cover.

"What are you, some kinda PSYCHO?" How many times have you said this to someone? Probably a lot. How often has someone said this to you? Hopefully, not so much! Truth is, we've all dated or been involved with someone who drove us nuts or, if we haven't, chances are that we were the ones who got on the other person's nerves. Now, the question is: who is the Psycho; you or the other person? Don't Date a Psycho: Don't Be One, Don't Date One looks at why we behave in the ways that we do in relationships, what makes us stay with the person we're with and what makes us leave them, and how to tell who is safe to be in a relationship with and who is unsafe. Done with humor and written from more than two decades of clinical experience as a psychologist, Dr. Keiron Brown helps us to gain a clearer understanding of who we are as individuals, who we are as partners in relationships and what makes each and every one us prone to acting a little nuts sometimes when our hearts are at stake.

A Series of Bad Self-Portraits

The purpose of Good Success is to help readers learn and integrate into their life and career the good lessons learned from bad leaders. Bad leaders drive organizational dysfunction, incarnate indecision, and deplete personal energy and team resolve. Also, bad leaders exhaust resources and hope. But, through Good Success readers gain the knowledge and the lessons to overcome the damage, shape their awareness, and build new courage to navigate beyond the chaos. Good Success enable recovery from the effects of bad leadership, creates the means to achieving self-mastery, brings closure to previous negative circumstances, and so much more. It is possible that those who work for bad leaders have already written-off any chance of benefiting from the chaos that they create. If so, Good Success helps readers draw a valuable inheritance from the F.E.A.R. (failures, experiences, anxieties, roadblocks) they've seen bad leaders produce. Willpower Ultimate Guide! Laid out with an introduction all about unleashing the power within...Self discipline, the book goes into short obtainable steps in a day by day fashion to help you focus, commit and achieve in only 1 month!What is self-discipline? What does it mean to lack it? Why do you think you're not as disciplined as you would like? Is it becauseYou manage your time poorly?You lack organizational skills?You lack motivation?Procrastination is your greatest enemy?You're just too lazy?What many people don't realize is that all of these issues, which they see as causes of poor self-discipline, are actually symptoms. Are you confronting one or more of them?If you're contemplating purchasing the book, then you've decided it's time for a change of significant proportions, a change that might take only 30 days to implement, but that will last you for a lifetime. Your conviction is admirable, but to undergo such a change, you must first understand what self-discipline is and what it is not.Self-discipline is not:A personality trait that some people have and others don't.Using willpower to force yourself into action.On the contrary, self-discipline is:A skill that anyone can learn and train.becoming aware of your conscious or subconscious resistance to action and using different techniques to overcome, but not to crush that resistance.As you go through this life-changing 30 days challenge, remember that what you are doing is exercising your willpower muscle for the long run. Good luck!

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Procrastination

There are some stories that take courage to tell. These are the stories about darkness and our encounters with odd creatures. These stories rarely have happy endings and illuminate anguish in its purest form. These are the stories that will make you cringe and leave you counting pages. These are the stories about my inability to count sheep, even though I crave to concentrate on anything but this endless abyss. But I also have told tales of laughter and unexpected kisses. These are the tales of life after love and discovering the secrets of the universe while sipping tea. My life is a combination of both, it is neither solely constituted of sad stories nor colorful tales. My life is a series of bad self-portraits. For even when I know myself I do not; all I have ever known are ideas of myself. The bestselling author of Undoing Depression offers a brain-based guide to permanently ending bad habits Richard O'Connor's bestselling book Undoing Depression has become a touchstone in the field, helping thousands of therapists and patients overcome depressive patterns. In Rewire, O'Connor expands those ideas, showing how we actually have two brains—a conscious deliberate self and an automatic self that makes most of our decisions—and how we can train the latter to ignore distractions, withstand temptations, and interrupt reflexive, self-sabotaging responses. Rewire gives readers a road-map to overcoming the most common self-destructive habits, including procrastination, excessive worrying, internet addiction, overeating, risk-taking, and self-medication, among others. By learning valuable skills and habits—including mindfulness, self-control, confronting fear, and freeing yourself from mindless guilt—we can open ourselves to vastly more successful, productive, and happy lives. What do you do after life has handed you a wake-up call?Author Brian Seth Hurst experienced a significant professional setback, but, rather than “soldier on,” he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create.The question of “Why?” began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source.What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew.W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding.How do your reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts.W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You.W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future.W H O L E literally answers the question, “What was I thinking?”“To know “whole” in the duality of your reality, you must know broken.To know broken is to recognize that you are, always have been, and always will be WHOLE.”

The Good Life Crisis is a project that seeks to find the best answers to the question “What is the Good Life?” After traveling around the world and interviewing hundreds of inspiring people, Nick Shelton has compiled a book based on the best advice he's received. Comprised of humorous stories and practical advice, it provides you a glimpse of how to lead an ideal life in the 21st century.Containing just over 40 chapters, the book provides stories, real-life examples, and practical advice on how each of us can improve our lives and we appreciate each day. Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

Have you ever wondered why some people seem to have everything they could ever want or need in life, all while others are left with merely the dreams of achieving those same things? Have you ever wondered that if someone else could live the life of their dreams - then why couldn't you live the life of your dreams? Do successful individuals have something you don't? No. Do successful individuals know something you don't? Absolutely! This extraordinary, practical and action-oriented book by Nicholas Dodge is going to show you exactly how to develop the proper mindset all successful individuals have in order to live the life you've always wanted to live. Coming from past experiences with horrible mental and physical health, major financial struggles, sexual abuse and suicidal thoughts and tendencies, Nicholas Dodge will explain EXACTLY how he overcame his worst circumstances to live a life worth living, and how you can do the same for yourself. If you find yourself.... Battling issues with self-confidence Struggling with negative self-talk habits Lacking motivation and determination Failing to achieve your personal goalsthen a change in mindset is a MUST! In his groundbreaking book Mindset Mastery, Nicholas Dodge shares with you his personal journey through developing a mastered mindset and busts the myth that you can't be successful and free by challenging everything you've been told in life. Unfortunately, people that remain with their flawed mindsets tend to stay that way for the rest of their lives, unless they address their issues and make it a point to assess them to generate success and freedom. Fortunately, that is exactly what you will do with this remarkable experience. This book will help you: Tackle challenges and face problems you never thought possible. Construct your personal goals and positive affirmations. Develop a way of thinking that encourages a prosperous future. Improve self-confidence, mood and feelings. Become an alpha in a world filled with betas. Motivate yourself to reach you goals and maximum potential in life. Overcome negative energies that impact everyday thoughts or actions. Live an extravagant life filled with success and freedom. Follow my advice and you too could live the life of your dreams. Why settle for anything short of your greatest desires? What's keeping you from being successful and free?"

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.
