

Good Study Guide

Dive Into a Thorough Exploration of Today's Most Troubling Issue The reality of evil and suffering is not only our culture's biggest objection to faith in God, but also a piercing thrust into the soul of every believer at some point in their lives. Those facts compel us to prepare in order to handle the doubts and questions that roll over us like a storm tide whenever we confront the worst of pain, malice, and injustice. This study guide to Randy Alcorn's *If God Is Good: Faith in the Midst of Suffering and Evil*

Read Free Good Study Guide

helps you gain perspective on suffering and God's unfailing goodness. Designed for both individual and group use, this guide is adaptable to whatever schedule and approach is most convenient for you—from a four-week overview, to an exploratory eight-week journey, to an intensive thirteen-week course. Included throughout are a variety of questions for reflection and discussion, plus book excerpts that capture the highlights and best insights from *If God Is Good*. In addition, a group leader's guide offers guidance for steering a group through any of the three approaches. Let this book be your

story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.

Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet

Read Free Good Study Guide

positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies – Brazil, India, and the United States – now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and

Read Free Good Study Guide

influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

“Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam.” —Ammu D.

"Originally published in paperback by Egmont UK Ltd., London, in 2019."--Title page verso.

“ Why does the church stir up such negative feelings? ” Philip Yancey has been asking this all his life as a journalist. His perennial question is more relevant now than ever: in a twenty-year span starting in the mid-nineties, research shows that favorable opinions of Christianity have plummeted drastically—and opinions of Evangelicals have taken even deeper dives. The end of the politics-oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a

Read Free Good Study Guide

post-Christian culture. Yet while the opinions about Christianity are dropping, interest in spirituality is rising. Why the disconnect? Why are so many asking, “ What ’ s so good about the “ Good News? ” Yancey ’ s writing has focused on the search for honest faith that makes a difference for a world in pain. In his landmark book What ’ s So Amazing about Grace he issued a call for Christians to be as grace-filled in their behavior as they are in declaring their beliefs. But people inside and outside the church are still thirsty for grace. What the church lacked in its heyday is now exactly what it needs to recover to thrive. Grace can bring together Christianity and our post-Christian culture, inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its

Read Free Good Study Guide

appeal to future generations. How can Christians offer grace in a way that is compelling to a jaded society? And how can they make a difference in a world that cries out in need? Yancey aims this book at Christian readers, showing them how Christians have lost respect, influence, and reputation in a newly post-Christian culture. “ Why do they hate us so much? ” mystified Americans ask about the rest of the world. A similar question applies to evangelicals in America. Yancey explores what may have contributed to hostility toward Evangelicals, especially in their mixing of faith and politics instead of embracing more grace-filled ways of presenting the gospel. He offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics. Then he explores what is Good News and

The Guide to Learning and Study Skills

Living in the Promise of Romans 8:28

The truth about parenting is that you don't have to get everything right and your family doesn't need to be perfect. Colleen Duggan learned those lessons through years of struggling with unrealistic expectations. In this frank and intimate story, Duggan explores the emotional and spiritual healing that needed to take place in her life in order to be the parent, spouse, and follower of Christ God created her to be. Sharing both

Read Free Good Study Guide

funny parenting moments and difficult times of self-scrutiny, Duggan invites us to join her in experiencing God's healing mercy and shows how to allow that healing to rejuvenate our lives and revitalize our families. As a child, Duggan smoothed over the jagged edges of her difficult home life with good grades and perfect behavior. By the time Duggan was an adult, her drive to constantly be in control was her way of life. It was only when she began raising her family that she realized how damaging this compulsion was for both her and the people around her. That's when she began her faltering journey toward letting God be in control. In Good Enough Is Good Enough, Duggan

Read Free Good Study Guide

shares her heartaches—learning her child has a genetic disorder that might lead to cancer; realizing that her drive to do and be everything for everyone strained her marriage; and struggling with feelings of worthlessness after leaving her job to become "just" a stay-at-home, homeschooling mom. She also shares parenting difficulties we've all faced—trying to keep her kids quiet during Mass; wondering whether she's giving them enough opportunities for growth; and balancing time spent on herself, her kids, and others. With each story, we feel the brokenness she tried to cover by being a "perfect" parent and the eventual realization that she needed to find healing. Through

Read Free Good Study Guide

the saints, the Sacraments, and Catholic traditions and literature, Duggan found the Church a place where God's love and healing grace embraced her. She invites us to the same conclusion: whether we are dealing with everyday frustrations or life-changing tragedies, it is in the heart of the Catholic Church that we are finally free to let go of our facades in order to embrace our brokenness and find healing.

The Road

“A lovely, lethal, disturbing novel” of the dashed hopes of post-apartheid South Africa and the small betrayals that doom a friendship (The Guardian). An extraordinary parable of the corruption of the flesh and spirit, *The Good Doctor* has inspired enthusiastic interest around the world and has assured Damon Galgut's place as a major international talent. When Laurence Waters arrives at his new post at a deserted rural hospital, staff

physician Frank Eloff is instantly suspicious. Laurence is everything Frank is not—young, optimistic and full of big ideas. The whole town is beset with new arrivals and the return of old faces. Frank reestablishes a liaison with a woman, one that will have unexpected consequences. A self-made dictator from apartheid days is rumored to be active in cross-border smuggling, and a group of soldiers has moved in to track him, led by a man from Frank's own dark past. Laurence sees only possibilities—but in a world where the past is demanding restitution from the present, his ill-starred idealism cannot last. “Galgut’s prose, its gentle rhythms and straightforward sentences edging toward revelation, is utterly seductive and suspenseful . . . Galgut is a master of psychological tension. . . . Tragic and brilliant.” —The Globe and Mail
